

Simon® Earns GRESB Green Star

October 2, 2023

INDIANAPOLIS, Oct. 2, 2023 /PRNewswire/ -- [Simon®](#) announced today it has received a four-star rating as a leading retail real estate company for its sustainability practices by The Global Real Estate Sustainability Benchmark (GRESB) and is highly ranked among other retail real estate companies.

Each year, GRESB assesses and benchmarks the ESG performance of assets worldwide, providing clarity and insights to financial markets on complex sustainability topics.

"For years, Simon has been committed to incorporating sustainable practices into the operation and management of our portfolio of properties," said Steven Fivel, General Counsel of Simon.

"Reviewing the benchmarks for this year, it's evident that the industry's dedication to ESG principles is stronger than ever, as showcased by the continued increase in participation and broader data coverage. We applaud investors and managers in the real assets sector for their resolute pursuit of sustainability," said Sebastien Roussotte, CEO of GRESB.

GRESB data is used by hundreds of capital providers and thousands of asset managers to benchmark investments across portfolios and to better understand the opportunities, risks and choices that need to be made as the industry transitions to a more sustainable future.
