The following information in this Prospectus Supplement is qualified in its entirety by, and should be read in conjunction with, the more detailed information appearing in the accompanying Prospectus or incorporated herein and therein by reference. Unless indicated otherwise, the information contained in this Prospectus Supplement is presented as of June 30, 1997. All references to the "Operating Partnership" or the "Company" (as defined below) in this Prospectus Supplement and the accompanying Prospectus include the Operating Partnership or the Company, as the case may be, those entities owned or controlled by it (including, in the case of the Operating Partnership, SPG, LP, as defined below) and its predecessors, unless the context indicates otherwise.

THE OPERATING PARTNERSHIP

Simon DeBartolo Group, L.P. (the "Operating Partnership") is a subsidiary partnership of Simon DeBartolo Group, Inc. (the "Company"). The Company is a self-administered and self-managed real estate investment trust ("REIT"). Simon Property Group, L.P. ("SPG, LP") is a subsidiary partnership of the Operating Partnership and is also a subsidiary partnership of the Company. The Operating Partnership is engaged primarily in the ownership, development, management, leasing, acquisition and expansion of income producing properties, primarily regional malls and community shopping centers. On August 9, 1996, the Company acquired the national shopping center business of DeBartolo Realty Corporation ("DRC"), The Edward J. DeBartolo Corporation ("EJDC") and their affiliates as the result of the merger (the "Merger") of DRC with a subsidiary of the Company. As a result of the Merger, the Portfolio Properties (as defined below) were expanded by 61 properties and the management resources of the merged entities were combined to create one of the most experienced management teams in the shopping center business. Management believes that the Portfolio Properties, as measured in gross leasable area ("GLA"), constitute the largest and most geographically diverse portfolio of any publicly traded REIT in North America and that the Company's market capitalization is the largest of any publicly traded real estate company in North America.

In addition, SPG, LP holds substantially all of the economic interest in M.S. Management Associates, Inc. (the "SPG Management Company"), which manages certain regional malls and community shopping centers not wholly owned by the Operating Partnership and certain other properties and also engages in certain property development activities. The Operating Partnership holds substantially all of the economic interest in, and the SPG Management Company holds substantially all of the voting stock of, DeBartolo Properties Management, Inc. (the "DRC Management Company"), which provides architectural, design, construction and other services to substantially all of the Portfolio Properties owned by the Operating Partnership, as well as certain other regional malls and community shopping centers owned by third parties.

The Operating Partnership owns or holds interests in a diversified portfolio of 186 income producing properties (the "Portfolio Properties"), including 114 super-regional and regional malls, 65 community shopping centers, three specialty retail centers and four mixed-use properties located in 33 states. The Portfolio Properties contain an aggregate of approximately 114 million square feet of GLA, of which approximately 68 million square feet is GLA owned by the Operating Partnership ("Owned GLA"). Approximately 3,100 different retailers occupy approximately 12,000 stores in the Portfolio Properties. Total estimated retail sales at the Portfolio Properties exceeded \$16 billion in 1996. In addition, the Operating Partnership has interests in six properties under construction in the United States aggregating an additional 4.4 million square feet of GLA, and owns land held for future development. The Operating Partnership, together with the SPG Management Company and its affiliated management companies, manage approximately 130 million square feet of GLA of retail and mixed-use properties.

RECENT DEVELOPMENTS

ACQUISITIONS, DEVELOPMENT AND EXPANSION

On August 29, 1997, the Operating Partnership opened the \$89 million phase II expansion of The Forum Shops at Caesar's ("Forum") comprising an additional 235,000 square feet of GLA. This expansion nearly doubled the size of the existing center in Las Vegas, Nevada. The Operating Partnership has a 60% ownership interest in the original phase of Forum and a 55% ownership interest in this new expansion, and accounts for both phases on the consolidated method of accounting.

On September 5, 1997, the Operating Partnership opened The Source, an approximately \$150 million value-oriented retail and entertainment development project containing 730,000 square feet of GLA in Westbury (Long Island), New York. This 50%-owned joint venture is accounted for using the equity method of accounting.

On September 29, 1997, the Operating Partnership completed its cash tender offer for shares of beneficial interests ("Shares") of The Retail Property Trust, a Massachusetts business trust ("RPT"), at \$19 3/8 per share. The Operating Partnership acquired approximately 35,817,000 Shares in the tender offer, which together with Shares previously owned by the Operating Partnership, represents approximately 99.2% of the outstanding Shares. The Operating Partnership is in negotiations to acquire the remaining Shares. RPT owns 98.8% of Shopping Center Associates, a New York general partnership ("SCA"). SCA owns or has interests in twelve regional malls and one community center, comprising approximately twelve million square feet of GLA in eight states. The Operating Partnership expects to purchase the interests in two SCA properties owned by a third party and sell its interests in two other SCA properties to such third party. The Operating Partnership expects to acquire the remaining 1.2% interest in SCA from its current managing general partner. The total purchase price of this acquisition is estimated to be approximately \$1.2 billion, which includes approximately \$300 million of SCA's debt and approximately \$154 million of SCA's pro rata share of joint venture debt. The Operating Partnership funded this acquisition with aggregate borrowings of \$730 million under its \$750 million unsecured revolving credit facility (the "Credit Facility") and an additional \$500 million unsecured credit facility.

FINANCINGS AND INDEBTEDNESS

On July 9, 1997 the Company sold 3,000,000 shares of 7.89% Series C Cumulative Step-Up Premium Rate(sm) Preferred Stock (the "Series C Preferred Shares") in a public offering at \$50.00 per share. Beginning October 1, 2012, the rate increases to 9.89% of the liquidation preference per annum. The Series C Preferred Shares are not redeemable prior to September 30, 2007. Beginning September 30, 2007, the Series C Preferred Shares may be redeemed at the option of the Company in whole or in part, at a redemption price of \$50.00 per share, plus accrued and unpaid distributions, if any, thereon. The redemption price of the Series C Preferred Shares may only be paid from the sale proceeds of other capital stock of the Company, which may include other classes or series of preferred stock. Additionally, the Series C Preferred Shares have no stated maturity and are not subject to any mandatory redemption provisions, nor are they convertible into any other securities of the Company. The Company contributed the net proceeds of this offering of approximately \$146 million to the Operating Partnership in exchange for preferred units, the economic terms of which are substantially identical to the Series C Preferred Shares. The Operating Partnership used the proceeds to increase its ownership interest in West Town Mall, to pay down the Credit Facility and for general working capital purposes.

On July 17, 1997, the Operating Partnership completed a \$250 million public offering of two tranches of its seven-year and twelve-year non-convertible senior unsecured debt securities. The first tranche was for \$100 million, bears interest at 6 3/4% and matures on July 15, 2004. The second tranche was for \$150 million, bears interest at 7% and matures on July 15, 2009. The notes pay interest semi-annually, are guaranteed by SPG, LP, and contain covenants relating to minimum leverage, EBITDA and unencumbered EBITDA ratios. The Operating Partnership used \$225 million of the net proceeds of approximately \$246 million to reduce the amount outstanding on the Credit Facility.

On September 2, 1997, the Operating Partnership completed the refinancing of \$453 million of commercial mortgage pass through certificates and a \$48 million mortgage loan, resulting in releases of

mortgages encumbering 18 of the Portfolio Properties. The Operating Partnership funded this refinancing with the proceeds of a \$225 million secured loan, which is secured by cross-collateralized mortgages encumbering seven of the Portfolio Properties and borrowings of \$294 million under the Credit Facility which were reduced with the proceeds from the sale of \$180 million of notes as described in the following paragraph. The Operating Partnership intends to refinance the \$225 million secured loan.

On September 10, 1997, the Operating Partnership issued \$180 million principal amount of notes under its Medium-Term Note ("MTN") program. These notes mature on September 20, 2007 and have an interest rate of 7.125% per annum. The Operating Partnership used the net proceeds of this offering to pay down the borrowings made under the Credit Facility in connection with the refinancing described in the preceding paragraph.

On September 16, 1997, the Company issued 747,000 shares of its Common Stock in an underwritten public offering. The Company contributed the net proceeds of approximately \$23.6 million to the Operating Partnership in exchange for an equal number of units of limited partnership interest in the Operating Partnership ("Units"). The Operating Partnership subsequently combined the net proceeds with approximately \$4 million of working capital to retire an existing mortgage on O'Hare International Center.

On September 19, 1997, the Company issued 4,500,000 shares of its Common Stock in an underwritten public offering. The Company contributed the net proceeds of approximately \$146.8 million to the Operating Partnership in exchange for an equal number of Units. The Operating Partnership used the net proceeds to pay down the outstanding balance on the Credit Facility.

On September 26, 1997, the Operating Partnership obtained an additional unsecured revolving credit facility in the amount of \$500 million. This new credit facility has terms substantially similar to the Credit Facility, including an interest rate of LIBOR plus 0.75% and an initial maturity of September 1999. The primary reason for obtaining this facility was to fund a portion of the cost of the acquisition of RPT. This facility may, however, be used to fund real estate acquisition, development and general working capital requirements. As of October 21, 1997, \$500 million was outstanding under this facility.

On September 4, 1997, the Operating Partnership transferred ownership of one Portfolio Property and paid \$6.6 million to its lender, fully satisfying the property's mortgage note payable of \$42 million. This property no longer met the Operating Partnership's criteria for its ongoing strategic plan. The Operating Partnership will recognize a gain on this transaction of approximately \$31 million in the third quarter.

On September 17, 1997, the Operating Partnership retired a \$63 million mortgage loan secured by Lincolnwood Towne Center with a new unsecured loan. The mortgage loan bore interest at LIBOR plus 1.25% and had an initial maturity of January 31, 1998. The new unsecured loan bears interest at LIBOR plus 0.75% and matures on January 31, 1998, subject to two one-year extensions.

On October 17, 1997, West Town Mall obtained a \$76 million mortgage note which bears interest at 6.9% and matures on May 1, 2008. The Operating Partnership's share of this mortgage note is \$38 million. This property was previously unencumbered.

As of June 30, 1997, the Operating Partnership's share of total consolidated and joint venture debt as adjusted to give effect to the Offering (as defined below), the application of the net proceeds thereof as described in "Use of Proceeds" and the significant financing transactions that occurred after June 30, 1997 and are summarized above was approximately \$5,449 million. Scheduled maturities of this debt for periods reflected are as follows:

USE OF PROCEEDS

The net proceeds to the Operating Partnership from the sale of the Notes offered hereby (the "Offering"), after the underwriting discount and total expenses estimated to be approximately \$1 million, are estimated to be approximately \$147 million. The Operating Partnership intends to use the proceeds of the Offering primarily to repay secured debt totalling \$115 million and to repay approximately \$32 million in borrowings under the Credit Facility. The secured debt to be repaid bears interest at a weighted average annual rate of 6.57% and matures on December 15, 2003, subject to provisions for adjustment in the interest rate during the last six months of 1998 or, alternatively, an acceleration of the maturity date. The repayment of the secured debt and the application of a \$4 million escrow will result in the release of mortgages on Miller Hill Mall (Duluth, MN), Muncie Mall (Muncie, IN) and Towne West Square (Wichita, KS). The Credit Facility is an unsecured revolving line of credit which matures initially in September 1999, has an automatic one-year extension and bears interest at LIBOR plus 75 basis points. On October 21, 1997, the interest rate on the Credit Facility was 6.41%.

- (1) The shopping center industry is seasonal in nature, particularly in the fourth quarter during the holiday season, when tenant occupancy and retail sales are typically at their highest levels. In addition, shopping malls achieve most of their temporary tenant rents during the holiday season. As a result, earnings are generally highest in the fourth quarter of each year.
 - (2) Funds from Operations ("FFO"), as defined by the National Association of Real Estate Investment Trusts ("NAREIT"), means combined net income of the Operating Partnership without giving effect to depreciation and amortization, gains or losses from extraordinary items, gains or losses on sales of real estate, gains or losses on investments in marketable securities and any provision/benefit for income taxes for such period, plus the allocable portion, based on the Operating Partnership's ownership interest, of FFO of unconsolidated joint ventures, all determined on a consistent basis in accordance with generally accepted accounting principles. Management believes that FFO is an important and widely used measure of the operating performance of REITs which provides a relevant basis for comparison among REITs. FFO is presented to assist investors in analyzing the performance of the Operating Partnership. The Operating Partnership's method of calculating FFO may be different from the methods used by other REITs. FFO (i) does not represent cash flows from operations as defined by generally accepted accounting principles, (ii) should not be considered as an alternative to net income as a measure of operating performance or to cash flows from operating, investing and financing activities and (iii) is not an alternative to cash flows as a measure of liquidity. In March 1995, NAREIT modified its definition of FFO. The modified definition provides that amortization of deferred financing costs and depreciation of nonrental real estate assets are no longer to be added back to net income in arriving at FFO. The modified definition was adopted by the Operating Partnership beginning in 1996. Additionally the FFO for prior periods have been restated to reflect the new definition in order to make the amounts comparative.
 - (3) For purposes of computing the Ratio of Earnings to Fixed Charges, earnings have been calculated by adding Fixed Charges, excluding capitalized interest, to income (loss) from continuing operations including income from minority interests which have fixed charges, and including distributed operating income from unconsolidated joint ventures instead of income from unconsolidated joint ventures. Fixed Charges consist of interest costs, whether expensed or capitalized, the interest component of rental expense and amortization of debt issuance costs.
 - (4) Total EBITDA represents earnings before interest, taxes, depreciation and amortization for all properties. EBITDA after minority interest represents earnings before interest, taxes, depreciation and amortization for all properties after distribution to the third-party joint venture partners. EBITDA (i) does not represent cash flow from operations as defined by generally accepted accounting principles, (ii) should not be considered as an alternative to net income as a measure of operating performance or to cash flows from operating, investing and financing activities; and (iii) is not an alternative to cash flows as a measure of liquidity. Management believes that in addition to cash flows and net income, EBITDA is a useful financial performance measurement for assessing the operating performance of an equity REIT because, together with net income and cash flows, EBITDA provides investors with an additional basis to evaluate the ability of a REIT to incur and service debt and to fund acquisitions and other capital expenditures. To evaluate EBITDA and the trends it depicts, the components of EBITDA, such as revenues and operating expenses, should be considered. The Operating Partnership's method of calculating EBITDA may be different from the methods used by other REITs.
 - (5) For purposes of computing the ratio of EBITDA after minority interest to Fixed Charges and Preferred Unit Distributions, Fixed Charges and Preferred Unit Distributions consist of interest costs, whether expensed or capitalized and including the Operating Partnership's pro rata share of joint venture interest expense, the interest component of rental expense and amortization of debt issuance costs plus any distributions on outstanding preferred units.
 - (6) For purposes of computing the ratio of EBITDA after minority interest to interest expense, EBITDA after minority interest represents earnings before interest, taxes, depreciation and amortization, for all properties after distributions to third-party joint venture partners. Interest expense includes the Operating Partnership's pro rata share of consolidated and joint venture interest expense and is reduced by amortization of debt issuance costs.
 - (7) As specified in the Indenture, Debt consists of indebtedness of the

Operating Partnership and its consolidated subsidiaries, less any portion attributable to minority interests, plus the Operating Partnership's allocable portion of indebtedness of unconsolidated joint ventures from borrowed money, secured indebtedness, reimbursement obligations in connection with letters of credit and capitalized leases. "Adjusted Total Assets" as of any date means the sum of (i) the amount determined by multiplying the sum of the shares of common stock of the Company issued in the initial public offering of the Company ("IPO") and the units of the Operating Partnership not held by the Company outstanding on the date of the IPO, by \$22.25 (the "IPO Price"), (ii) the principal amount of the outstanding consolidated debt of the Company on the date of the IPO, less any portion applicable to minority interests, (iii) the Operating Partnership's allocable portion, based on its ownership interest, of outstanding indebtedness of unconsoli-

dated joint ventures on the date of the IPO, (iv) the purchase price or cost of any real estate assets acquired (including the value, at the time of such acquisition, of any units of the Operating Partnership or shares of common stock of the Company issued in connection therewith) or developed after the IPO by the Operating Partnership or any Subsidiary, less any portion attributable to minority interests, plus the Operating Partnership's allocable portion, based on its ownership interest, of the purchase price or cost of any real estate assets acquired or developed after the IPO by any unconsolidated joint venture, (v) the value of the Merger compiled as the sum of (a) the purchase price including all related closing costs and (b) the value of all outstanding indebtedness less any portion attributable to minority interests, including the Operating Partnership's allocable share, based on its ownership interest, of outstanding indebtedness of unconsolidated joint ventures at the Merger date, and (vi) working capital of the Operating Partnership; subject, however, to reduction by the amount of the proceeds of any real estate assets disposed of after the IPO by the Operating Partnership or any Subsidiary, less any portion applicable to minority interests, and by the Operating Partnership's allocable portion, based on its ownership interest, of the proceeds of any real estate assets disposed of after the IPO by unconsolidated joint ventures. As of June 30, 1997, the Operating Partnership's Adjusted Total Assets were \$9.1 billion. See "Description of the Notes -- Certain Covenants."

- (8) As specified in the Indenture, Secured Debt consists of the Operating Partnership's share of consolidated and joint venture Debt secured by a mortgage or other encumbrance on any property of the Operating Partnership or any Subsidiary. See "Description of the Notes -- Certain Covenants."
- (9) As specified in the Indenture, Unencumbered Assets is equal to Adjusted Total Assets multiplied by a fraction, the numerator of which is Unencumbered Annualized EBITDA After Minority Interest and the denominator of which is Annualized EBITDA After Minority Interest. Unencumbered Annualized EBITDA means Annualized EBITDA less any portion attributable to assets serving as collateral for Secured Debt. As specified in the Indenture, Annualized EBITDA means earnings before interest, taxes, depreciation and amortization for all Portfolio Properties with other adjustments as are necessary to exclude the effect of items classified as extraordinary items in accordance with generally accepted accounting principles, adjusted to reflect the assumption that (i) any income earned as a result of any assets having been placed in service since the end of such period had been earned on an annualized basis, during such period, and (ii) in the case of an acquisition or disposition by the Operating Partnership, any Subsidiary or any unconsolidated joint venture in which the Operating Partnership or any Subsidiary owns an interest, of any assets since the first day of such period, such acquisition or disposition and any related repayment of Debt had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition. Annualized EBITDA After Minority Interest means Annualized EBITDA after distributions to third party joint venture partners. Unsecured Debt means Debt not secured by a mortgage or other encumbrance on any property of the Operating Partnership or any subsidiary. See "Description of the Notes -- Certain Covenants."

DESCRIPTION OF THE NOTES

The following description of the specific terms of the Notes supplements the description of the general terms and provisions of Debt Securities set forth in the accompanying Prospectus under the caption "Description of Debt Securities."

The Notes constitute a series of debt securities (which are more fully described in the accompanying Prospectus) to be issued pursuant to an indenture dated as of November 26, 1996, among the Operating Partnership, SPG, LP, as guarantor, and The Chase Manhattan Bank, as trustee (the "Trustee"), as supplemented by a Fifth Supplemental Indenture, dated as of October 27, 1997, between the Operating Partnership and the Trustee (together, the "Indenture"). The terms of the Notes include those provisions contained in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"). The Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the Trust Indenture Act for a statement thereof. SPG, LP will guarantee the due and punctual payment of the principal of, premium, if any, interest on, and any other amounts payable with respect to, the Notes, when and as the same shall become due and payable, whether at a maturity date, on redemption, by declaration of acceleration or otherwise. See "-- The Guarantee." The following summary of certain provisions of the Indenture does not purport to be complete and is subject to and qualified in its entirety by reference to the Indenture, including the definitions therein of certain terms used below.

GENERAL

The Notes will be limited in aggregate principal amount to \$150 million. The Notes will be direct, unsecured obligations of the Operating Partnership and will rank pari passu with each other and with all other unsecured and unsubordinated indebtedness of the Operating Partnership from time to time outstanding. The Notes will be effectively subordinated to (i) the prior claims of each secured mortgage lender to any specific Portfolio Property which secures such lender's mortgage and (ii) any claims of creditors of entities wholly or partly owned, directly or indirectly, by the Operating Partnership. Subject to certain limitations set forth in the Indenture, and as described under "-- Certain Covenants -- Limitations on Incurrence of Debt" below, the Indenture will permit the Operating Partnership to incur additional secured and unsecured indebtedness. At June 30, 1997, the Operating Partnership had combined unsecured unsubordinated indebtedness aggregating approximately \$875 million.

The Notes will mature on October 27, 2005 (the "Maturity Date"). The Notes are not subject to any sinking fund provisions. The Notes will be issued only in fully registered, book-entry form without Coupons, in denominations of \$1,000 and integral multiples, thereof, except under the limited circumstances described below under "Book-Entry System."

Except as described under "-- Certain Covenants -- Limitations on Incurrence of Debt" below and under "Description of Debt Securities -- Merger, Consolidation or Sale" in the accompanying Prospectus, the Indenture does not contain any provisions that would limit the ability of the Operating Partnership to incur indebtedness or that would afford holders of the Notes protection in the event of (i) a highly leveraged or similar transaction involving the Operating Partnership, the Company or the General Partners of the Operating Partnership, or any affiliate of any such party, (ii) a change of control, or (iii) a reorganization, restructuring, merger or similar transaction involving the Operating Partnership that may adversely affect the holders of the Notes. In addition, subject to the limitations set forth under "Description of Debt Securities -- Merger, Consolidation or Sale" in the accompanying Prospectus, the Operating Partnership may, in the future, enter into certain transactions such as the sale of all or substantially all of its assets or the merger or consolidation of the Operating Partnership that would increase the amount of the Operating Partnership's indebtedness or substantially reduce or eliminate the Operating Partnership's assets, which may have an adverse effect on the Operating Partnership's ability to service its indebtedness, including the Notes. It is currently expected that subsequent to the first anniversary of the date of the Merger, reorganizational transactions will be effected so that the Operating Partnership will directly own all of the assets and partnership interests now owned by SPG, LP. However, there can be no assurance that such reorganizational transactions will be so effected. See "The Operating Partnership" in the accompanying Prospectus.

PRINCIPAL AND INTEREST

The Notes will bear interest at 6 7/8% per annum from the date of issuance or from the immediately preceding Interest Payment Date (as defined below) to which interest has been paid, payable semi-annually in arrears on each October 15 and April 15, commencing April 15, 1998 (each, an "Interest Payment Date"), and on the Maturity Date, to the persons (the "Holders") in whose names the applicable Notes are registered in the Security Register applicable to the Notes at the close of business 15 calendar days prior to such payment date regardless of whether such day is a Business Day, as defined below (each, a "Regular Record Date"). Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

The principal of each Note payable on the Maturity Date will be paid against presentation and surrender of such Note at the corporate trust office of the Trustee, located initially at 450 West 33rd Street, 15th Floor, New York, New York 10001, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the required payment shall be made on the next Business Day as if it were made on the date such payment was due and no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date or the Maturity Date, as the case may be. "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in the City of New York are authorized or required by law, regulation or executive order to close.

CERTAIN COVENANTS

Limitations on Incurrence of Debt. The Operating Partnership will not, and will not permit any Subsidiary (as defined below) to, incur any Debt (as defined below), other than intercompany debt (representing Debt to which the only parties are the Company, the Operating Partnership and any of their Subsidiaries (but only so long as such Debt is held solely by any of the Company, the Operating Partnership and any Subsidiary) that is subordinate in right of payment to the Notes), if, immediately after giving effect to the incurrence of such additional Debt, the aggregate principal amount of all outstanding Debt would be greater than 60% of the sum of (i) the Operating Partnership's Adjusted Total Assets (as defined below) as of the end of the fiscal quarter prior to the incurrence of such additional Debt and (ii) any increase in Adjusted Total Assets from the end of such quarter including, without limitation, any pro forma increase from the application of the proceeds of such additional Debt.

In addition to the foregoing limitation on the incurrence of Debt, the Operating Partnership will not, and will not permit any Subsidiary to, incur any Debt secured by any mortgage, lien, pledge, encumbrance or security interest of any kind upon any of the property of the Operating Partnership or any Subsidiary ("Secured Debt"), whether owned at the date of the Indenture or thereafter acquired, if, immediately after giving effect to the incurrence of such additional Secured Debt, the aggregate principal amount of all outstanding Secured Debt is greater than 55% of the sum of (i) the Operating Partnership's Adjusted Total Assets as of the end of the fiscal quarter prior to the incurrence of such additional Secured Debt and (ii) any increase in Adjusted Total Assets from the end of such quarter including, without limitation, any pro forma increase from the application of the proceeds of such additional Secured Debt.

In addition to the foregoing limitations on the incurrence of Debt, the Operating Partnership will not, and will not permit any Subsidiary to, incur any Debt if the ratio of Annualized EBITDA After Minority Interest to Interest Expense (in each case as defined below) for the period consisting of the four consecutive fiscal quarters most recently ended prior to the date on which such additional Debt is to be incurred shall have been less than 1.75 to 1 on a pro forma basis after giving effect to the incurrence of such Debt and to the application of the proceeds therefrom, and calculated on the assumption that (i) such Debt and any other Debt incurred since the first day of such four-quarter period had been incurred, and the proceeds therefrom had been applied (to whatever purposes such proceeds had been applied as of the date of calculation of such ratio), at the beginning of such period, (ii) any other Debt that has been repaid or retired since the first day of such four-quarter period had been repaid or retired at the beginning of such period (except that, in making such computation, the amount of Debt under any revolving credit facility shall be computed based upon the average

daily balance of such Debt during such period), (iii) any income earned as a result of any assets having been placed in service since the end of such four-quarter period had been earned, on an annualized basis, during such period, and (iv) in the case of any acquisition or disposition by the Operating Partnership, any Subsidiary or any unconsolidated joint venture in which the Operating Partnership or any Subsidiary owns an interest, of any assets since the first day of such four-quarter period, including, without limitation, by merger, stock purchase or sale, or asset purchase or sale, such acquisition or disposition and any related repayment of Debt had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition being included in such pro forma calculation.

For purposes of the foregoing provisions regarding the limitation on the incurrence of Debt, Debt shall be deemed to be "incurred" by the Operating Partnership, its Subsidiaries and by any unconsolidated joint venture, whenever the Operating Partnership, any Subsidiary, or any unconsolidated joint venture, as the case may be, shall create, assume, guarantee or otherwise become liable in respect thereof.

Maintenance of Unencumbered Assets. The Operating Partnership is required to maintain Unencumbered Assets (as defined below) of not less than 150% of the aggregate outstanding principal amount of the Unsecured Debt (as defined below) of the Operating Partnership.

As used herein:

"Adjusted Total Assets" as of any date means the sum of (i) the amount determined by multiplying the sum of the shares of common stock of the Company issued in the initial public offering of the Company ("IPO") and the units of the Operating Partnership not held by the Company outstanding on the date of the IPO, by \$22.25 (the "IPO Price"), (ii) the principal amount of the outstanding consolidated debt of the Company on the date of the IPO, less any portion applicable to minority interests, (iii) the Operating Partnership's allocable portion, based on its ownership interest, of outstanding indebtedness of unconsolidated joint ventures on the date of the IPO, (iv) the purchase price or cost of any real estate assets acquired (including the value, at the time of such acquisition, of any units of the Operating Partnership or shares of common stock of the Company issued in connection therewith) or developed after the IPO by the Operating Partnership or any Subsidiary, less any portion attributable to minority interests, plus the Operating Partnership's allocable portion, based on its ownership interest, of the purchase price or cost of any real estate assets acquired or developed after the IPO by any unconsolidated joint venture, (v) the value of the Merger compiled as the sum of (a) the purchase price including all related closing costs and (b) the value of all outstanding indebtedness less any portion attributable to minority interests, including the Operating Partnership's allocable share, based on its ownership interest, of outstanding indebtedness of unconsolidated joint ventures at the Merger date, and (vi) working capital of the Operating Partnership; subject, however, to reduction by the amount of the proceeds of any real estate assets disposed of after the IPO by the Operating Partnership or any Subsidiary, less any portion applicable to minority interests, and by the Operating Partnership's allocable portion, based on its ownership interest, of the proceeds of any real estate assets disposed of after the IPO by unconsolidated joint ventures. As of June 30, 1997, the Operating Partnership's Adjusted Total Assets were \$9.1 billion.

"Annualized EBITDA" means earnings before interest, taxes, depreciation and amortization for all properties with other adjustments as are necessary to exclude the effect of items classified as extraordinary items in accordance with generally accepted accounting principles, adjusted to reflect the assumption that (i) any income earned as a result of any assets having been placed in service since the end of such period had been earned, on an annualized basis, during such period, and (ii) in the case of any acquisition or disposition by the Operating Partnership, any Subsidiary or any unconsolidated joint venture in which the Operating Partnership or any Subsidiary owns an interest, of any assets since the first day of such period, such acquisition or disposition and any related repayment of Debt had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition.

"Annualized EBITDA After Minority Interest" means Annualized EBITDA after distributions to third party joint venture partners.

"Debt" means any indebtedness of the Operating Partnership and its Subsidiaries on a consolidated basis, less any portion attributable to minority interests, plus the Operating Partnership's allocable portion, based on its ownership interest, of indebtedness of unconsolidated joint ventures, in respect of (i) borrowed money evidenced by bonds, notes, debentures or similar instruments, as determined in accordance with generally accepted accounting principles, (ii) indebtedness secured by any mortgage, pledge, lien, charge, encumbrance or any security interest existing on property owned by the Operating Partnership or any Subsidiary directly, or indirectly through unconsolidated joint ventures, as determined in accordance with generally accepted accounting principles, (iii) reimbursement obligations, contingent or otherwise, in connection with any letters of credit actually issued or amounts representing the balance deferred and unpaid of the purchase price of any property, except any such balance that constitutes an accrued expense or trade payable, and (iv) any lease of property by the Operating Partnership or any Subsidiary as lessee which is reflected in the Operating Partnership's consolidated balance sheet as a capitalized lease or any lease of property by an unconsolidated joint venture as lessee which is reflected in such joint venture's balance sheet as a capitalized lease, in each case, in accordance with generally accepted accounting principles; provided, that Debt also includes, to the extent not otherwise included, any obligation by the Operating Partnership or any Subsidiary to be liable for, or to pay, as obligor, guarantor or otherwise, items of indebtedness of another person (other than the Operating Partnership or any Subsidiary) described in clauses (i) through (iv) above (or, in the case of any such obligation made jointly with another person, the Operating Partnership's or Subsidiary's allocable portion of such obligation based on its ownership interest in the related real estate assets).

"Fixed Charges and Preferred Unit Distributions" consist of interest costs, whether expensed or capitalized, the interest component of rental expense and amortization of debt issuance costs, including the Operating Partnership's pro rata share based on its ownership interest of joint venture interest costs, whether expensed or capitalized and the interest component of rental expense and amortization of debt issuance costs, plus any distributions on outstanding preferred units.

"Interest Expense" includes the Operating Partnership's pro rata share of joint venture interest expense and is reduced by amortization of debt issuance costs.

"Subsidiary" means a corporation, partnership, joint venture, limited liability company or other entity, a majority of the outstanding voting stock, partnership interests or membership interests, as the case may be, of which is owned or controlled, directly or indirectly, by the Operating Partnership or by one or more other Subsidiaries of the Operating Partnership and, for purposes of this definition, shall include SPG, LP. For the purposes of this definition, "voting stock" means stock having voting power for the election of directors, or trustees, as the case may be, whether at all times or only so long as no senior class of stock has such voting power by reason of any contingency.

"Unencumbered Annualized EBITDA After Minority Interest" means Annualized EBITDA after minority interest less any portion thereof attributable to assets serving as collateral for Secured Debt.

"Unencumbered Assets" as of any date shall be equal to Adjusted Total Assets as of such date multiplied by a fraction, the numerator of which is Unencumbered Annualized EBITDA After Minority Interest and the denominator of which is Annualized EBITDA After Minority Interest. As of June 30, 1997, the Operating Partnership's Unencumbered Assets were \$2.2 billion.

"Unsecured Debt" means Debt which is not secured by any mortgage, lien, pledge, encumbrance or security interest of any kind.

Reference is made to the section entitled "Description of Debt Securities -- Certain Covenants" in the accompanying Prospectus for a description of additional covenants applicable to the Notes. Compliance with the covenants described herein and such additional covenants with respect to the Notes generally may not be waived by the Board of Directors of the General Partners, as general partners of the Operating Partnership, or by the Trustee unless the Holders of at least a majority in principal amount of all outstanding Notes consent to such waiver; provided, however, that the defeasance and covenant defeasance provisions of the Indenture described under "Description of Debt Securities -- Discharge" and " -- Defeasance and Covenant Defea-

sance" in the accompanying Prospectus will apply to the Notes and the Guarantee, including with respect to the covenants described in this Prospectus Supplement.

OPTIONAL REDEMPTION

The Notes may be redeemed at any time at the option of the Operating Partnership, in whole or from time to time in part, at a redemption price equal to the sum of (i) the principal amount of the Notes being redeemed plus accrued interest thereon to the redemption date and (ii) the Make-Whole Amount (as defined below), if any, with respect to such Notes (the "Redemption Price").

If notice of redemption has been given as provided in the Indenture and funds for the redemption of any Notes called for redemption shall have been made available on the redemption date referred to in such notice, such Notes will cease to bear interest on the date fixed for such redemption specified in such notice and the only right of the Holders of the Notes from and after the redemption date will be to receive payment of the Redemption Price upon surrender of such Notes in accordance with such notice.

Notice of any optional redemption of any Notes will be given to Holders at their addresses, as shown in the security register for the Notes, not more than 60 nor less than 30 days prior to the date fixed for redemption. The notice of redemption will specify, among other items, the Redemption Price and the principal amount of the Notes held by such Holder to be redeemed.

If less than all the Notes are to be redeemed at the option of the Operating Partnership, the Operating Partnership will notify the Trustee at least 45 days prior to giving notice of redemption (or such shorter period as may be satisfactory to the Trustee) of the aggregate principal amount of Notes to be redeemed and their redemption date. The Trustee shall select, in such manner as it shall deem fair and appropriate, Notes to be redeemed in whole or in part.

As used herein:

"Make-Whole Amount" means, in connection with any optional redemption or accelerated payment of any Notes, the excess, if any, of (i) the aggregate present value as of the date of such redemption or accelerated payment of each dollar of principal being redeemed or paid and the amount of interest (exclusive of interest accrued to the date of redemption or accelerated payment) that would have been payable in respect of each such dollar if such redemption or accelerated payment had not been made, determined by discounting, on a semi-annual basis, such principal and interest at the Reinvestment Rate (determined on the third Business Day preceding the date notice of such redemption is given or declaration of acceleration is made) from the respective dates on which such principal and interest would have been payable if such redemption or accelerated payment had not been made, to the date of redemption or accelerated payment, over (ii) the aggregate principal amount of the Notes being redeemed or accelerated.

"Reinvestment Rate" means the yield on treasury securities at a constant maturity corresponding to the remaining life (as of the date of redemption, and rounded to the nearest month) to Stated Maturity of the principal being redeemed (the "Treasury Yield"), plus .25%. For purposes hereof, the Treasury Yield shall be equal to the arithmetic mean of the yields published in the Statistical Release under the heading "Week Ending" for "U.S. Government Securities -- Treasury Constant Maturities" with a maturity equal to such remaining life; provided, that if no published maturity exactly corresponds to such remaining life, then the Treasury Yield shall be interpolated or extrapolated on a straight-line basis from the arithmetic means of the yields for the next shortest and next longest published maturities, rounding each of such relevant periods to the nearest month. For purposes of calculating the Reinvestment Rate, the most recent Statistical Release published prior to the date of determination of the Make-Whole amount shall be used. If the format or content of the Statistical Release changes in a manner that precludes determination of the Treasury Yield in the above manner, then the Treasury Yield shall be determined in the manner that most closely approximates the above manner, as reasonably determined by the Operating Partnership.

"Statistical Release" means the statistical release designated "H.15(519)" or any successor publication which is published weekly by the Federal Reserve System and which reports yields on actively traded United States government securities adjusted to constant maturities, or, if such statistical release is not published at

the time of any determination under the Indenture, then such other reasonably comparable index which shall be designated by the Operating Partnership.

THE GUARANTEE

SPG, LP will guarantee (the "Guarantee") the due and punctual payment of principal of, premium, if any, interest on, and any other amounts payable with respect to, the Notes, when and as the same shall become due and payable, whether at a maturity date, on redemption, by declaration of acceleration, or otherwise, in accordance with the terms of the Notes and the Indenture. Pursuant to the Indenture, (i) the Trustee may exercise its rights thereunder on behalf of the Holders and (ii) SPG, LP shall covenant that it shall take no action which would cause the Operating Partnership to violate any covenant under the Indenture agreement or any other condition. The Guarantee will terminate upon the consummation of the reorganizational transactions pursuant to which the Operating Partnership is expected to own directly all of the assets and partnership interests then owned by SPG, LP. However, there can be no assurance that such reorganizational transactions will be so effected. See "The Operating Partnership" in the accompanying Prospectus. No partner (whether limited or general) of SPG, LP will have any obligation for any obligations of SPG, LP under the Guarantee.

In the absence of the Guarantee, Holders of the Notes will have no claims, with respect to any payments in connection with the Notes, against the assets of SPG, LP or the assets of any other Subsidiary of the Operating Partnership. Any such claim that such Holders may make will have to be made indirectly through the equity interest that the Operating Partnership has in SPG, LP (or other Subsidiaries), and will thus be structurally subordinated to the claims of creditors of SPG, LP (or other Subsidiaries). As a result of the Guarantee, Holders of the Notes, upon exercising their rights with respect to the Guarantee against SPG, LP, will be considered creditors of SPG, LP and their claims will rank pari passu with those of unsecured and unsecured creditors of SPG, LP and will not be structurally subordinated to such creditors.

BOOK-ENTRY SYSTEM

The following are summaries of certain rules and operating procedures of DTC that affect the payment of principal and interest and transfers in the Global Note. Upon issuance, the Notes will only be issued in the form of a Global Note which will be deposited with, or on behalf of, DTC and registered in the name of Cede & Co., as nominee of DTC. Unless and until it is exchanged in whole or in part for Notes in definitive form under the limited circumstances described below, a Global Note may not be transferred except as a whole (i) by DTC to a nominee of DTC, (ii) by a nominee of DTC to DTC or another nominee of DTC or (iii) by DTC or any such nominee to a successor of DTC or a nominee of such successor.

Ownership of beneficial interests in a Global Note will be limited to persons that have accounts with DTC for such Global Note ("participants") or persons that may hold interests through participants. Upon the issuance of a Global Note, DTC will credit, on its book-entry registration and transfer system, the participants' accounts with the respective principal amounts of the Notes represented by such Global Note beneficially owned by such participants. Ownership of beneficial interests in such Global Notes will be shown on, and the transfer of such ownership interests will be effected only through, records maintained by DTC (with respect to interests of participants) and on the records of participants (with respect to interests of persons holding through participants). The laws of some states may require that certain purchasers of securities take physical delivery of such securities in definitive form. Such laws may limit or impair the ability to own, transfer or pledge beneficial interests in the Global Note.

So long as DTC or its nominee is the registered owner of a Global Note, DTC or its nominee, as the case may be, will be considered the sole owner or Holder of the Notes represented by such Global Note for all purposes under the Indenture. Except as set forth below, owners of beneficial interests in a Global Note will not be entitled to have Notes represented by such Global Note registered in their names, will not receive or be entitled to receive physical delivery of such Notes in certificated form and will not be considered the registered owners or Holders thereof under the Indenture. Accordingly, each person owning a beneficial interest in a Global Note must rely on the procedures of DTC and, if such person is not a participant, on the procedures of

the participant through which such person owns its interest, to exercise any rights of a Holder under the Indenture. The Operating Partnership understands that under existing industry practices, if the Operating Partnership requests any action of Holders or if an owner of a beneficial interest in a Global Note desires to give or take any action that a Holder is entitled to give or take under the Indenture, DTC would authorize the participants holding the relevant beneficial interests to give or take such action, and such participants would authorize beneficial owners owning through such participants to give or take such action or would otherwise act upon the instructions of beneficial owners holding through them.

Principal and interest payments on interests represented by a Global Note will be made to DTC or its nominee, as the case may be, as the registered owner of such Global Note. None of the Operating Partnership, the Trustee or any agent of the Operating Partnership or agent of the Trustee will have any responsibility or liability for any aspect of the records relating to or payment made on account of beneficial ownership interests in the Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Operating Partnership expects that DTC, upon receipt of any payment of principal or interest in respect of a Global Note, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in such Global Note as shown on the records of DTC. The Operating Partnership also expects that payments by participants to owners of beneficial interests in the Global Notes held through such participants will be governed by standing customer instructions and customary practice, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such participants.

If DTC is at any time unwilling or unable to continue as depository for the Notes and the Operating Partnership fails to appoint a successor depository registered as a clearing agency under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), within 90 days, the Operating Partnership will issue the Notes in definitive form in exchange for the respective Global Notes. Any Notes issued in definitive form in exchange for the Global Notes will be registered in such name or names, and will be issued in denominations of \$1,000 and such integral multiples thereof, as DTC shall instruct the Trustee. It is expected that such instructions will be based upon directions received by DTC from participants with respect to ownership of beneficial interests in the Global Notes.

DTC has advised the Operating Partnership of the following information regarding DTC. DTC is a limited-purpose trust company organized under the Banking Law of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities of its participants and to facilitate the clearance and settlement of transactions among its participants in such securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movement of securities certificates. DTC's participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations, some of which (or their representatives) own DTC. Access to the DTC book-entry system is also available to others, such as banks, brokers and dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

SAME-DAY SETTLEMENT AND PAYMENT

Settlement for the Notes will be made by the Underwriters (as defined herein) in immediately available funds. All payments of principal and interest in respect of the Notes will be made by the Operating Partnership in immediately available funds.

Secondary trading in long-term notes and debentures of corporate issuers is generally settled in clearing house or next-day funds. In contrast, the Notes will trade in DTC's Same-Day Funds Settlement System until maturity or until the Notes are issued in certificated form, and secondary market trading activity in the Notes will therefore be required by DTC to settle in immediately available funds. No assurance can be given as to the effect, if any, of settlement in immediately available funds on trading activity in the Notes.

UNDERWRITING

Subject to the terms and conditions contained in the terms agreement and the related underwriting agreement (the "Underwriting Agreement"), the Operating Partnership has agreed to sell to each of the Underwriters named below (the "Underwriters"), and each of the Underwriters has severally agreed to purchase, the respective principal amount of the Notes set forth below opposite their respective names. The Underwriting Agreement provides that the obligations of the Underwriters are subject to certain conditions precedent and that the Underwriters will be obligated to purchase all of the Notes if any are purchased.

UNDERWRITERS	PRINCIPAL AMOUNT
Merrill Lynch, Pierce, Fenner & Smith Incorporated.....	\$ 60,000,000
Lehman Brothers Inc.....	30,000,000
J.P. Morgan Securities Inc.....	30,000,000
UBS Securities LLC.....	30,000,000

Total.....	\$ 150,000,000 =====

The Underwriters have advised the Operating Partnership that they propose initially to offer the Notes to the public at the public offering price set forth on the cover page of this Prospectus Supplement, and to certain dealers at such price less a concession not in excess of .375% of the principal amount thereof. The Underwriters may allow, and such dealers may reallow, a discount not in excess of .25% of the principal amount thereof to certain other dealers. After the initial public offering, the public offering price, concession and discount may be changed.

The Notes are a new issue of securities with no established trading market. The Operating Partnership does not intend to apply for listing of the Notes on a national securities exchange. The Operating Partnership has been advised by the Underwriters that the Underwriters intend to make a market in the Notes as permitted by applicable laws and regulations, but the Underwriters are not obligated to do so and may discontinue market-making at any time without notice. No assurance can be given as to the liquidity of the trading market for the Notes.

Until the distribution of the Notes is completed, rules of the Commission may limit the ability of the Underwriters and certain selling group members to bid for and purchase the Notes. As an exemption to these rules, the Underwriters are permitted to engage in certain transactions that stabilize the price of the Notes. Such transactions consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the Notes.

If the Underwriters create a short position in the Notes in connection with the Offering, i.e., they sell more Notes than are set forth on the cover page of this Prospectus Supplement, the Underwriters may reduce that short position by purchasing Notes in the open market. The Underwriters may also impose a penalty bid on selling group members. This means that if the Underwriters purchase Notes in the open market to reduce the Underwriters' short position or to stabilize the price of the Notes, they may reclaim the amount of the selling concession from the selling group members who sold those Notes as part of the Offering.

In general, purchases of a security for the purpose of stabilization or to reduce a short position could cause the price of the security to be higher than it might be in the absence of such purchases. The imposition of a penalty bid might also have an effect on the price of a security to the extent that it were to discourage resales of the security.

Neither the Operating Partnership nor any of the Underwriters makes any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of the Notes.

In addition, neither the Operating Partnership nor any of the Underwriters makes any representation that the Underwriters will engage in such transactions or that such transactions once commenced, will not be discontinued without notice.

The Operating Partnership and the Company have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make in respect thereof.

Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") and certain of the Underwriters have from time to time provided, and may continue to provide in the future, various investment banking, commercial banking and/or financial advisory services to the Company, the Operating Partnership and SPG, LP, for which customary compensation has been, and will be, received. Merrill Lynch has acted as representative of various underwriters in connection with public offerings of the Company's Common Stock and Preferred Stock in 1993, 1995, 1996 and 1997 and of the Operating Partnership's Debt Securities in 1996 and 1997. Also, in connection with the Merger, the Company paid Merrill Lynch a fee of approximately \$4 million for financial advisory services provided by Merrill Lynch. Morgan Guaranty Trust Company of New York, an affiliate of J.P. Morgan Securities Inc. ("J.P. Morgan"), one of the Underwriters, and Union Bank of Switzerland, New York Branch, an affiliate of UBS Securities LLC, one of the Underwriters, are lead agents and lenders under the Operating Partnership's \$750 million and \$500 million unsecured credit facilities. Also, J.P. Morgan has acted as lead agent of various agents in connection with public offerings of the Operating Partnership's MTN program.

LEGAL MATTERS

The legality of the Notes offered hereby and the description of United States Federal income tax matters contained in this Prospectus Supplement will be passed upon for the Operating Partnership by Baker & Daniels, Indianapolis, Indiana. Certain legal matters will be passed upon for the Underwriters by Rogers & Wells, New York, New York. Baker & Daniels and Rogers & Wells will rely on (i) the opinions of Piper & Marbury, LLP, Baltimore, Maryland, as to matters of Maryland law and (ii) the opinions of Vorys, Sater, Seymour and Pease, Columbus, Ohio, as to matters of Ohio law.

SIMON DeBARTOLO GROUP, L.P.
Debt Securities

Simon DeBartolo Group, L.P. (the "Operating Partnership") may from time to time offer in one or more series unsecured non-convertible investment grade debt securities ("Debt Securities") in an aggregate principal amount of up to \$1 billion (or its equivalent in another currency based on the exchange rate at the time of sale) in amounts, at prices and on terms to be set forth in one or more supplements to this Prospectus (each a "Prospectus Supplement"). The Operating Partnership is a subsidiary of Simon DeBartolo Group, Inc. (the "Company") and is the Company's primary operating partnership. Simon Property Group, L.P., a Delaware limited partnership and a subsidiary partnership of the Operating Partnership, will guarantee (the "Guarantee") the due and punctual payment of the principal of, premium, if any, interest on, and any other amounts payable with respect to, the Debt Securities, when and as the same shall become due and payable, whether at a maturity date, on redemption, by declaration of acceleration or otherwise, and as set forth in the applicable Prospectus Supplement with respect to such Debt Securities.

The specific terms of the Debt Securities in respect of which this Prospectus is being delivered will be set forth in the applicable Prospectus Supplement and will include a specific title, aggregate principal amount, currency, form (which may be registered or bearer, or certificated or global), authorized denominations, maturity, rate (or manner of calculation thereof) and time of payment of interest, terms for redemption at the option of the Operating Partnership or repayment at the option of the holder, terms for sinking fund payments, covenants and any initial public offering price.

The applicable Prospectus Supplement will also contain information, where applicable, concerning material United States federal income tax considerations relating to, and any listing on a securities exchange of, the Debt Securities covered by such Prospectus Supplement.

The Debt Securities may be offered directly, through agents designated from time to time by the Operating Partnership, or to and through underwriters or dealers. If any agents, dealers or underwriters are involved in the sale of any of the Debt Securities, their names, and any applicable purchase price, fee, commission or discount arrangement between or among them, will be set forth, or will be calculable from the information set forth, in an accompanying Prospectus Supplement. See "Plan of Distribution." No Debt Securities may be sold without delivery of a Prospectus Supplement describing the method and terms of the offering of such series of Debt Securities.

The Debt Securities will be direct, unsecured obligations of the Operating Partnership and will, unless otherwise described in the applicable Prospectus Supplement, rank equally with all other unsecured and unsubordinated indebtedness of the Operating Partnership. On June 30, 1997, the total outstanding debt of the Operating Partnership, including its pro rata share of joint venture debt, was approximately \$4,296 million, 79.6% of which was secured debt. Except as otherwise described in the applicable Prospectus Supplement, the Indenture pursuant to which the Debt Securities are issued does not limit the amount of other indebtedness of the Operating Partnership including secured debt.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION NOR HAS THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The date of this Prospectus is October 15, 1997.

THE OPERATING PARTNERSHIP

Simon DeBartolo Group, L.P. (the "Operating Partnership") is a subsidiary partnership of Simon DeBartolo Group, Inc. (the "Company") and is the primary operating partnership of the Company. The Company is a self-administered and self-managed real estate investment trust ("REIT"). Simon Property Group, L.P. ("SPG, LP" and together with the Operating Partnership, the "Partnerships") is a subsidiary partnership of the Operating Partnership. The Partnerships are engaged primarily in the ownership, development, management, leasing, acquisition and expansion of income producing properties, primarily regional malls and community shopping centers. On August 9, 1996, the Company acquired the national shopping center business of DeBartolo Realty Corporation ("DRC"), The Edward J. DeBartolo Corporation and their affiliates as the result of the merger (the "Merger") of DRC with a subsidiary of the Company. As a result of the Merger, the Portfolio Properties (as defined below) were expanded by 61 properties and the management resources of the merged entities were combined. Management believes that the Portfolio Properties, as measured in gross leasable area ("GLA"), constitute the largest and most geographically diverse portfolio of any publicly traded REIT in North America and that the Company's market capitalization is the largest of any publicly traded real estate company in North America.

SPG, LP continues to hold interests in certain properties and is a party to various agreements binding on itself and on subsidiary partnerships of which it is the general partner. These agreements require the continued existence of SPG, LP. The consents necessary under these agreements to permit the combination of SPG, LP and the Operating Partnership were not obtained at the time of the Merger. To date, all of the required consents have been obtained. As a result thereof, it is currently expected that subsequent to the first anniversary of the date of the Merger, reorganizational transactions will be effected so that the Operating Partnership will directly own all of the assets and partnership interests now owned by SPG, LP. Prior to such proposed reorganizational transactions, holders of the Debt Securities to be offered hereby will not, as a result of the Guarantee, be structurally subordinated to holders of unsecured and unsubordinated indebtedness of SPG, LP, but will rank pari passu with them. After the proposed reorganizational transactions, holders of the Debt Securities will remain pari passu with holders of such indebtedness. However, there can be no assurance that such reorganizational transactions will be so effected.

As of June 30, 1997, the Partnerships, owned or held interests in a diversified portfolio of 186 income producing properties (the "Portfolio Properties"), including 114 super-regional and regional malls, 65 community shopping centers, three specialty retail centers and four mixed-use properties located in 33 states; the Portfolio Properties contain an aggregate of approximately 114 million square feet of gross leasable area ("GLA"), of which approximately 68 million square feet is GLA owned by the Partnerships ("Owned GLA"); approximately 3,100 different retailers occupy approximately 12,000 stores in the Portfolio Properties; total estimated retail sales at the Portfolio Properties exceeded \$16 billion in 1996; the Partnerships have interests in six properties under construction in the United States aggregating approximately four million square feet of GLA, and own land held for future development. The Partnerships, together with their affiliated management companies (collectively, the "Management Companies"), manage approximately 130 million square feet of GLA of retail and mixed-use properties.

The Company is a general partner of the Operating Partnership and the sole general partner of SPG, LP. The other general partner of the Operating Partnership is SD Property Group, Inc. (the "Managing General Partner"). The Company owns a 99.9% interest in the Managing General Partner.

As of June 30, 1997, the Operating Partnership and the Management Companies had approximately 5,700 employees. The Operating Partnership's executive offices are located at National City Center, 115 West Washington Street, Suite 15 East, Indianapolis, Indiana 46204, and its telephone number is (317) 636-1600.

USE OF PROCEEDS

Except as otherwise provided in the applicable Prospectus Supplement, proceeds to the Operating Partnership from the sale of the Debt Securities offered hereby will be added to the working capital of the Operating Partnership and will be available for general purposes, which may include the repayment of indebtedness, the financing of capital commitments and possible future acquisitions associated with the continued expansion of the Partnerships' business.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth the historical consolidated ratio of earnings to fixed charges of the Operating Partnership and its predecessors for the periods indicated.

SIX MONTHS ENDED JUNE 30,		YEAR ENDED DECEMBER 31,				
1997	1996	1996	1995	1994	1993	1992
1.71x	1.54x	1.64x	1.67x	1.43x	3.36x(1)	--(1)

(1) Prior to the commencement of business by SPG, LP in December 1993, the predecessor of SPG, LP maintained a different ownership and equity structure. The operating properties of the predecessor of SPG, LP historically generated positive net cash flow. The financial statements of the predecessor of SPG, LP show net income for the period January 1, 1993 through December 19, 1993, and net losses for the year ended December 31, 1992. The ratio of earnings to fixed charges for the period January 1, 1993 through December 19, 1993 was 1.11x. As a consequence of the net losses for the year ended December 31, 1992, the computation of the ratio of earnings to fixed charges for 1992 indicates that earnings were inadequate to cover fixed charges by approximately \$12.8 million.

For purposes of computing the ratio of earnings to fixed charges, earnings have been calculated by adding fixed charges, excluding capitalized interest, to income (loss) from continuing operations including income from minority interests which have fixed charges, and including distributed operating income from unconsolidated joint ventures instead of income from unconsolidated joint ventures. Fixed charges consist of interest costs, whether expensed or capitalized, the interest component of rental expense and amortization of debt issuance costs.

DESCRIPTION OF DEBT SECURITIES

The Debt Securities will be issued under an Indenture dated as of November 26, 1996 (the "Indenture"), among the Operating Partnership, SPG, LP, as guarantor, and The Chase Manhattan Bank, as trustee. The Indenture has been filed as an exhibit to the Registration Statement of which this Prospectus is a part and is available for inspection at the corporate trust office of the trustee at 450 West 33rd Street, 15th Floor, New York, New York 10001, or as described above under "Available Information." The Indenture is subject to, and governed by, the Trust Indenture Act of 1939, as amended (the "TIA"). The statements made hereunder or in any Prospectus Supplement relating to the Indenture and the Debt Securities to be issued thereunder are summaries of certain provisions thereof and do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the Indenture and such Debt Securities. All section references appearing herein are to sections of the Indenture, and capitalized terms used but not defined herein shall have the respective meanings set forth in the Indenture.

The Debt Securities to be offered hereby and in any applicable Prospectus Supplement will be "investment grade" securities, meaning at the time of the offering of such Debt Securities, at least one nationally recognized statistical rating organization (as defined in the Exchange Act) has rated such Debt Securities in one of its generic rating categories which signifies investment grade (typically the four highest rating categories, within which there may be subcategories or gradations indicating relative standing, signify investment grade). An investment grade rating is not a recommendation to buy, sell or hold securities, is subject to revision or withdrawal at any time by the assigning entity, and should be evaluated independently of any other rating.

GENERAL

The Debt Securities will be direct, unsecured obligations of the Operating Partnership and, unless otherwise described in the applicable Prospectus Supplement, will rank equally with all other unsecured and unsubordinated indebtedness of the Operating Partnership. No partner (whether limited or general, including the Company and the Managing General Partner) of the Operating Partnership has any obligation for payment of principal of (and premium, if any) and interest, if any, on, or any other amount with respect to, the Debt Securities (Section 1602). At June 30, 1997, the total outstanding debt of the Operating Partnership, including its pro rata share of joint venture debt, was approximately \$4,296 million, 79.6% of which was secured debt. Except as otherwise described in the applicable Prospectus Supplement, the Indenture does not limit the amount of other indebtedness of the Operating Partnership that may rank equally with or senior to the Debt Securities. The Debt Securities may be issued without limit as to aggregate principal amount, in one or more series, in each case as established from time to time in or pursuant to authority granted by a resolution of the Board of Directors of the Managing General Partner, as the managing general partner of the Operating Partnership or as established in one or more indentures supplemental to the Indenture. All Debt Securities of one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the holders of the Debt Securities of such series, for issuances of additional Debt Securities of such series (Section 301).

The Indenture provides that there may be more than one trustee (the "Trustee") thereunder, each with respect to one or more series of Debt Securities. Any Trustee under the Indenture may resign or be removed with respect to one or more series of Debt Securities, and a successor Trustee may be appointed to act with respect to such series (Section 608). In the event that two or more persons are acting as Trustee with respect to different series of Debt Securities, each such Trustee shall be a trustee of a trust under the Indenture separate and apart from the trust administered by any other Trustee (Section 609), and, except as otherwise indicated herein, any action described herein to be taken by a Trustee may be taken by each such Trustee with respect to, and only with respect to, the one or more series of Debt Securities for which it is Trustee under the Indenture.

Reference is made to the Prospectus Supplement relating to the series of Debt Securities being offered for the specific terms thereof, including:

- (1) the title of such Debt Securities;
- (2) the aggregate principal amount of such Debt Securities and any limit on such aggregate principal amount;
- (3) the percentage of the principal amount at which such Debt Securities will be issued and, if other than the principal amount thereof, the portion of the principal amount thereof payable upon acceleration of the maturity thereof;
- (4) the date or dates, or the method for determining such date or dates, on which the principal of such Debt Securities will be payable;
- (5) the rate or rates (which may be fixed or variable), or the method by which such rate or rates shall be determined, at which such Debt Securities will bear interest, if any;
- (6) the date or dates, or the method for determining such date or dates, from which any interest will accrue, the dates on which any such interest will be payable, the record dates for such interest payment dates, or the method by which any such record date shall be determined, the persons to whom such interest shall be payable, and the basis upon which interest shall be calculated if other than that of a 360-day year of twelve 30-day months;
- (7) the place or places where the principal of (and premium, if any) and interest, if any, on such Debt Securities will be payable, such Debt Securities may be surrendered for registration of transfer or exchange and notices or demands to or upon the Operating Partnership in respect of such Debt Securities and the Indenture may be served;
- (8) the period or periods within which, the price or prices at which and the terms and conditions upon which such Debt Securities may be redeemed, in whole or in part, at the option of the Operating Partnership, if the Operating Partnership is to have such an option;
- (9) the obligation, if any, of the Operating Partnership to redeem, repay or purchase such Debt Securities pursuant to any sinking fund or analogous provision or at the option of a Holder thereof, and the period or periods within which, the price or prices at which and the terms and conditions upon which such Debt Securities will be redeemed, repaid or purchased, in whole or in part, pursuant to such obligation;
- (10) if other than U.S. dollars, the currency or currencies in which such Debt Securities are denominated and payable, which may be a foreign currency or units of two or more foreign currencies or a composite currency or currencies, and the terms and conditions relating thereto;
- (11) whether the amount of payments of principal of (and premium, if any) or interest, if any, on such Debt Securities may be determined with reference to an index, formula or other method (which index, formula or method may, but need not be, based on a currency, currencies, currency unit or units or composite currency or currencies) and the manner in which such amounts shall be determined;
- (12) the events of default or covenants of such Debt Securities, to the extent different from or in addition to those described herein;
- (13) whether such Debt Securities will be issued in certificated or book-entry form;
- (14) whether such Debt Securities will be in registered or bearer form and, if in registered form, the denominations thereof if other than \$1,000 and any integral multiple thereof and, if in bearer form, the denominations thereof if other than \$5,000, and any integral multiple thereof and the terms and conditions relating thereto;
- (15) the applicability, if any, of the defeasance and covenant defeasance provisions described herein, or any modification thereof;

(16) if such Debt Securities are to be issued upon the exercise of debt warrants, the time, manner and place of such Debt Securities to be authenticated and delivered;

(17) whether and under what circumstances the Operating Partnership will pay additional amounts on such Debt Securities in respect of any tax, assessment or governmental charge and, if so, whether the Operating Partnership will have the option to redeem such Debt Securities in lieu of making such payment;

(18) with respect to any Debt Securities that provide for optional redemption or prepayment upon the occurrence of certain events (such as a change of control of the Operating Partnership), (i) the possible effects of such provisions on the market price of the Operating Partnership's securities or in deterring certain mergers, tender offers or other takeover attempts, and the intention of the Operating Partnership to comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws in connection with such provisions; (ii) whether the occurrence of the specified events may give rise to cross-defaults on other indebtedness such that payment on such Debt Securities may be effectively subordinated; and (iii) the existence of any limitation on the Operating Partnership's financial or legal ability to repurchase such Debt Securities upon the occurrence of such an event (including, if true, the lack of assurance that such a repurchase can be effected) and the impact, if any, under the Indenture of such a failure, including whether and under what circumstances such a failure may constitute an Event of Default; and

(19) any other terms of such Debt Securities.

The Debt Securities may provide for less than the entire principal amount thereof to be payable upon acceleration of the maturity thereof ("Original Issue Discount Securities"). If material or applicable, special U.S. federal income tax, accounting and other considerations applicable to Original Issue Discount Securities will be described in the applicable Prospectus Supplement.

Except as described under "-- Merger, Consolidation or Sale" below or as may be set forth in any Prospectus Supplement, the Indenture does not contain any other provisions that would limit the ability of the Operating Partnership to incur indebtedness or that would afford holders of the Debt Securities protection in the event of (i) a highly leveraged or similar transaction involving the Operating Partnership, the Company or the management of the Company, or any affiliate of any such party, (ii) a change of control, or (iii) a reorganization, restructuring, merger or similar transaction involving the Operating Partnership that may adversely affect the holders of the Debt Securities. In addition, subject to the limitations set forth under "-- Merger, Consolidation or Sale," the Operating Partnership may, in the future, enter into certain transactions, such as the sale of all or substantially all of its assets or the merger or consolidation of the Operating Partnership, that would increase the amount of the Operating Partnership's indebtedness or substantially reduce or eliminate the Operating Partnership's assets, which may have an adverse effect on the Operating Partnership's ability to service its indebtedness, including the Debt Securities. Reference is made to the applicable Prospectus Supplement for information with respect to any deletions from, modifications of or additions to the events of default or covenants that are described below, including any addition of a covenant or other provision providing event risk or similar protection.

Reference is made to "-- Certain Covenants" below and to the description of any additional covenants with respect to a series of Debt Securities in the applicable Prospectus Supplement. Except as otherwise described in the applicable Prospectus Supplement, compliance with such covenants generally may not be waived with respect to a series of Debt Securities unless the Holders of at least a majority in principal amount of all outstanding Debt Securities of such series consent to such waiver, except to the extent that the defeasance and covenant defeasance provisions of the Indenture described under "-- Discharge" and "-- Defeasance and Covenant Defeasance" below apply to such series of Debt Securities. See "-- Modification of the Indenture."

Debt Securities may be denominated and payable in a foreign currency or units of two or more foreign currencies or a composite currency or currencies. As more fully described in the applicable Prospectus Supplement, awards or judgments by a court in the United States in connection with a claim with respect to

any Debt Securities denominated other than in United States dollars (or a judgment denominated other than in United States dollars in respect of such claims) may be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law.

DENOMINATIONS, INTEREST, REGISTRATION AND TRANSFER

Unless otherwise described in the applicable Prospectus Supplement, the Debt Securities of any series which are registered securities, other than registered securities issued in global form (which may be of any denomination), shall be issuable in denominations of \$1,000 and any integral multiple thereof and the Debt Securities which are bearer securities, other than bearer securities issued in global form (which may be of any denomination), shall be issuable in denominations of \$5,000 and any integral multiple thereof (Section 302).

Unless otherwise specified in the applicable Prospectus Supplement, the principal of (and premium, if any) and interest on any series of Debt Securities in registered form will be payable at the corporate trust office of the Trustee, initially located at 450 West 33rd Street, 15th Floor, New York, New York 10001, provided that, at the option of the Operating Partnership, payment of interest may be made by check mailed to the address of the Person entitled thereto as it appears in the applicable Security Register or by wire transfer of funds to such Person at an account maintained within the United States (Sections 301, 307 and 1002).

Unless otherwise specified in the applicable Prospectus Supplement, any interest not punctually paid or duly provided for on any Interest Payment Date with respect to a Debt Security in registered form ("Defaulted Interest") will forthwith cease to be payable to the Holder on the applicable Regular Record Date and may either be paid to the Person in whose name such Debt Security is registered at the close of business on a special record date (the "Special Record Date") for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to the Holder of such Debt Security not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner, all as more completely described in the Indenture (Section 307).

Subject to certain limitations imposed upon Debt Securities issued in book-entry form, the Debt Securities of any series will be exchangeable for other Debt Securities of the same series and of a like aggregate principal amount and tenor of different authorized denominations upon surrender of such Debt Securities at the corporate trust office of the Trustee referred to above. In addition, subject to certain limitations imposed upon Debt Securities issued in book-entry form, the Debt Securities of any series may be surrendered for registration of transfer thereof at the corporate trust office of the Trustee referred to above. Every Debt Security surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer. No service charge will be made for any registration of transfer or exchange of any Debt Securities, but the Trustee or the Operating Partnership may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith (Section 305). If the applicable Prospectus Supplement refers to any transfer agent (in addition to the Trustee) initially designated by the Operating Partnership with respect to any series of Debt Securities, the Operating Partnership may at any time rescind the designation of any such transfer agent or approve a change in the location through which any such transfer agent acts, except that the Operating Partnership will be required to maintain a transfer agent in each place of payment for such series. The Operating Partnership may at any time designate additional transfer agents with respect to any series of Debt Securities (Section 1002).

Neither the Operating Partnership nor the Trustee shall be required (i) to issue, register the transfer of or exchange any Debt Security if such Debt Security may be among those selected for redemption during a period beginning at the opening of business 15 days before selection of the Debt Securities to be redeemed and ending at the close of business on (A) if such Debt Securities are issuable only as Registered Securities, the day of the mailing of the relevant notice of redemption and (B) if such Debt Securities are issuable as Bearer Securities, the day of the first publication of the relevant notice of redemption or, if such Debt Securities are also issuable as Registered Securities and there is no publication, the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Registered Security so selected for redemption in whole or in part, except, in the case of any Registered Security to be redeemed in part, the portion thereof not to be redeemed, or (iii) to exchange any Bearer Security so selected for redemption except that, to the

extent provided with respect to such Bearer Security, such Bearer Security may be exchanged for a Registered Security of that series and of like tenor, provided that such Registered Security shall be simultaneously surrendered for redemption, or (iv) to issue, register the transfer of or exchange any Debt Security which has been surrendered for repayment at the option of the Holder, except the portion, if any, of such Debt Security not to be so repaid (Section 305).

MERGER, CONSOLIDATION OR SALE

The Operating Partnership or the Guarantor may consolidate with, or sell, lease or convey all or substantially all of its assets to, or merge with or into, any other entity, provided that (a) the Operating Partnership or the Guarantor, as the case may be, shall be the continuing entity, or the successor entity (if other than the Operating Partnership or the Guarantor) formed by or resulting from any such consolidation or merger or which shall have received the transfer of such assets shall expressly assume payment of the principal of (and premium, if any) and interest on all the Debt Securities and the due and punctual performance and observance of all of the covenants and conditions contained in the Indenture; (b) immediately after giving effect to such transaction and treating any indebtedness which becomes an obligation of the Operating Partnership or the Guarantor, such successor entity or any Subsidiary as a result thereof as having been incurred by the Operating Partnership or the Guarantor, such successor entity or such Subsidiary at the time of such transaction, no Event of Default under the Indenture, and no event which, after notice or the lapse of time, or both, would become such an Event of Default, shall have occurred and be continuing; and (c) an officer's certificate and legal opinion covering such conditions shall be delivered to the Trustee (Sections 801 and 803).

CERTAIN COVENANTS

Existence. Except as permitted under "-- Merger, Consolidation or Sale" above, the Operating Partnership is required to do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (statutory and charter) and franchises; provided, however, that the Operating Partnership shall not be required to preserve any such right or franchise if it determines that the loss thereof is not disadvantageous in any material respect to the Holders of the Debt Securities (Section 1006).

Maintenance of Properties. The Operating Partnership is required to cause all of its material properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and to cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Operating Partnership may be necessary so that the business carried on in connection therewith may be properly conducted at all times; provided, however, that the Operating Partnership and its subsidiaries shall not be prevented from selling or otherwise disposing for value their respective properties in the ordinary course of business (Section 1007).

Insurance. The Operating Partnership is required to, and is required to cause each of its Subsidiaries to, keep all of its insurable properties insured against loss or damage at least equal to their then full insurable value (subject to reasonable deductibles determined from time to time by the Operating Partnership) with financially sound and reputable insurance companies (Section 1008).

Payment of Taxes and Other Claims. The Operating Partnership is required to pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (i) all taxes, assessments and governmental charges levied or imposed upon it or any Subsidiary or upon its income, profits or property or that of any Subsidiary, and (ii) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Operating Partnership or any Subsidiary; provided, however, that the Operating Partnership shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings (Section 1009).

Provision of Financial Information. The Holders of Debt Securities will be provided with copies of the annual reports and quarterly reports of the Operating Partnership. Whether or not the Operating Partnership is

subject to Section 13 or 15(d) of the Exchange Act and for so long as any Debt Securities are outstanding, the Operating Partnership will, to the extent permitted under the Exchange Act, be required to file with the Commission the annual reports, quarterly reports and other documents which the Operating Partnership would have been required to file with the Commission pursuant to such Section 13 or 15(d) (the "Financial Statements") if the Operating Partnership were so subject, such documents to be filed with the Commission on or prior to the respective dates (the "Required Filing Dates") by which the Operating Partnership would have been required so to file such documents if the Operating Partnership were so subject. The Operating Partnership will also in any event (x) within 15 days of each Required Filing Date (i) transmit by mail to all Holders of Debt Securities, as their names and addresses appear in the Security Register, without cost to such Holders, copies of the annual reports and quarterly reports which the Operating Partnership would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Operating Partnership were subject to such Sections and (ii) file with the Trustee copies of the annual reports, quarterly reports and other documents which the Operating Partnership would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Operating Partnership were subject to such Sections and (y) if filing such documents by the Operating Partnership with the Commission is not permitted under the Exchange Act, promptly upon written request and payment of the reasonable cost of duplication and delivery, supply copies of such documents to any prospective Holder (Section 1010).

Additional Covenants. Any additional or different covenants of the Operating Partnership with respect to any series of Debt Securities will be set forth in the Prospectus Supplement relating thereto.

EVENTS OF DEFAULT, NOTICE AND WAIVER

The Indenture provides that the following events are "Events of Default" with respect to any series of Debt Securities issued thereunder: (a) default for 30 days in the payment of any installment of interest on any Debt Security of such series; (b) default in the payment of the principal of (or premium, if any, on) any Debt Security of such series at its Maturity; (c) default in making any sinking fund payment as required for any Debt Security of such series; (d) default in the performance of any other covenant of the Operating Partnership contained in the Indenture (other than a covenant added to the Indenture solely for the benefit of a series of Debt Securities issued thereunder other than such series), such default having continued for 60 days after written notice as provided in the Indenture; (e) default in the payment of an aggregate principal amount exceeding \$30,000,000 of any recourse indebtedness of the Operating Partnership, however evidenced, such default having occurred after the expiration of any applicable grace period and having resulted in the acceleration of the maturity of such indebtedness, but only if such indebtedness is not discharged or such acceleration is not rescinded or annulled within 10 days after written notice as provided in the Indenture; (f) certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of the Operating Partnership or any Significant Subsidiary or any of their respective property; and (g) any other Event of Default provided with respect to a particular series of Debt Securities (Section 501).

If an Event of Default under the Indenture with respect to Debt Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of that series may declare the principal amount (or, if the Debt Securities of that series of the Original Issue Discount Securities or Indexed Securities, such portion of the principal amount as may be specified in the terms thereof) of all of the Debt Securities of that series to be due and payable immediately by written notice thereof to the Operating Partnership (and to the Trustee if given by the Holders); provided, that in the case of an Event of Default described under paragraph (f) of the preceding paragraph, acceleration is automatic. However, at any time after such acceleration with respect to Debt Securities of such series has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of not less than a majority in principal amount of Outstanding Debt Securities of such series may rescind and annul such acceleration and its consequences if (a) the Operating Partnership shall have deposited with the Trustee all amounts due otherwise than on account of such declaration, plus certain fees, expenses, disbursements and advances of the Trustee and (b) all Events of Default, other than the non-payment of accelerated principal of the Debt Securities of such series, have been cured or waived as provided in the Indenture (Section 502). The Indenture also provides that the Holders of

not less than a majority in principal amount of the Outstanding Debt Securities of any series may waive any past default with respect to such series and its consequences, except a default (x) in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or (y) in respect of a covenant or provision contained in the Indenture that cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security affected thereby (Section 513).

The Trustee will be prepared to give notice to the Holders of Debt Securities within 90 days of a default under the Indenture unless such default has been cured or waived; provided, however, that the Trustee may withhold notice to the Holders of any series of Debt Securities of any default with respect to such series (except a default in the payment of the principal of (or premium, if any) or interest on any Debt Security of such series or in the payment of any sinking fund installment in respect of any Debt Security of such series) if a trust committee of Responsible Officers of the Trustee consider such withholding to be in the interest of such Holders (Section 601).

The Indenture provides that no Holders of Debt Securities of any series may institute any proceedings, judicial or otherwise, with respect to the Indenture or for any remedy thereunder, except in the case of failure of the Trustee, for 60 days, to act after it has received a written request to institute proceedings in respect of an Event of Default from the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series, as well as an offer of indemnity reasonably satisfactory to it (Section 507). This provision will not prevent, however, any Holder of Debt Securities from instituting suit for the enforcement of payment of the principal of (and premium, if any) and interest on such Debt Securities at the respective due dates thereof (Section 508).

Subject to provisions in the Indenture relating to its duties in case of default, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holders of any series of Debt Securities then Outstanding under the Indenture, unless such Holders shall have offered to the Trustee thereunder reasonable security or indemnity (Section 602). The Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or of exercising any trust or power conferred upon the Trustee with respect to the Debt Securities of such series. However, the Trustee may refuse to follow any direction which is in conflict with any law or the Indenture, which may involve the Trustee in personal liability or which may be unduly prejudicial to the Holders of Debt Securities of such series not joining therein (Section 512).

Within 120 days after the close of each fiscal year, each of the Operating Partnership and the Guarantor must deliver to the Trustee a certificate, signed by one of several specified officers of the Operating Partnership or the Guarantor, as the case may be, stating whether or not such officer has knowledge of any default under the Indenture and, if so, specifying each such default and the nature and status thereof (Section 1011).

MODIFICATION OF THE INDENTURE

Modifications and amendments of the Indenture will be permitted to be made only with the consent of the Holders of not less than a majority in principal amount of all Outstanding Debt Securities which are affected by such modification or amendment (voting as one class); provided, however, that no such modification or amendment may, without the consent of the Holder of each such Debt Security affected thereby: (a) change the Stated Maturity of the principal of, or premium (if any) or any installment of interest on, any such Debt Security; (b) reduce the principal amount of, or the rate or amount of interest on, or any premium payable on redemption of, any such Debt Security, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon acceleration of the maturity thereof or that would be provable in bankruptcy, or adversely affect any right of repayment at the option of the holder of any such Debt Security; (c) change the Place of Payment, or the coin or currency, for payment of principal of, premium, if any, or interest on any such Debt Security; (d) impair the right to institute suit for the enforcement of any payment on or with respect to any such Debt Security; (e) reduce the above-stated percentage in principal amount of Outstanding Debt Securities necessary to modify or amend the Indenture, reduce the percentage of Outstanding Debt Securities of any series necessary to waive compliance with certain

provisions thereof or certain defaults and consequences thereunder, or to reduce the quorum or voting requirements set forth in the Indenture; or (f) modify any of the foregoing provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the percentage required to effect such action or to provide that certain other provisions may not be modified or waived without the consent of the Holder of each Outstanding Debt Security affected thereby (Section 902).

The Indenture provides that the Holders of not less than a majority in principal amount of a series of Outstanding Debt Securities have the right to waive compliance by the Operating Partnership with certain covenants relating to such series of Debt Securities in the Indenture (Section 1013).

Modifications and amendments of the Indenture will be permitted to be made by the Operating Partnership and the Guarantor, and the Trustee without the consent of any Holder of Debt Securities for any of the following purposes: (i) to evidence the succession of another Person to the Operating Partnership or the Guarantor as obligor under the Indenture; (ii) to add to the covenants of the Operating Partnership or the Guarantor for the benefit of the Holders of all or any series of Debt Securities or to surrender any right or power conferred upon the Operating Partnership in the Indenture; (iii) to add Events of Default for the benefit of the Holders of all or any series of Debt Securities; (iv) to add or change any provisions of the Indenture to facilitate the issuance of, or to liberalize certain terms of, Debt Securities in bearer form, to change or eliminate any restrictions on payment of the principal of or premium or interest on Debt Securities, to modify the provisions relating to global Debt Securities, or to permit or facilitate the issuance of Debt Securities in uncertificated form, provided that such action shall not adversely affect the interests of the Holders of the Debt Securities of any series in any material respect; (v) to change or eliminate any provisions of the Indenture, provided that any such change or elimination shall become effective only when there are no Debt Securities Outstanding of any series created prior thereto which are entitled to the benefit of such provision or such amendment shall not apply to any then Outstanding Debt Security; (vi) to secure the Debt Securities; (vii) to establish the form or terms of Debt Securities of any series; (viii) to provide for the acceptance of appointment by a successor Trustee or facilitate the administration of the trusts under the Indenture by more than one Trustee; (ix) to cure any ambiguity, defect or inconsistency in the Indenture, provided that such action shall not adversely affect the interests of Holders of Debt Securities of any series in any material respect; or (x) to supplement any of the provisions of the Indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of such Debt Securities, provided that such action shall not adversely affect the interests of the Holders of the Debt Securities of any series in any material respect (Section 901).

The Indenture provides that in determining whether the Holders of the requisite principal amount of the Outstanding Debt Securities of a series have given any request, demand, authorization, direction, notice, consent or waiver thereunder or whether a quorum is present at a meeting of Holders of Debt Securities, (i) the principal amount of an Original Issue Discount Security that shall be deemed to be Outstanding shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon acceleration of the maturity thereof, (ii) the principal amount of a Debt Security denominated in a foreign currency that shall be deemed Outstanding shall be the U.S. dollar equivalent, determined on the issue date for such Debt Security, of the principal amount (or, in the case of an Original Issue Discount Security, the U.S. dollar equivalent on the issue date of such Debt Security of the amount determined as provided in (i) above) of such Debt Security, (iii) the principal amount of an Indexed Security that shall be deemed Outstanding shall be the principal face amount of such Indexed Security at original issuance, unless otherwise provided with respect to such Indexed Security pursuant to the Indenture, and (iv) Debt Securities owned by the Operating Partnership or any other obligor upon the Debt Securities or any affiliate of the Operating Partnership or of such other obligor shall be disregarded (Section 101).

The Indenture contains provisions for convening meetings of the Holders of Debt Securities of a series issuable, in whole or in part, as Bearer Securities (Section 1501). A meeting will be permitted to be called at any time by the Trustee, and also, upon request, by the Operating Partnership or the Holders of at least 10% in principal amount of the Outstanding Debt Securities of such series, in any such case upon notice given as provided in the Indenture (Section 1502). Except for any consent that must be given by the Holder of each Debt Security affected by certain modifications and amendments of the Indenture, any resolution presented at

a meeting or adjourned meeting duly reconvened at which a quorum is present will be permitted to be adopted by the affirmative vote of the Holders of a majority in principal amount of the Outstanding Debt Securities of that series; provided, however, that, except as referred to above, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that may be made, given or taken by the Holders of a specified percentage in principal amount of the Outstanding Debt Securities of a series may be adopted at a meeting at which a quorum is present by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Debt Securities of that series. Any resolution passed or decision taken at any meeting of Holders of Debt Securities of any series duly held in accordance with the Indenture will be binding on all Holders of Debt Securities of that series. The quorum at any meeting called to adopt a resolution, and at any reconvened meeting, will be Persons holding or representing a majority in principal amount of the Outstanding Debt Securities of a series; provided, however, that if any action is to be taken at such meeting with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which may be made, given or taken by the Holders of not less than a specified percentage in principal amount of the Outstanding Debt Securities of a series, then with respect to such action (and only such action) the Persons holding or representing such specified percentage in principal amount of the Outstanding Debt Securities of such series will constitute a quorum (Section 1504).

Notwithstanding the foregoing provisions, if any action is to be taken at a meeting of Holders of Debt Securities of any series with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that the Indenture expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of all Outstanding Debt Securities affected thereby, or of the Holders of such series and one or more additional series: (i) there shall be no minimum quorum requirement for such meeting and (ii) the principal amount of the Outstanding Debt Securities of such series that vote in favor of such request, demand, authorization, direction, notice, consent, waiver or other action shall be taken into account in determining whether such request, demand, authorization, direction, notice, consent, waiver or other action has been made, given or taken under the Indenture (Section 1504).

DISCHARGE

The Operating Partnership may discharge certain obligations to Holders of any series of Debt Securities that have not already been delivered to the Trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by irrevocably depositing with the Trustee, in trust, funds in an amount sufficient to pay the entire indebtedness on such Debt Securities in respect of principal (and premium, if any) and interest to the date of such deposit (if such Debt Securities have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be (Section 401).

DEFEASANCE AND COVENANT DEFEASANCE

The Indenture provides that, if the provisions of Article Fourteen are made applicable to the Debt Securities of or within any series pursuant to Section 301 of the Indenture, the Operating Partnership or the Guarantor may elect either (a) to defease and be discharged from any and all obligations with respect to such Debt Securities (except for the obligation to pay Additional Amounts, if any, upon the occurrence of certain events of tax, assessment or governmental charge with respect to payments on such Debt Securities and the obligations to register the transfer or exchange of such Debt Securities, to replace temporary or mutilated, destroyed, lost or stolen Debt Securities, to maintain an office or agency in respect of such Debt Securities and to hold moneys for payment in trust) ("defeasance") (Section 1402) or (b) to be released from its obligations with respect to such Debt Securities under Sections 1006 to 1010, inclusive, of the Indenture (including the restrictions described under "-- Certain Covenants" above) and its obligations with respect to any other covenant, and any omission to comply with such obligations shall not constitute a default or an Event of Default with respect to such Debt Securities ("covenant defeasance") (Section 1403), in either case upon the irrevocable deposit by the Operating Partnership or the Guarantor, as the case may be, with the Trustee, in trust, of an amount, in such currency or currencies, currency unit or units or composite currency or currencies in which such Debt Securities are payable at Stated Maturity, or Government Obligations (as defined below),

or both, applicable to such Debt Securities which through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient to pay the principal of (and premium, if any) and interest on such Debt Securities, and any mandatory sinking fund or analogous payments thereon, on the scheduled due dates therefor (Section 1404).

Such a trust will only be permitted to be established if, among other things, the Operating Partnership or the Guarantor, as the case may be, has delivered to the Trustee an Opinion of Counsel (as specified in the Indenture) to the effect that the Holders of such Debt Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred, and such Opinion of Counsel, in the case of defeasance, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable United States federal income tax law occurring after the date of the Indenture (Section 1404).

"Government Obligations" means securities which are (i) direct obligations of the United States of America or the government which issued the foreign currency in which the Debt Securities of a particular series are payable, for the payment of which its full faith and credit is pledged or (ii) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America or such government which issued the foreign currency in which the Debt Securities of such series are payable, the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or such other government, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such Government Obligations or a specific payment of interest on or principal of any such Government Obligations held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the Government Obligation or the specific payment of interest on or principal of the Government Obligation evidenced by such depository receipt (Section 101).

Unless otherwise provided in the applicable Prospectus Supplement, if after the Operating Partnership or the Guarantor, as the case may be, has deposited funds or Government Obligations to effect defeasance or covenant defeasance with respect to Debt Securities of any series, (a) the Holder of a Debt Security of such series is entitled to, and does, elect pursuant to the Indenture or the terms of such Debt Security to receive payment in a currency, currency unit or composite currency other than that in which such deposit has been made in respect of such Debt Security, or (b) a Conversion Event (as defined below) occurs in respect of the currency, currency unit or composite currency in which such deposit has been made, the indebtedness represented by such Debt Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest on such Debt Security as they become due out of the proceeds yielded by converting the amount so deposited in respect of such Debt Security into a currency, currency unit or composite currency in which such Debt Security becomes payable as a result of such election or such Conversion Event based on the applicable market exchange rate (Section 1405). "Conversion Event" means the cessation of use of (i) a currency, currency unit or composite currency both by the government of the country which issued such currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community, (ii) the ECU both within the European Monetary System and for the settlement of transactions by public institutions of or within the European Community or (iii) any currency unit (or composite currency) other than the ECU for the purposes for which it was established (Section 101). Unless otherwise provided in the applicable Prospectus Supplement, all payments of principal of (and premium, if any) and interest on any Debt Security that is payable in a foreign currency that ceases to be used by its government of issuance shall be made in U.S. dollars.

In the event the Operating Partnership or the Guarantor effects covenant defeasance with respect to any Debt Securities and such Debt Securities are declared due and payable because of the occurrence of any Event of Default other than the Event of Default described in clause (d) under "-- Events of Default, Notice and Waiver" with respect to Sections 1006 to 1010, inclusive, of the Indenture (which sections would no

longer be applicable to such Debt Securities) or described in clause (g) under "-- Events of Default, Notice and Waiver" with respect to any other covenant as to which there has been covenant defeasance, the amount in such currency, currency unit or composite currency in which such Debt Securities are payable, and Government Obligations on deposit with the Trustee, will be sufficient to pay amounts due on such Debt Securities at the time of their Stated Maturity but may not be sufficient to pay amounts due on such Debt Securities at the time of the acceleration resulting from such Event of Default. However, the Operating Partnership would remain liable to make payment of such amounts due at the time of acceleration.

The applicable Prospectus Supplement may further describe the provisions, if any, permitting such defeasance or covenant defeasance, including any modifications to the provisions described above with respect to the Debt Securities of or within a particular series.

THE GUARANTEE

The Indenture provides that SPG, LP will, and as further set forth in detail in the applicable Prospectus Supplement, guarantee (the "Guarantee") the due and punctual payment of the principal of, premium, if any, interest on, and any other amounts payable with respect to, the Debt Securities, when and as the same shall become due and payable, whether at a maturity date, on redemption, by declaration of acceleration or otherwise in accordance with the terms of the Debt Securities and the Indenture (Section 1701). The Indenture provides that (i) the Trustee may exercise its rights thereunder on behalf of the Holders and (ii) SPG, LP shall covenant that it shall take no action which would cause the Operating Partnership to violate any covenant, agreement or any other condition thereunder (Section 1705). The Guarantee will terminate upon the consummation of the reorganizational transactions pursuant to which the Operating Partnership is expected to own directly all of the assets and partnership interest then owned by SPG, LP (Section 1706). However, there can be no assurance that such reorganizational transactions will be so effected. See "The Operating Partnership." No partner (whether limited or general, including the Company) of SPG, LP will have any obligation for any obligations of SPG, LP under the Guarantee (Section 1707).

In the absence of the Guarantee, Holders of the Debt Securities will have no claims, with regards to any payments in connection with the Debt Securities against the assets of SPG, LP or the assets of any other Subsidiary of the Operating Partnership. Any such claim that such Holders may make will have to be made indirectly through the equity interest that the Operating Partnership has in SPG, LP (or other Subsidiaries), and will thus be structurally subordinated to the claims of creditors of SPG, LP (or other Subsidiaries). As a result of the Guarantee, Holders of the Debt Securities, upon exercising their rights with respect to the Guarantee against SPG, LP, will be considered creditors of SPG, LP and their claims will rank pari passu with those of unsecured and unsubordinated creditors of SPG, LP and will not be structurally subordinated to such creditors.

MISCELLANEOUS

No Conversion Rights. The Debt Securities will not be convertible into or exchangeable for any capital stock of the Company or equity interest in the Operating Partnership.

Global Securities. The Debt Securities of a series may be issued in whole or in part in the form of one or more global securities (the "Global Securities") that will be deposited with, or on behalf of, a depository (the "Depository") identified in the applicable Prospectus Supplement relating to such series. Global Securities may be issued in either registered or bearer form and in either temporary or permanent form. The specific terms of the depository arrangement with respect to a series of Debt Securities will be described in the applicable Prospectus Supplement relating to such series.

PLAN OF DISTRIBUTION

The Operating Partnership may sell the Debt Securities to or through underwriters, and also may sell the Debt Securities directly to one or more other purchasers or through agents. The distribution of the Debt Securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

The Prospectus Supplement will set forth terms of the offering of the Debt Securities, including (i) the name of any underwriters or agents with whom the Operating Partnership has entered into arrangements with respect to the sale or issuance of Debt Securities, (ii) the initial public offering or purchase price of the Debt Securities, (iii) any underwriting discounts, commissions and other items constituting underwriter's compensation from the Operating Partnership and any other discounts, concessions or commissions allowed or reallocated or paid by any underwriters to other dealers, (iv) any commissions paid to any agents and (v) the net proceeds to the Operating Partnership. In connection with the sale of Debt Securities, underwriters may receive compensation from the Operating Partnership or from purchasers of Debt Securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell Debt Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of Debt Securities may be deemed to be underwriters, and any discounts or commissions they receive from the Operating Partnership, and any profit on the resale of Debt Securities they realize, may be deemed to be underwriting discounts and commissions under the Securities Act.

Under agreements the Operating Partnership may enter into, underwriters, dealers and agents who participate in the distribution of Debt Securities may be entitled to indemnification by the Operating Partnership against certain liabilities, including liabilities under the Securities Act.

Underwriters, dealers and agents may engage in transactions with, or perform services for, or be customers of, the Operating Partnership in the ordinary course of business.

Unless otherwise set forth in the Prospectus Supplement relating to the issuance of Debt Securities, the obligations of the underwriters to purchase such Debt Securities will be subject to certain conditions precedent and each of the underwriters with respect to such Debt Securities will be obligated to purchase all of the Debt Securities allocated to it if any such Debt Securities are purchased. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If so indicated in the applicable Prospectus Supplement, the Operating Partnership will authorize underwriters or other persons acting as the Operating Partnership's agents to solicit offers by certain institutions to purchase Debt Securities from the Operating Partnership pursuant to contracts providing for payment and delivery on a future date. Institutions with which such contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases such institutions must be approved by the Operating Partnership. The obligations of any purchaser under any such contract will be subject only to the condition that the purchase of the Debt Securities shall not at any time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such contracts.

The validity of each issue of the Debt Securities will be passed upon for the Operating Partnership by Baker & Daniels, Indianapolis, Indiana. Baker & Daniels will also pass upon certain tax matters. Rogers & Wells, New York, New York, will act as counsel to any underwriters, dealers or agents.
