## Description of Common Stock and Class B Common Stock

*Terms of Common Stock.* As of May 31, 2009, there were 278,337,834 shares of common stock outstanding, which excludes the outstanding shares of Class B common stock described below and the shares of common stock held in treasury. The holders of shares of common stock:

- are entitled to one vote per share on all matters to be voted on by stockholders, other than the election of four directors who are elected exclusively by holders of Class B common stock;
- are not entitled to cumulate their votes in the election of directors;
- are entitled to receive dividends as may be declared from time to time by the board of directors, in its discretion, from legally available assets, subject to preferential rights of holders of preferred stock;
- are not entitled to preemptive, subscription or conversion rights; and
- are not subject to further calls or assessments.

The shares of common stock currently outstanding are validly issued, fully paid and non-assessable. There are no redemption or sinking fund provisions applicable to the common stock.

*Terms of Class B Common Stock.* As of May 31, 2009, there were 8,000 shares of Class B common stock outstanding. Holders of Class B common stock:

- are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders, other than the election of four directors who are elected exclusively by the holders of Class B common stock;
- are not entitled to cumulative voting for the election of directors; and
- are entitled to receive ratably such dividends as may be declared by the board of directors out of legally available funds, subject to preferential rights of holders of preferred stock.

If we are liquidated, each outstanding share of common stock and Class B common stock, including shares of excess common stock, if any, will be entitled to participate *pro rata* in the assets remaining after payment of, or adequate provision for, all of our known debts and liabilities, subject to the right of the holders of preferred stock, including any excess preferred stock into which shares such series has been converted, to receive preferential distributions.

All outstanding shares of Class B common stock are held in a voting trust of which Melvin, Herbert and David Simon are the voting trustees. The holders of Class B common stock are entitled to elect four of our directors. However, they will be entitled to elect only two directors if the aggregate equity interest they own in us, including common stock, Class B common stock and units of limited partnership interest of Simon Property Group, L.P., our majority-owned operating subsidiary (the "Operating Partnership") considered on an as-converted basis, decreases to less than 50% of their aggregate ownership interest as of August 9, 1996.

Shares of Class B common stock may be converted at the holder's option into an equal number of shares of common stock. If the aggregate equity interest of the Simon family in us on a fully diluted basis has been reduced to less than 5%, the outstanding shares of Class B common stock convert automatically into an equal number of shares of common stock. Shares of Class B common stock also convert automatically into an equal number of shares of common stock upon the sale or transfer thereof to a person not affiliated with the Simon family. Holders of shares of common stock and Class B common stock have no sinking fund rights, redemption rights or preemptive rights to subscribe for any of our securities.

Under our charter, the number of members of the board of directors shall be fixed from time to time in the by-laws or by resolution of the board of directors and shall not be more than fifteen. Under the charter, at least a majority of the directors shall be independent directors. The charter further provides that, subject to any separate rights of holders of preferred stock or as described below, any vacancies on the board of directors resulting from death, disability, resignation, retirement, disqualification, removal from office, or other cause of a director shall be filled by a vote of the stockholders or a majority of the directors then in office provided that any vacancy relating to a director elected by the Class B common stock is to be filled by the holders of the Class B common stock.

The charter provides that, subject to the right of holders of any class or series separately entitled to elect one or more directors, if any such right has been granted, directors may be removed with or without cause upon the affirmative vote of holders of at least a majority of the voting power of all the then outstanding shares entitled to vote generally in the election of directors, voting together as a single class.

*Transfer Agent.* BNY Mellon Shareowner Services is the transfer agent for our common stock.

## Important Provisions of Our Governing Documents and Delaware Law

**Partnership Agreement.** The limited partnership agreement of the Operating Partnership contains voting requirements that limit the possibility that we will be acquired or undergo a change in control, even if some of our stockholders believe that a change would be in our and their best interests. Specifically, the partnership agreement provides that we must have the approval of the holders of a majority of the units of limited partnership interest held by limited partners in order to:

- merge, consolidate or engage in any combination with another person other than a general partner of the Operating Partnership, or
- sell all or substantially all of our assets.

**Delaware Law and Certain Charter and By-law Provisions.** Our charter and by-laws and certain provisions of the Delaware General Corporation Law may have an anti-takeover effect. These provisions may delay, defer or prevent a tender offer or takeover attempt that a stockholder would consider in its best interest. This includes an attempt that might result in a premium over the market price for the shares held by stockholders. These provisions are

4

---

expected to discourage certain types of coercive takeover practices and inadequate takeover bids. They are also expected to encourage persons seeking to acquire control of us to negotiate first with our board of directors. We believe that the benefits of these provisions outweigh the potential disadvantages of discouraging takeover proposals because, among other things, negotiation of takeover proposals might result in an improvement of their terms.

**Delaware Anti-Takeover Law.** We are a Delaware corporation and are subject to the provisions of Section 203 of the Delaware General Corporation Law. In general, Section 203 prohibits a public Delaware corporation from engaging in a “business combination” with an “interested stockholder” for three years after the time at which the person became an interested stockholder unless:

- prior to that time, the board of directors approved either the business combination or transaction in which the stockholder became an interested stockholder; or
- upon becoming an interested stockholder, the stockholder owned at least 85% of the corporation’s outstanding voting stock other than shares held by directors who are also officers and certain employee benefit plans; or
- the business combination is approved by both the board of directors and by holders of at least 66<sup>2</sup>/3% of the corporation’s outstanding voting stock at a meeting and not by written consent, excluding shares owned by the interested stockholder.

For these purposes, the term “business combination” includes mergers, asset sales and other similar transactions with an “interested stockholder.” “Interested stockholder” means a person who, together with its affiliates and associates, owns, or under certain circumstances has owned within the prior three years, more than 15% of the outstanding voting stock. Although Section 203 permits a corporation to elect not to be governed by its provisions, we have not made this election.

**Advance Notice Provisions for Stockholder Nominations and Stockholder Proposals.** Our by-laws establish an advance notice procedure for stockholders to make nominations of candidates for election as directors or bring other business before an annual meeting of stockholders. This procedure provides that

- the only persons who will be eligible for election as directors are persons who are nominated by or at the direction of the board of directors, or by a stockholder who has given timely written notice containing specified information to the Secretary prior to the meeting at which directors are to be elected, and
- the only business that may be conducted at an annual meeting is business that has been brought before the meeting by or at the direction of the Chairman of the board of directors or by a stockholder who has given timely written notice containing specified information to the Secretary of the stockholder’s intention to bring the business before the meeting.

In general, we must receive written notice of stockholder nominations to be made or business to be brought at an annual meeting not less than 120 days prior to the first anniversary of the date of the proxy statement for the previous year’s annual meeting, in order for the notice

5

---

to be timely. The notice must contain information concerning the person or persons to be nominated or the matters to be brought before the meeting and concerning the stockholder submitting the proposal.

The purposes of requiring stockholders to give us advance notice of nominations and other business include the following:

- to afford the board of directors a meaningful opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposed business;
- to the extent deemed necessary or desirable by the board of directors, to inform stockholders and make recommendations about such qualifications or business; and
- to provide a more orderly procedure for conducting meetings of stockholders.

Our by-laws do not give our board of directors any power to disapprove stockholder nominations for the election of directors or proposals for action. However, they may have the effect of precluding a contest for the election of directors or the consideration of stockholder proposals if the proper procedures are not followed. Our by-laws may also discourage or deter a third party from soliciting proxies to elect its own slate of directors or to approve its own proposal, without regard to whether consideration of the nominees or proposals might be harmful or beneficial to us and our stockholders.

**Limit on Number of Directors.** Our charter limits the size of the board of directors to fifteen members with the number of directors to be set from time to time in the by-laws or by resolution of the Board of Directors.

**Director Action.** Our charter and by-laws and the Delaware General Corporation Law generally require that a majority of a quorum is necessary to approve any matter to come before the board of directors. Certain matters, including sales of property, transactions with members of the Simon family and related persons and certain affiliates and certain other matters, will also require approval of a majority of the independent directors on the board of directors.

*Director Liability Limitation and Indemnification.* Our charter provides that no director will be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director. This will not, however, eliminate or limit the liability of a director for the following:

- any breach of the director's duty of loyalty to us and our stockholders;
- acts or omissions not in good faith;
- any transaction from which the director derived an improper personal benefit; or
- any matter in respect of which the director would be liable under Section 174 of the Delaware General Corporation Law.

These provisions may discourage stockholders' actions against directors. Directors' personal liability for violating the federal securities laws is not limited or otherwise affected. In addition, these provisions do not affect the ability of stockholders to obtain injunctive or other equitable

6

---

relief from the courts with respect to a transaction involving gross negligence on the part of a director.

Our charter provides that we shall indemnify to the fullest extent permitted under and in accordance with Delaware law any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that

- he is or was our director or officer, or
- is or was serving at our request as a director, officer or trustee of or in any other capacity with another corporation, partnership, joint venture, trust or other enterprise.

With respect to such persons, we shall indemnify against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit or proceeding if the following standards are met:

- the person acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interests, and,
- with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

The Delaware General Corporation Law provides that indemnification is mandatory where a director or officer has been successful on the merits or otherwise in the defense of any proceeding covered by the indemnification statute.

The Delaware General Corporation Law generally permits indemnification for expenses incurred in the defense or settlement of third-party actions or action by or in right of the corporation, and for judgments in third-party actions, provided the following determination is made:

- the person seeking indemnification acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, or
- in a criminal proceeding, the person had no reason to believe his or her conduct to be unlawful.

The determination must be made by directors who were not parties to the action, or if directed by such directors, by independent legal counsel or by a majority vote of a quorum of the stockholders. Without court approval, however, no indemnification may be made in respect of any action by or in right of the corporation in which such person is adjudged liable.

Under Delaware law, the indemnification provided by statute shall not be deemed exclusive of any rights under any by-law, agreement, vote of stockholders or disinterested directors or otherwise. In addition, the liability of officers may not be eliminated or limited under Delaware law.

7

---

The right of indemnification, including the right to receive payment in advance of expenses, conferred by our charter is not exclusive of any other rights to which any person seeking indemnification may otherwise be entitled.

### **Restrictions on Ownership and Transfer**

Our charter contains certain restrictions on the number of shares of capital stock that individual stockholders may own. Certain requirements must be met for us to maintain our status as a REIT, including the following:

- not more than 50% in value of our outstanding capital stock may be owned, directly or indirectly, by five or fewer individuals, as defined in the Internal Revenue Code to include certain entities, during the last half of a taxable year other than the first year, and
- our capital stock also must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year.

In part because we currently believe it is essential for us to maintain our status as a REIT, the provisions of our charter with respect to excess common stock contain restrictions on the acquisition of our capital stock intended to ensure compliance with these requirements.

Our charter provides that, subject to certain specified exceptions, no stockholder may own, or be deemed to own by virtue of the attribution rules of the Internal Revenue Code, more than the ownership limit. The ownership limit is equal to 8%, or 18% in the case of members of the Simon family and related persons, of any class of capital stock. The board of directors may exempt a person from the ownership limit if the board of directors receives a ruling from the Internal Revenue Service or an opinion of tax counsel that such ownership will not jeopardize our status as a REIT.

Anyone acquiring shares in excess of the ownership limit will lose control over the power to dispose of the shares, will not receive dividends declared and will not be able to vote the shares. In the event of a purported transfer or other event that would, if effective, result in the ownership of shares of stock in

violation of the ownership limit, the transfer or other event will be deemed void with respect to that number of shares that would be owned by the transferee in excess of the ownership limit. The intended transferee of the excess shares will acquire no rights in those shares of stock. Those shares of stock will automatically be converted into shares of excess common stock according to rules set forth in the charter.

Upon a purported transfer or other event that results in excess common stock, the excess common stock will be deemed to have been transferred to a trustee to be held in trust for the exclusive benefit of a qualifying charitable organization designated by us. The excess common stock will be issued and outstanding stock, and it will be entitled to dividends equal to any dividends which are declared and paid on the stock from which it was converted. Any dividend or distribution paid prior to our discovery that stock has been converted into excess common stock is to be repaid upon demand. The recipient of the dividend will be personally liable to the

trust. Any dividend or distribution declared but unpaid will be rescinded as void with respect to the shares of stock and will automatically be deemed to have been declared and paid with respect to the shares of excess common stock into which the shares were converted. The excess common stock will also be entitled to the voting rights as are ascribed to the stock from which it was converted. Any voting rights exercised prior to our discovery that shares of stock were converted to excess common stock will be rescinded and recast as determined by the trustee.

While excess common stock is held in trust, an interest in that trust may be transferred by the purported transferee, or other purported holder with respect to the excess common stock, only to a person whose ownership of the shares of stock would not violate the ownership limit. Upon such transfer, the excess common stock will be automatically exchanged for the same number of shares of stock of the same type and class as the shares of stock for which the excess common stock was originally exchanged.

Our charter contains provisions that are designed to ensure that the purported transferee or other purported holder of the excess common stock may not receive in return for such a transfer an amount that reflects any appreciation in the shares of stock for which the excess common stock was exchanged during the period that the excess common stock was outstanding. Any amount received by a purported transferee or other purported holder in excess of the amount permitted to be received must be paid over to the trust. If the foregoing restrictions are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the intended transferee or holder of any excess common stock may be deemed, at our option, to have acted as an agent on behalf of the trust in acquiring or holding the excess common stock and to hold the excess common stock on behalf of the trust.

Our charter further provides that we may purchase, for a period of 90 days during the time the excess common stock is held by the trustee in trust, all or any portion of the excess common stock from the original transferee-stockholder at the lesser of the following:

- the price paid for the stock by the purported transferee, or if no notice of such purchase price is given, at a price to be determined by the board of directors, in its sole discretion, but no lower than the lowest market price of such stock at any time prior to the date we exercise our purchase option, and
- the closing market price for the stock on the date we exercise our option to purchase.

The 90-day period begins on the date of the violative transfer or other event if the original transferee-stockholder gives notice to us of the transfer or, if no notice is given, the date the board of directors determines that a violative transfer or other event has occurred.

Our charter further provides that in the event of a purported issuance or transfer that would, if effective, result in us being beneficially owned by fewer than 100 persons, such issuance or transfer would be deemed null and void, and the intended transferee would acquire no rights to the stock.

All certificates representing shares of any class of our stock bear a legend referring to the restrictions described above.

All persons who own, directly or by virtue of the attribution rules of the Internal Revenue Code, more than 5%, or such other percentage as may be required by the Internal Revenue Code or regulations promulgated thereunder, of the outstanding stock must file an affidavit with us containing the information specified in the charter before January 30 of each year. In addition, each stockholder shall, upon demand, be required to disclose to us in writing such information with respect to the direct, indirect and constructive ownership of shares as the board of directors deems necessary to comply with the provisions of the charter or the Internal Revenue Code applicable to a REIT.

The excess common stock provisions of our charter will not be removed automatically even if the REIT provisions of the Internal Revenue Code are changed so as to no longer contain any ownership concentration limitation or if the ownership concentration limitation is increased. In addition to preserving our status as a REIT, the ownership limit may have the effect of precluding an acquisition of control of us without the approval of our board of directors.

For purposes of this subparagraph, shares held in a voting trust shall be deemed owned by the beneficiaries of the voting trust.

(B) The Corporation may not subdivide its outstanding shares of Common Stock, combine its outstanding shares of Common Stock into a smaller number of shares, or issue by reclassification of its shares of Common Stock any shares of capital stock of the Corporation without making the same adjustment to the Class B Common Stock. The Corporation shall not distribute to all holders of its Common Stock evidences of its indebtedness or assets (excluding cash dividends or other distributions to the extent permitted by subparagraph (c)(2) of this Article FOURTH) or rights or warrants to subscribe for or purchase securities issued by the Corporation or property of the Corporation (excluding those referred to in subparagraph (c)(2) of this Article FOURTH), without making the same distribution to all holders of its Class B Common Stock. No adjustment of the conversion rate shall be made as a result of or in connection with the issuance of Common Stock of the Corporation pursuant to options or stock purchase agreements now or hereafter granted or entered into with officers or employees of the Corporation or its subsidiaries in connection with their employment, whether entered into at the beginning of the employment or at any time thereafter. In case of any capital reorganization of the Corporation, or the consolidation or merger of the Corporation with or into another corporation, or a statutory share exchange, or the sale, transfer or other disposition of all or substantially all of the property, assets or business of the Corporation, in each case in which any cash, stock, debt or other instrument, security or right of any kind or nature (collectively, "consideration") is to be received by the holders of shares of Common Stock or the holders of shares of Class B Common Stock, the holders of shares of Common Stock and the holders of shares of Class B Common Stock shall receive the same consideration on a per share basis; provided, however, that, if such consideration shall consist in any part of voting securities (or of options or warrants to purchase, or of securities convertible into or exchangeable for, voting securities), the holders of shares of Common Stock and Class B Common Stock may, so long as they receive the same per share amount of voting securities as contemplated and required by the foregoing, receive different classes of voting securities that differ, with respect to voting and other rights, to the extent and only to the extent that the Common Stock and the Class B Common Stock differ in such respect (or options or warrants to

4

---

purchase, or securities convertible into or exchangeable for, the same per share amount of voting securities, but in different classes of voting securities that differ, with respect to voting and other rights, to the extent and only to the extent that the Common Stock and the Class B Common Stock differ in such respect), unless the transaction is approved by the affirmative vote of a majority of the holders of the class of common stock adversely affected (with respect to the other) by such transaction.

(C) Upon conversion of any shares of Class B Common Stock, no payment or adjustment shall be made on account of dividends accrued, whether or not in arrears, on such shares or on account of dividends declared and payable to holders of Common Stock of record on a date prior to the date of conversion.

(D) Except with respect to shares of Class B Common Stock which have been deemed to have been automatically converted into Common Stock pursuant to subparagraph (c)(3)(A) of this Article FOURTH, in order to convert shares of Class B Common Stock into

Common Stock the holder thereof shall surrender at the office of the Transfer Agent the certificate or certificates therefor, duly endorsed to the Corporation or in blank, and give written notice to the Corporation at said office that he elects to convert such shares and shall state in writing therein the name or names (with addresses) in which he wishes the certificate or certificates for Common Stock to be issued. Shares of Class B Common Stock shall be deemed to have been converted on the date of the surrender of such certificate or certificates for shares for conversion as provided above, and the person or persons entitled to receive the Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such Common Stock on such date. As soon as practicable on or after the date of conversion as aforesaid, the Corporation will issue and deliver at said office a certificate or certificates for the number of full shares of Common Stock issuable upon such conversion, together with cash for any fraction of a share, as provided in subparagraph (c)(3)(F) of this Article FOURTH, to the person or persons entitled to receive the same. The Corporation will pay any and all federal original issue taxes that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of shares of Class B Common Stock pursuant hereto. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Class B Common Stock so converted were registered, and no issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of any such tax, or has established to the satisfaction of the Corporation either that such tax has been paid or that no such tax is payable.

(E) All shares of Class B Common Stock converted into Common stock shall be retired and cancelled and shall not be reissued.

(F) The Corporation shall not issue fractional shares of Common Stock upon any conversion of shares of Class B Common Stock. As to any final fraction of a share which the holder of one or more shares of Class B Common Stock would be entitled to receive upon exercise of such holder's conversion right the Corporation shall pay a cash adjustment in an amount equal to the same fraction of the Market Price (as defined in Article NINTH) for the date of exercise.

5

---

(G) The Corporation shall at all times have authorized and unissued a number of shares of Common Stock sufficient for the conversion of all shares of Class B Common Stock at the time outstanding. If any shares of Common Stock require registration with or approval of any governmental authority under any Federal or State law, before such shares may be validly issued upon conversion, then the Corporation will in good faith and as expeditiously as possible endeavor to secure such registration or approval as the case may be. The Corporation warrants that all Common Stock issued upon conversion of shares of Class B Common Stock will upon issue be fully paid and nonassessable by the Corporation and free from original issue taxes.

(4) Subject to the provisions of law and the preferences of the Preferred Stock and of any series of Preferred Stock hereafter created, in the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the holders of Class B Common Stock shall be entitled, together with the holders of Common Stock, Excess Common Stock and any other series of Preferred Stock hereafter created not having a preference on distributions in the liquidation, dissolution or winding up of the Corporation, to share ratably in the net assets of the Corporation remaining, after payment or provision for payment of the debts and other liabilities of the Corporation and the amount to which the holders of the Preferred Stock and of any series of Preferred Stock hereafter created having a preference on distributions in the liquidation, dissolution or winding up of the Corporation shall be entitled.

(c-1) [Reserved]

(c-2) Subject in all cases to the provisions of Article NINTH with respect to Excess Stock (as defined in this paragraph), the Preferred Stock may be issued from time to time in one or more series, each of which series shall have such distinctive designation or title as shall be fixed by the Board of Directors prior to the issuance of any shares thereof. Each such series of Preferred Stock shall have such voting powers, full or limited, or no voting powers, and such preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as shall be stated in such resolution providing for the issue of such series of Preferred Stock as may be adopted from time to time by the Board of Directors prior to the issuance of any shares thereof pursuant to the authority hereby expressly vested in it, all in accordance with the laws of the State of Delaware; provided, however, no shares of any series of Preferred Stock may be authorized or issued unless (i) the certificates of designations relating to such series contains restrictions on ownership and transfer and conversion provisions applicable to such series comparable to those set forth in this Article NINTH, and (ii) a corresponding series of Preferred Stock ("Excess Preferred Stock" and together with Excess Common Stock, unless the context otherwise requires, "Excess Stock"), to be issued in accordance with any such conversion provisions upon a violation of such restrictions on ownership and transfer, is simultaneously authorized by filing of a certificate of designations. The Board of Directors is further authorized to increase or decrease (but not below the number of such shares of series then outstanding) the shares of any series subsequent to the issuance of shares of that series. The 6.00% Series I Convertible Perpetual Preferred Stock, the 8.375% Series J Cumulative Redeemable Preferred Stock shall have the designation, powers, preferences and right and the qualifications, limitations and restrictions as set forth in Exhibits A and B, respectively.

#### FIFTH:

(a) The powers and duties conferred and imposed upon the board of directors by the General Corporation Law of the State of Delaware shall be exercised and performed, in accordance with Section 141 thereof governing the action of directors, by a board (the "Board of Directors"); provided, however that pursuant to Section 141(a) of the General Corporation Law of the State of Delaware: (i) certain of such powers and duties of the Board of Directors set forth herein shall be exercised and performed only by the Independent Directors (as defined in Article NINTH hereof), and (ii) certain of such powers and duties of the Board of Directors as described herein may be exercised and performed by one or more committees consisting of one or more members of the Board of Directors and one or more other persons to the extent such powers and duties are delegated thereto by the Board of Directors. The number of directors of the Corporation shall never be more than fifteen (15) nor less than the minimum number permitted by the General Corporation Law of the State of Delaware now or hereafter in force and, subject to such limitations, shall be fixed from time to time in the By-Laws or by resolution of the Board of Directors.

At least a majority of the directors shall be Independent Directors (as defined in Article NINTH).

(b) Subject to the rights of the holders of any class of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors shall be filled by a vote of the stockholders or a majority of the entire Board of Directors, and any vacancies on the Board of Directors resulting from death, disability ("disability," which for purposes of this paragraph (b) shall mean illness, physical or mental disability or other incapacity), resignation, retirement, disqualification, removal from office, or other cause shall be filled by a vote of the stockholders or a majority of the directors then in office; provided that:

(1) any vacancies on the Board of Directors resulting from death, disability, resignation, retirement, disqualification, removal from office, or other cause of a director elected by the holders of Class B Common Stock shall be filled by a vote of the holders of Class B Common Stock; and

(2) A special meeting of holders of the Class B Common Stock shall be called by the President in the event a vacancy occurs on the Board of Directors from any cause among the directors entitled to be elected by the holders of the Class B Common Stock, and a special meeting of holders of the Common Stock and the Class B Common Stock shall be called by the President in the event a vacancy occurs on the Board of Directors from any cause among the directors elected by the holders of the Common Stock and the Class B Common Stock (voting together as a single class) and is not filled by the directors within 30 days after the vacancy occurs. The holders of Class B Common Stock may exercise their rights to elect directors by written consent without a meeting.

Notwithstanding the foregoing, any decrease in the number of directors constituting the Board of Directors shall not affect the tenure of office of any director.

(c) Whenever the holders of any one or more series of Preferred Stock of the Corporation shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the Board of Directors shall consist of said directors so elected in addition to the

7

---

number of directors fixed as provided in paragraph (a) of this Article FIFTH or in the By-Laws; provided that if any shares of Class B Common Stock are outstanding, the election of one or more directors by such holders of Preferred Stock will eliminate the corresponding number of directors to be elected by the combined holders of the Common Stock and the Class B Common Stock, voting together as a single class, and will neither increase the size of the Board of Directors nor eliminate the seat or seats of directors elected by the holders of the Class B Common Stock, voting as a separate class. Notwithstanding the foregoing, and except as otherwise may be required by law, whenever the holders of any one or more series of Preferred Stock of the Corporation shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the terms of the director or directors elected by such holders shall expire at the next succeeding annual meeting of stockholders.

(d) Subject to Section 141(k) of the General Corporation Law of the State of Delaware, directors may be removed from office at any time, with or without cause, by the affirmative vote of the holders of at least a majority of the combined voting power of all classes of shares of capital stock entitled to vote in the election for directors voting together as a single class.

(e) Pursuant to Section 141(a) of the General Corporation Law of the State of Delaware, any action by the Corporation relating to transactions involving the Corporation, individually or in its capacity as general partner (whether directly or indirectly through another entity) of Simon Property Group, L.P., in which the Simon Family Group or any member or affiliate of any member of the Simon Family Group has an interest (other than through ownership interests in the Corporation or Simon Property Group, L.P.), shall, in addition to such other vote that may be required, require the prior approval of a majority of the Independent Directors.

(f) Elections of directors need not be by written ballot.

(g) Pursuant to Section 141(a) of the Delaware General Corporation Law, the Board of Directors may appoint an Executive Committee, a Compensation Committee, an Audit Committee, a Nominating and Governance Committee and other committees composed of one or more directors or one or more other persons delegated such powers and duties by the Board of Directors. Each committee except the Compensation Committee, the Audit Committee and the Nominating and Governance Committee shall have as a member at least one director elected by the Class B Common Stock. The entire Audit Committee, Compensation Committee and Nominating and Governance Committee shall be Independent Directors.

(3) The Board of Directors of the Corporation shall, consistent with applicable law, have power in its sole discretion to determine from time to time in accordance with sound accounting practice or other reasonable valuation methods what constitutes annual or other net profits, earnings, surplus, or net assets in excess of capital; to fix and vary from time to time the amount to be reserved as working capital, or determine that retained

earnings or surplus shall remain in the hands of the Corporation; to set apart out of any funds of the Corporation such reserve or reserves in such amount or amounts and for such proper purpose or purposes as it shall determine and to abolish any such reserve or any part thereof; to redeem or purchase its stock or to distribute and pay distributions or dividends in stock, cash or other securities or property, out of surplus or any other funds or amounts legally available therefor, at such times and to the stockholders of record on such dates as it may, from time to time, determine; to determine the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); to determine the fair value and any matters relating to the acquisition, holding and disposition of any assets by the Corporation; and to determine whether and to what extent and at what times and places and under what conditions and regulations the books, accounts and documents of the Corporation, or any of them, shall be open to the inspection of stockholders, except as otherwise provided by statute or by the By-Laws, and, except as so provided, no stockholder shall have any right to inspect any book, account or document of the Corporation unless authorized so to do by resolution of the Board of Directors.

(4)

(A) The Corporation shall indemnify to the fullest extent permitted under and in accordance with the laws of the State of Delaware any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer or trustee of or in any other capacity with another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

(B) Expenses incurred in defending a civil or criminal action, suit or proceeding shall (in the case of any action, suit or proceeding against a director of the Corporation) or may (in the case of any action, suit or proceeding against an officer, trustee,

9

---

employee or agent) be paid by the Corporation in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors upon receipt of an undertaking by or on behalf of the indemnified person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized in this Article SIXTH paragraph (a)(4).

(C) The indemnification and other rights set forth in this paragraph (a)(4) shall not be exclusive of any provisions with respect thereto in the By-Laws or any other contract or agreement between the Corporation and any officer, director, employee or agent of the Corporation.

(D) Neither the amendment nor repeal of this paragraph (a)(4), subparagraph (a), (b) or (c), nor the adoption of any provision of this Restated Certificate of Incorporation inconsistent with paragraph (a)(4), subparagraph (a), (b) or (c), shall eliminate or reduce the effect of this paragraph (a)(4), subparagraphs (a), (b) and (c), in respect of any matter occurring before such amendment, repeal or adoption of an inconsistent provision or in respect of any cause of action, suit or claim relating to any such matter which would have given rise to a right of indemnification or right to receive expenses pursuant to this paragraph (a)(5), subparagraph (a), (b) or (c), if such provision had not been so amended or repealed or if a provision inconsistent therewith had not been so adopted.

(E) No director shall be personally liable to the Corporation or any stockholder for monetary damages for breach of fiduciary duty as a director, except for liability

- (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders;
- (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law;
- (iii) under Section 174 of the General Corporation Law of the State of Delaware; or
- (iv) for any transaction from which the director derived an improper personal benefit.

If the General Corporation Law of the State of Delaware is amended after the date hereof to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the General Corporation Law of the State of Delaware, as so amended. All references in this paragraph (e) shall also be deemed to refer to the Independent Directors and members of committees of the Board of Directors.

(5) For any stockholder proposal to be presented in connection with an annual meeting of stockholders of the Corporation, including any proposal relating to the nomination of a director to be elected to the Board of Directors of the Corporation, the stockholders must have given timely written notice thereof in writing to the Secretary of the

10

---

(b) Pursuant to Section 141(a) of the General Corporation Law of the State of Delaware, the Corporation reserves the right to amend, alter, change or repeal any provision contained in the Charter, including any amendments changing the terms or contract rights, as expressly set forth in the Charter, of any of its outstanding stock by reclassification or otherwise, by a majority of the directors (including a majority of the Independent Directors and a majority of the directors elected by the holders of the Class B Common Stock, if such Class B Common Stock has at that time elected directors) adopting a resolution setting forth the proposed change, declaring its advisability, and either calling a special meeting of the stockholders certified to vote on the

proposed change, or directing the proposed change to be considered at the next annual stockholders meeting; provided however, that any amendment to, repeal of or adoption of any provision inconsistent with paragraph (c) of Article FOURTH will be effective only if it is adopted upon (1) the affirmative vote of not less than 80% of the aggregate votes entitled to be cast thereon (considered for this purpose as a single class) and (2) approved by the affirmative vote of not less than a majority of the aggregate votes entitled to be cast by the holders of the Class B Common Stock, if such Class B Common Stock is outstanding at that time.

(c) In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to make, alter or repeal the By-Laws of the Corporation.

(d) Pursuant to Section 141(a) of the General Corporation Law of the State of Delaware, the affirmative vote of least three-fourths (3/4) of the Independent Directors is necessary to cause any partnership in which the Corporation acts, directly or indirectly, as a general partner to sell any property owned by such partnership in accordance with the terms of the partnership agreement of such partnership.

(e) The enumeration and definition of particular powers of the Board of Directors included in the foregoing shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other Article of the Charter of the Corporation, or construed as or deemed by inference or otherwise in any manner to exclude or limit any powers conferred upon the Board of Directors under the General Corporation Law of the State of Delaware now or hereafter in force.

SEVENTH: [Reserved]

such conversion ratio. Such conversion shall be effective as of the close of business on the business day prior to the date of the Transfer or other event.

(B) If, notwithstanding the other provisions contained in this Article NINTH, at any time prior to the Restriction Termination Date, there is a purported Transfer or other event which, if effective, would cause the Corporation to become “closely held” within the meaning of Section 856(h) of the Code, then each share of Common Stock or Preferred Stock being Transferred or which are otherwise affected by such event and which, in either case, would cause, when taken together with all other Capital Stock, the Corporation to be “closely held” within the meaning of Section 856(h) of the Code (rounded up to the nearest whole share) shall automatically be converted into one share of Excess Stock, as further described in subparagraph (a)(3)(C) of this Article NINTH, and such shares of Excess Stock shall be automatically transferred to Trustee as trustee for the Trust. The Corporation shall issue fractional shares of Excess Stock if required by such conversion ratio. Such conversion shall be effective as of the close of business on the business day prior to the date of the Transfer or other event.

(C) Upon conversion of Common Stock or Preferred Stock into Excess Stock pursuant to this subparagraph (a) (3) of this Article NINTH, Common Stock shall be converted into Excess Common Stock and Preferred Stock shall be converted into Excess Preferred Stock.

(4) If the Board of Directors or its designees shall at any time determine in good faith that a Transfer or other event has taken place in violation of subparagraph (a)(2) of this Article NINTH or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of subparagraph (a)(2) of this Article NINTH, the Board of Directors or its designees may take such action as it or they deem advisable to refuse to give effect to or to prevent such Transfer or other event, including, but not limited to, refusing to give effect to such Transfer or other event on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event or transaction; provided, however, that any Transfers or attempted Transfers (or, in the case of events other than a Transfer, Beneficial ownership or Constructive Ownership) in violation of subparagraphs (a)(2)(A), (B), (C) and (D) of this Article NINTH shall be void ab initio and any Transfers or attempted Transfers (or, in the case of events other than a Transfer, Beneficial Ownership or Constructive ownership) in violation of subparagraphs (a)(2)(A), (B), and (D) shall automatically result in the conversion described in subparagraph (a)(3), irrespective of any action (or non-action) by the Board of Directors or its designees.

(5) Any Person who acquires or attempts to acquire shares of Capital Stock in violation of subparagraph (a)(2) of this Article NINTH, or any Person who is a transferee such that Excess Stock results under subparagraph (a)(3) of this Article NINTH, shall immediately give written notice to the Corporation of such event and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer or attempted Transfer or other event on the Corporation’s status as a REIT.

(6) Prior to the Restriction Termination Date:

(A) Every Beneficial Owner or Constructive Owner of more

16

than 5%, or such lower percentages as required pursuant to regulations under the Code, of the outstanding Capital Stock of the Corporation shall, before January 30 of each year, give written notice to the Corporation stating the name and address of such Beneficial Owner or Constructive Owner, the general

ownership structure of such Beneficial Owner or Constructive Owner, the number of shares of each class of Capital Stock Beneficially Owned or Constructively Owned, and a description of how such shares are held.

(B) Each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the stockholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide on demand to the Corporation such information as the Corporation may request from time to time in order to determine the Corporation's status as a REIT and to ensure compliance with the Ownership Limit.

(7) Subject to subparagraph (a)(12) of this Article NINTH, nothing contained in this Article NINTH shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its stockholders by preservation of the Corporation's status as REIT and to ensure compliance with the Ownership Limit.

(8) In the case of an ambiguity in the application of any of the provisions of subparagraph (a) of this Article NINTH, including any definition contained in subparagraph (a)(1), the Board of Directors shall have the power to determine the application of the provisions of this subparagraph (a) with respect to any situation based on the facts known to it.

(9) The Board of Directors upon receipt of a ruling from the Internal Revenue Service or an opinion of tax counsel in each case to the effect that the restrictions contained in subparagraphs (a)(2)(A), (B), (C) and (D) of this Article NINTH will not be violated, may exempt a Person from the Ownership Limit:

(A) (i) if such Person is not an individual for purposes of Section 542(a)(2) of the Code, or (ii) if such Person is an underwriter which participates in a public offering of Common Stock or Preferred Stock for a period of 90 days following the purchase by such underwriter of the Common Stock or Preferred Stock, or (iii) in such other circumstances which the Board of Directors determines are appropriately excepted from the Ownership Limit, and

(B) the Board of Directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no individual's Beneficial Ownership and Constructive Ownership of Capital Stock will violate the Ownership Limit and agrees that any violation or attempted violation will result in such Common Stock or Preferred Stock being converted into shares of Excess Stock in accordance with subparagraph (a)(3) of this Article NINTH.

(10) Until the Restriction Termination Date, each certificate for the respective class of Capital Stock shall bear the following legend:

The securities represented by this certificate are subject to restrictions on transfer for the purpose of the Corporation's maintenance of its status as a

17

---

real estate investment trust under the Internal Revenue Code of 1986, as amended from time to time (the "Code"). Transfers in contravention of such restrictions shall be void ab initio. Except as otherwise determined by the Board of Directors of the Corporation, no Person may (1) Beneficially Own or Constructively Own shares of Capital Stock in excess of 8.0% (other than members of the Simon Family Group), whose relevant percentage is 18.0% of the value of any class of outstanding Capital Stock of the Corporation, or any combination thereof, determined as provided in the Corporation's Restated Certificate of Incorporation, as the same may be amended from time to time (the "Charter"), and computed with regard to all outstanding Shares of Capital Stock, and, to the extent provided by the Code, all shares of Capital Stock issuable under existing Options and Exchange Rights that have not been exercised; or (2) Beneficially Own Capital Stock which would result in the Corporation being "closely held" under Section 856(h) of the Code. Unless so excepted, any acquisition of Capital Stock and continued holding of ownership constitutes a continuous representation of compliance with the above limitations, and any Person who attempts to Beneficially Own or Constructively Own shares of Capital Stock in excess of the above limitations has an affirmative obligation to notify the Corporation immediately upon such attempt. If the restrictions on transfer are violated, the transfer will be void ab initio and the shares of Capital Stock represented hereby will be automatically converted into shares of Excess Stock and will be transferred to the Trustee to be held in trust for the benefit of one or more Qualified Charitable Organizations, whereupon such Person shall forfeit all rights and interests in such Excess Stock. In addition, certain Beneficial Owners or Constructive Owners must give written notice as to certain information on demand and on an annual basis. All capitalized terms in this legend have the meanings defined in the Charter. The Corporation will mail without charge to any requesting stockholder a copy of the Charter, including the express terms of each class and series of the authorized capital stock of the Corporation, within five days after receipt of a written request therefor.

(11) If any provision of this Article NINTH or any application of any such provision is determined to be invalid by any federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected, and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court.

(12) Nothing in this Article NINTH shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange.

(A)

(i) Upon any purported Transfer or other event that results in Excess Stock pursuant to subparagraph (a) (3) of this Article NINTH, such Excess Stock shall be deemed to have been transferred to the Trustee as trustee of

18

the Trust for the exclusive benefit of one or more Qualifying Charitable Organizations as are designated from time to time by the Board of Directors with respect to such Excess Stock. Shares of Excess Stock held in trust shall be issued and outstanding stock of the Corporation.

The Purported Record Transferee or Purported Record Holder and the Purported Beneficial Transferee or Purported Beneficial Holder shall have no rights in such Excess Stock, except such rights to certain proceeds upon Transfer of shares of Excess Stock or upon any voluntary or involuntary liquidation, dissolution or winding up of, or any distribution of the assets of, the Corporation as are expressly set forth herein.

(ii) Excess Common Stock shall be entitled to dividends in an amount equal to any dividends which are declared and paid with respect to shares of Common Stock from which such shares of Excess Common Stock were converted. Excess Preferred Stock shall be entitled to dividends in an amount equal to any dividends which are declared and paid with respect to shares of Preferred Stock from which such shares of Excess Preferred Stock were converted. Any dividend or distribution paid prior to discovery by the Corporation that shares of Common Stock or Preferred Stock have been converted into Excess Common Stock or Excess Preferred Stock, as the case may be, shall be repaid to the Corporation upon demand for delivery to the Trustee. The recipient of such dividend shall be personally liable to the Trust for such dividend. Any dividend or distribution declared but unpaid shall be rescinded as void ab initio with respect to such shares of Common Stock or Preferred Stock and shall automatically be deemed to have been declared and paid with respect to the shares of Excess Common Stock or Excess Preferred Stock, as the case may be, into which such shares of Common Stock or Preferred Stock shall have been converted.

(iii) In the event of any voluntary or involuntary liquidation, dissolution or winding up of, or any distribution of the assets of, the Corporation, (i) subject to the preferential rights of the Preferred Stock, if any, as may be determined by the Board of Directors and the preferential rights of the Excess Preferred Stock, if any, each holder of shares of Excess Common Stock shall be entitled to receive, ratably with each other holder of Common Stock and Excess Common Stock that portion of the assets of the Corporation available for distribution to the holders of Common Stock or Excess Common Stock as the number of shares of the Excess Common Stock held by such holder bears to the total number of shares of Common Stock and the number of shares of Excess Common Stock then outstanding and (ii) each holder of shares of Excess Preferred Stock shall be entitled to receive that portion of the assets of the Corporation which a holder of the shares of Preferred Stock that were converted into such shares of Excess Preferred Stock would have been entitled to receive had such shares of Preferred Stock remained outstanding. Notwithstanding the foregoing, distributions shall not be made to holders of Excess Stock except in accordance with the following sentence. The Corporation shall distribute to the Trustee, as holder of the Excess Stock in trust, on behalf of the Beneficiaries any such assets received in respect of the Excess Stock in any liquidation, dissolution or winding up of, or any distribution of the assets of the Corporation. Following any such

19

---

distribution, the Trustee shall distribute such proceeds between the Purported Record Transferee or Purported Record Holder, as appropriate, and the Qualified Charitable organizations which are Beneficiaries in accordance with procedure for distribution of proceeds upon Transfer of Excess Stock set forth in subparagraph (b)(5) of this Article NINTH; provided, however, that with respect to any Excess Stock as to which no Beneficiary shall have been determined within 10 days following the date upon which the Corporation is prepared to distribute assets ("Undesignated Excess Stock"), any assets that would have been distributed on account of such Undesignated Excess Stock had a Beneficiary been determined shall be distributed to the holders of Common Stock and the Beneficiaries of the Trust designated with respect to shares of Excess Common Stock, or to the holders of Preferred Stock and the Beneficiaries of the Trust designated with respect to shares of Excess Preferred Stock as determined in the sole discretion of the Board of Directors.

(iv) Excess Common Stock shall be entitled to such voting rights as are ascribed to shares of Common Stock from which such shares of Excess Common Stock were converted. Excess Preferred Stock shall be entitled to such voting rights as are ascribed to shares of Preferred Stock from which such shares of Excess Preferred Stock were converted. Any voting rights exercised prior to discovery by the Corporation that shares of Common Stock or Preferred Stock have been converted into Excess Common Stock or Excess Preferred Stock, as the case may be, shall be rescinded and recast as determined by the Trustee.

(v) (a) Following the expiration of the ninety day period referred to in subparagraph (b)(6) of this Article NINTH, Excess Stock shall be transferable by the Trustee to any Person whose Beneficial Ownership or Constructive Ownership of shares of Capital Stock outstanding, after giving effect to such Transfer, would not result in the shares of Excess Stock proposed to be transferred constituting excess Stock in the hands of the proposed transferee. A Purported Record Transferee or, in the case of Excess Stock resulting from any event other than a purported Transfer, the Purported Record Holder shall have no rights whatsoever in such Excess Stock, except that such Purported Record Transferee or, in the case of Excess Stock resulting from any event other than a purported Transfer, the Purported Record Holder, upon completion of such Transfer, shall be entitled to receive the lesser of a price per share for such Excess Stock not in excess (based on the information provided to the Corporation in the notice given pursuant to this subparagraph (b)(5) (A)) of (x) the price per share such Purported Beneficial Transferee paid for the Common Stock or Preferred Stock in the purported Transfer that resulted in the Excess Stock, or (y) if the Purported Beneficial Transferee did not give value for such shares of Excess Stock (through a gift, devise or other transaction), a price per share of Excess Stock equal to the Market Price of the Common Stock or Preferred Stock on the date of the purported Transfer that resulted in the Excess Stock. Upon such transfer of any interest in Excess Stock held by the Trust, the corresponding shares of Excess Stock in the Trust shall be automatically converted into such number of shares of Common Stock or Preferred Stock (of the same class as the shares that were converted into

20

---

such Excess Stock) as is equal to the number of shares of Excess Stock, and such shares of Common Stock or Preferred Stock (of the same class as the shares that were converted into such Excess Stock) as is equal to the number of shares of Excess Stock, and such shares of Common Stock or Preferred Stock shall be transferred of record to the proposed transferee of the Excess Stock. If, notwithstanding the provisions of this Article NINTH, under any circumstances, a Purported Transferee receives an amount for shares of Excess Stock that exceeds the amount provided by the formula set forth above, the Purported Transferee must pay the excess to the Trust. Prior to any transfer resulting in Common Stock or Preferred Stock being converted into Excess Stock, the Purported Record Transferee and Purported Beneficial Transferee, jointly, or Purported Record Holder and Purported Beneficial Holder, jointly, must give written notice to the Corporation of the date and sale price of the purported Transfer that resulted in Excess Stock or the Market Price on the date of the other event that resulted in Excess Stock. Prior to a Transfer by the Trustee of any shares of Excess Stock, the intended transferee must give advance notice to the Corporation of the information (after giving effect to the intended Transfer) required under subparagraph (a)(6), and

the Corporation must have waived in writing its purchase rights, if any, under subparagraph (b)(6) of this Article NINTH. The Board of Directors may waive the notice requirements of this subparagraph in such circumstances as it deems appropriate.

(b) Notwithstanding the foregoing, if the provisions of paragraph (b)(5) of this Article NINTH are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the Purported Beneficial Transferee or Purported Beneficial Holder of any shares of Excess Stock may be deemed, at the option of the Corporation, to have acted as an agent on behalf of the Trust, in acquiring or holding such shares of Excess Stock and to hold such shares of Excess Stock in trust on behalf of the Trust.

(vi) Shares of Excess Stock shall be deemed to have been offered for sale by the Trust to the Corporation, or its designee, at a price per share of Excess Stock equal to the lesser of:

(a) (i) in the case of Excess Stock resulting from a purported Transfer, (x) the price per share of the Common Stock or Preferred Stock in the transaction that created such Excess Stock (or, in the case of devise or gift, the Market Price of the Common Stock or Preferred Stock at the time of such devise or gift), or (y) in the absence of a notice from the Purported Record Transferee or Purported Record Holder and Purported Beneficial Transferee to the Corporation within ten days after request therefor, such price as may be determined by the Board of Directors in its sole discretion, which price per share of Excess Stock shall be equal to the lowest Market Price of Common Stock or Preferred Stock (whichever resulted in Excess Stock) at any time prior to the date the Corporation, or its designee, accepts such offer; or

(x) the Market Price of the Common Stock or Preferred Stock on the date of such event, or (y) in the absence of a notice from the Purported

21

Record Holder and Purported Beneficial Holder to the Corporation within ten days after request therefor, such price as may be determined, by the Board of Directors in its sole discretion, which price shall be the lowest Market Price for shares of Common Stock or Preferred Stock (whichever resulted in Excess Stock) at any time from the date of the event resulting in Excess Stock and prior to the date the Corporation, or its designee, accepts such offer, and

(b) the Market Price of the Common Stock or Preferred Stock on the date the Corporation, or its designee, accepts such offer. The Corporation shall have the right to accept such offer for a period of ninety days after the later of (i) the date of the Transfer which resulted in such shares of Excess Stock and (ii) the date the Board of Directors determines in good faith that a Transfer or other event resulting in shares of Excess Stock has occurred, if the Corporation does not receive a notice of such Transfer or other event pursuant to subparagraph (a)(5) of this Article NINTH.

TENTH: Whenever the Corporation shall have the obligation to purchase Units and shall have the right to choose to satisfy such obligation by purchasing such Units either with cash or with Common Stock, the determination whether to utilize cash or Common Stock to effect such purchase shall be made by majority vote of the Independent Directors, pursuant to Section 141(a) of the General Corporation Law of the State of Delaware.

ELEVENTH: In the event any term, provision, sentence or paragraph of the Charter of the Corporation is declared by a court of competent jurisdiction to be invalid or unenforceable, such term, provision, sentence or paragraph shall be deemed severed from the remainder of the Charter, and the balance of the Charter shall remain in effect and be enforced to the fullest extent permitted by law and shall be construed to preserve the intent and purposes of the Charter. Any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such term, provision, sentence or paragraph of the Charter in any other jurisdiction.

“Series I Preferred Stock” shall have the meaning assigned to it in Section 1 hereof.

“Series I Preferred Stock Director” shall have the meaning assigned to it in Section 12(c) hereof.

“*Trading Day*” means a day during which trading in securities generally occurs on the New York Stock Exchange or, if the Common Stock is not listed on the New York Stock Exchange, on the principal other national or regional securities exchange on which the Common Stock is then listed or, if the Common Stock is not listed on a national or regional securities exchange, on Nasdaq or, if the Common Stock is not quoted on Nasdaq, on the principal other market on which the Common Stock is then traded.

“*Transfer Agent*” shall have the meaning assigned to it in Section 14 hereof.

Section 3. *Rank.* The Series I Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding-up or dissolution, rank:

(a) senior to the Common Stock, the Class B Common Stock and the Class C Common Stock and any other class or series of Capital Stock of the Corporation, the terms of which expressly provide that such class or series ranks junior to the Series I Preferred Stock as to dividend rights and rights on liquidation, winding-up and dissolution of the Corporation (collectively, together with any warrants, rights, calls or options exercisable for or convertible into such Capital Stock, the “*Junior Stock*”);

(b) on a parity with the 6.50% Series A Convertible Preferred Stock, 6.50% Series B Convertible Preferred Stock, 6.50% Series A Excess Preferred Stock, 6.50% Series B Excess Preferred Stock, 7% Series C Cumulative Convertible Preferred Stock, 8% Series D Cumulative Redeemable Preferred Stock, 8% Series E Cumulative Redeemable Preferred Stock, 8 $\frac{3}{4}$ % Series F Cumulative Redeemable Preferred Stock, 7.89% Series G Cumulative Step-Up Premium Rate Preferred Stock, Series H Variable Rate Preferred Stock, 8 $\frac{3}{8}$ % Series J Cumulative Redeemable Preferred Stock, and any other class or series of Capital Stock of the Corporation which are not by their terms Junior Stock or Senior Stock (collectively, together with any warrants, rights, calls or options exercisable for or convertible into such Capital Stock, the “*Parity Stock*”); and

(c) junior to each class or series of Capital Stock of the Corporation, the terms of which expressly provide that such class or series ranks Senior to the Series I Preferred Stock as to dividend rights and rights on liquidation, winding-up and dissolution of the Corporation

(collectively, together with any warrants, rights, calls or options exercisable for or convertible into such Capital Stock, the “*Senior Stock*”).

Section 4. *Dividends.*

(a) Holders of Series I Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of funds legally available for the payment of dividends, cash dividends on each share of Series I Preferred Stock at the annual rate of 6% of the Liquidation Preference per share. Such dividends shall be payable in arrears in equal amounts quarterly on each Dividend Payment Date, beginning November 30, 2004, in preference to and in priority over dividends on any Junior Stock but subject to the rights of any holders of Senior Stock or Parity Stock.

(b) Dividends shall be cumulative from the initial date of issuance or the last Dividend Payment Date for which accumulated dividends were paid, whichever is later, whether or not funds of the Corporation are legally available for the payment of such dividends. Each such dividend shall be payable to the holders of record of shares of the Series I Preferred Stock, as they appear on the Corporation’s stock register at the close of business on a Record Date. Accumulated and unpaid dividends for any past Dividend Periods may be declared and paid at any time, without reference to any Dividend Payment Date, to holders of record on such date, not more than 60 days preceding the payment date thereof, as may be fixed by the Board of Directors.

(c) Accumulated and unpaid dividends for any past Dividend Period (whether or not declared) shall cumulate at the annual rate of 6% and shall be payable in the manner set forth in this Section 4.

(d) The amount of dividends payable for each full Dividend Period for the Series I Preferred Stock shall be computed by dividing the annual dividend rate by four. The amount of dividends payable for the initial Dividend Period, or any other period shorter or longer than a full Dividend Period, on the Series I Preferred Stock shall be computed on the basis of 30-day months and a 12-month year. Holders of Series I Preferred Stock shall not be entitled to any dividends, whether payable in cash, property or stock, in excess of cumulative dividends, as herein provided, on the Series I Preferred Stock.

(e) No dividend shall be declared or paid, or funds set apart for the payment of any dividend or other distribution, whether in cash, obligations or shares of Capital Stock of the Corporation or other property, directly or indirectly, upon any shares of Junior Stock or Parity Stock, nor shall any shares of Junior Stock or Parity Stock be redeemed, repurchased or otherwise acquired for consideration by the Corporation through a sinking fund or otherwise, unless all accumulated and unpaid dividends (whether or not declared), if any, through the most recent Dividend Payment Date (whether or not there are funds of the Corporation legally available for the payment of dividends) on the shares of Series I Preferred Stock and any Parity Stock have been paid in full or set apart for payment; *provided, however*, that, notwithstanding any provisions of this Section 4(e) to the contrary, the Corporation may redeem, repurchase or otherwise acquire for consideration Series I Preferred Stock and Parity Stock pursuant to a purchase or exchange offer made on the same terms to all holders of such Series I Preferred Stock and Parity Stock. When dividends are not paid in full, as aforesaid,

A-7

---

upon the shares of Series I Preferred Stock, all dividends declared on the Series I Preferred Stock and any other Parity Stock shall be paid either (A) pro rata so that the amount of dividends so declared on the shares of Series I Preferred Stock and each such other class or series of Parity Stock shall in all cases bear to each other the same ratio as accumulated dividends on the shares of Series I Preferred Stock and such class or series of Parity Stock bear to each other or (B) on another basis that is at least as favorable to the holders of the Series I Preferred Stock entitled to receive such dividends.

Section 5. *Liquidation Preference.*

(a) In the event of any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, before any payment or distribution of the Corporation’s assets (whether capital or surplus) shall be made to or set apart for the holders of Junior Stock, holders of Series I Preferred Stock shall be entitled to receive \$50.00 per share of Series I Preferred Stock (the “*Liquidation Preference*”) plus an amount equal to all dividends (whether or not declared) accumulated and unpaid thereon to the date of final distribution to such holders, but shall not be entitled to any

further payment or other participation in any distribution of the assets of the Corporation. If, upon any liquidation, dissolution or winding-up of the Corporation, the Corporation's assets, or proceeds thereof, distributable among the holders of Series I Preferred Stock are insufficient to pay in full the preferential amount aforesaid and liquidating payments on any Parity Stock, then such assets, or the proceeds thereof, shall be distributed among the holders of the Series I Preferred Stock and any other Parity Stock ratably in proportion to the respective amounts that would be payable on such shares of Series I Preferred Stock and any such other Parity Stock if all amounts payable thereon were paid in full.

(b) Neither the voluntary sale, conveyance, exchange or transfer, for cash, shares of stock, securities or other consideration, of all or substantially all of the Corporation's property or assets, nor the consolidation, merger or amalgamation of the Corporation with or into any corporation or the consolidation, merger or amalgamation of any corporation with or into the Corporation shall be deemed to be a voluntary or involuntary liquidation, dissolution or winding-up of the Corporation.

(c) After payment has been made in full to the holders of the Series I Preferred Stock, as provided in this Section 5, holders of Series I Preferred Stock shall have no right or claim to any remaining assets of the Corporation.

Section 6. *Optional Redemption of the Series I Preferred Stock.* Shares of Series I Preferred Stock shall be redeemable by the Corporation in accordance with this Section 6.

(a) The Corporation may not redeem any shares of Series I Preferred Stock before October 14, 2009. On or after October 14, 2009, the Corporation shall have the option to redeem, subject to Section 6(j) hereof, for cash only (i) some or all the shares of Series I Preferred Stock at the Redemption Price, but only if the Closing Sale Price of the Common Stock for 20 Trading Days within a period of 30 consecutive Trading Days ending on the Trading Day prior to the date the Corporation gives notice of such redemption pursuant to this Section 6 exceeds 130% of the Conversion Price in effect on each such Trading Day and (ii) all the Outstanding shares of Series I Preferred Stock at the Redemption Price, but only if,

A-8

---

on any Dividend Payment Date, the total number of Outstanding shares of Series I Preferred Stock is less than 15% of the total number of Outstanding shares of Series I Preferred Stock on October 14, 2004.

(b) In the event the Corporation elects to redeem shares of Series I Preferred Stock, the Corporation shall:

(i) send a written notice to the Registrar and Transfer Agent of the Redemption Date, stating the number of shares to be redeemed and the Redemption Price, at least 35 days before the Redemption Date (unless a shorter period shall be satisfactory to the Registrar and Transfer Agent);

(ii) send a written notice by first class mail to each holder of record of the Series I Preferred Stock at such holder's registered address, not fewer than 20 nor more than 90 days prior to the Redemption Date, stating:

(A) the Redemption Date;

(B) the Redemption Price;

(C) the Conversion Price and the Conversion Rate;

(D) the name and address of the Paying Agent and Conversion Agent;

(E) that shares of Series I Preferred Stock called for redemption may be converted at any time before 5:00 p.m., New York City time on the second Business Day immediately preceding the Redemption Date;

(F) that holders who want to convert shares of the Series I Preferred Stock must satisfy the requirements set forth in Section 7 of this Certificate;

(G) that shares of the Series I Preferred Stock called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;

(H) if fewer than all the Outstanding shares of the Series I Preferred Stock are to be redeemed by the Corporation, the number of shares to be redeemed;

(I) that, unless the Corporation defaults in making payment of such Redemption Price, dividends in respect of the shares of Series I Preferred Stock called for redemption will cease to accumulate on and after the Redemption Date;

(J) the CUSIP number of the Series I Preferred Stock; and

(K) any other information the Corporation wishes to present; and

(iii) (A) issue a press release containing such information and (B) publish such information on the Corporation's web site on the World Wide Web.

(c) If the Corporation gives notice of redemption, then, by 12:00 p.m., New York City time, on the Redemption Date, to the extent sufficient funds are legally available, the Corporation shall, with respect to:

A-9

---

(i) shares of the Series I Preferred Stock held by DTC or its nominees, deposit or cause to be deposited, irrevocably with DTC, cash sufficient to pay the Redemption Price and shall give DTC irrevocable instructions and authority to pay the Redemption Price to holders of such shares of the Series I Preferred Stock; and

(ii) shares of the Series I Preferred Stock held in certificated form, deposit or cause to be deposited, irrevocably with the Paying Agent, cash sufficient to pay the Redemption Price and shall give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to holders of such shares of the Series I Preferred Stock upon surrender of their certificates evidencing their shares of the Series I Preferred Stock.

(d) If on the Redemption Date, DTC and/or the Paying Agent holds or hold money sufficient to pay the Redemption Price for the shares of Series I Preferred Stock delivered for redemption as set forth herein, dividends shall cease to accumulate as of the Redemption Date on those shares of the Series I Preferred Stock called for redemption and all rights of holders of such shares shall terminate, except for the right to receive the Redemption Price pursuant to this Section 6.

(e) Payment of the Redemption Price for shares of the Series I Preferred Stock is conditioned upon book-entry transfer or physical delivery of certificates representing the Series I Preferred Stock, together with necessary endorsements, to the Paying Agent at any time after delivery of the notice of redemption.

(f) Payment of the Redemption Price for shares of the Series I Preferred Stock will be made (1) on the Redemption Date, if book-entry transfer or physical delivery of the Series I Preferred Stock has been made by or on the Redemption Date, or (2) if book-entry transfer or physical delivery of the Series I Preferred Stock has not been made by or on the Redemption Date, at the time of such transfer or delivery. If any shares of Series I Preferred Stock selected for partial redemption are submitted for conversion in part after such selection, such shares submitted for conversion shall be deemed (so far as may be possible) to be a portion of the shares selected for redemption.

(g) If the Redemption Date falls after a Record Date and before the related Dividend Payment Date, holders of the shares of Series I Preferred Stock at the close of business on that Record Date shall be entitled to receive the dividend payable on those shares on the corresponding Dividend Payment Date.

(h) If fewer than all the Outstanding shares of Series I Preferred Stock are to be redeemed, the number of shares to be redeemed shall be determined by the Board of Directors and the shares to be redeemed shall be selected by lot, on a pro rata basis (with any fractional shares being rounded to the nearest whole share), or by any other method as may be determined by the Board of Directors to be fair and appropriate.

(i) Upon surrender of a certificate or certificates representing shares of the Series I Preferred Stock that is or are redeemed in part, the Corporation shall execute, and the Transfer Agent shall authenticate and deliver to the holder, a new certificate or certificates representing shares of the Series I Preferred Stock in an amount equal to the unredeemed portion of the shares of Series I Preferred Stock surrendered for partial redemption.

(j) Notwithstanding the foregoing provisions of this Section 6, unless full cumulative dividends (whether or not declared) on all Outstanding shares of Series I Preferred Stock and Parity Stock have been paid or set apart for payment for all Dividend Periods terminating on or before the Redemption Date, none of the shares of Series I Preferred Stock shall be redeemed, and no sum shall be set aside for such redemption, unless pursuant to a purchase or exchange offer made on the same terms to all holders of Series I Preferred Stock and any Parity Stock.

#### Section 7. *Conversion.*

(a) *Right to Convert.* Each share of Series I Preferred Stock shall be convertible, only on or after the occurrence of the conversion triggering events described in Section 7(b), into a number of fully paid and non-assessable shares of Common Stock equal to the Conversion Rate in effect at such time. Notwithstanding the foregoing, if any shares of Series I Preferred Stock are to be redeemed pursuant to Section 6, such conversion right shall cease and terminate, as to the shares of the Series I Preferred Stock to be redeemed, at 5:00 p.m., New York City time, two Business Days immediately preceding the Redemption Date, unless the Corporation shall default in the payment of the Redemption Price therefor, as provided herein.

(b) A holder may surrender shares of Series I Preferred Stock for conversion into shares of Common Stock:

(i) if called for redemption pursuant to Section 6 hereof;

(ii) if the Corporation is a party to a Change of Control, in which case each share of Series I Preferred Stock may be surrendered for conversion at any time from and after the date that is 15 days prior to the anticipated effective date of the Change of Control until 15 days after the actual date of such Change of Control and, at such effective date, the right to convert the Series I Preferred Stock into shares of Common Stock shall be changed into a right to convert such Series I Preferred Stock into the kind and amount of cash, securities or other property of the Corporation or another Person that the holder would have received if the holder had converted such Series I Preferred Stock immediately prior to the transaction; or

(iii) during any fiscal quarter after the fiscal quarter ending December 31, 2004 (and only during such fiscal quarter) if the Closing Sale Price of Common Stock for at least 20 Trading Days in a period of 30 consecutive Trading Days ending on the last Trading Day of the immediately preceding fiscal quarter is more than 125% of the Conversion Price on such Trading Day. If this Closing Sale Price condition is not satisfied at the end of any fiscal quarter, then conversion pursuant to this Section 7(b)(iii) will not be permitted in the following fiscal quarter. The Company shall determine for each Trading Day during the 30 consecutive Trading Day period specified in this Section 7(b)(iii) whether the Closing Sale Price exceeds 125% of the Conversion Price and whether the Series I Preferred Stock shall be convertible as a result of the occurrence of the event set forth in this Section 7(b)(iii). Upon determination that holders of Series I Preferred Stock are or will be entitled to convert their Preferred Stock into Common Stock in accordance with the provisions of Section 7(b)(iii), the Company will mail a written notice to the holders thereof and issue a press release within five Business Days thereafter and publish such information on its website on the World Wide Web.

(c) *Conversion Procedures.* Conversion of shares of the Series I Preferred Stock may be effected by any holder thereof upon the surrender to the Corporation, at the principal office of the Corporation or at the office of the Conversion Agent as may be designated by the Board of Directors, of the certificate or certificates for such shares of the Series I Preferred Stock to be converted accompanied by a complete and manually signed Notice of Conversion (as set forth in the form of Series I Preferred Stock certificate attached hereto) along with (A) appropriate endorsements and transfer documents as required by the Registrar or Conversion Agent and (B) if required pursuant to Section 7(d), funds equal to the dividend payable on the next Dividend Payment Date. In case such Notice of Conversion shall specify a name or names other than that of such holder, such notice shall be accompanied by payment of all transfer taxes payable upon the issuance of shares of Common Stock in such name or names (or proof that no such taxes are payable). Other than such taxes, the Corporation shall pay any documentary, stamp or similar issue or transfer taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of the Series I Preferred Stock pursuant hereto. The conversion of the Series I Preferred Stock will be deemed to have been made as of the close of business on the date (the “*Conversion Date*”) such certificate or certificates have been surrendered and such Notice of Conversion received and all required transfer taxes, if any, paid (or the demonstration to the satisfaction of the Corporation that such taxes have been paid). Promptly (but no later than five Business Days) following the Conversion Date, the Corporation shall deliver or cause to be delivered (1) certificates representing the number of validly issued, fully paid and nonassessable full shares of Common Stock to which the holder of shares of the Series I Preferred Stock being converted (or such holder’s transferee) shall be entitled, free and clear of all liens and encumbrances, and (2) if less than the full number of shares of the Series I Preferred Stock evidenced by the surrendered certificate or certificates is being converted, a new certificate or certificates, of like tenor, for the number of shares evidenced by such surrendered certificate or certificates less the number of shares being converted. As of the close of business on the Conversion Date, the rights of the holder of the Series I Preferred Stock as to the shares being converted shall cease except for the right to receive shares of Common Stock and the Person entitled to receive the shares of Common Stock shall be treated for all purposes as having become the record holder of such shares of Common Stock at such time. Anything herein to the contrary notwithstanding, in the case of Global Preferred Shares, Notices of Conversion may be delivered to, and shares of the Series I Preferred Stock representing beneficial interests in respect of such Global Preferred Shares may be surrendered for conversion in accordance with the applicable procedures of, the Depositary as in effect from time to time.

(d) *Dividend and Other Payments Upon Conversion.* If a holder of shares of Series I Preferred Stock exercises conversion rights, such shares will cease to accumulate dividends as of the end of the day immediately preceding the Conversion Date. On conversion of the Series I Preferred Stock, except for conversion during the period from the close of business on any Record Date corresponding to a Dividend Payment Date to the close of business on the Business Day immediately preceding such Dividend Payment Date, in which case the holder on such Dividend Record Date shall receive the dividends payable on such Dividend Payment Date, accumulated and unpaid dividends on the converted shares of Series I Preferred Stock shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the holder thereof through delivery of the Common Stock (together with the cash payment, if any, in lieu of fractional shares) in exchange for the Series I Preferred Stock being converted

A-12

---

pursuant to the provisions hereof. Shares of the Series I Preferred Stock surrendered for conversion after the close of business on any Record Date for the payment of dividends declared and before the opening of business on the Dividend Payment Date corresponding to that Record Date must be accompanied by a payment to the Corporation in cash of an amount equal to the dividend payable in respect of those shares on such Dividend Payment Date; *provided* that a holder of shares of the Series I Preferred Stock on a Record Date who converts such shares into shares of Common Stock on the corresponding Dividend Payment Date shall be entitled to receive the dividend payable on such shares of the Series I Preferred Stock on such Dividend Payment Date, and such holder need not include payment to the Corporation of the amount of such dividend upon surrender of shares of the Series I Preferred Stock for conversion. Notwithstanding the foregoing, if shares of the Series I Preferred Stock are converted during the period between the close of business on any Record Date and the opening of business on the corresponding Dividend Payment Date and the Corporation has called such shares of the Series I Preferred Stock for redemption during such period, or the Corporation has designated a Change of Control Purchase Date during such period, then, in each case, the holder who tenders such shares for conversion shall receive the dividend payable on such Dividend Payment Date and need not include payment of the amount of such dividend upon surrender of shares of the Series I Preferred Stock for conversion.

(e) *Fractional Shares.* In connection with the conversion of any shares of the Series I Preferred Stock, no fractions of shares of Common Stock shall be issued, but the Corporation shall pay a cash adjustment in respect of any fractional interest in an amount equal to the fractional interest multiplied by the Closing Sale Price of the Common Stock on the Conversion Date, rounded to the nearest whole cent.

(f) *Total Shares.* If more than one share of the Series I Preferred Stock shall be surrendered for conversion by the same holder at the same time, the number of full shares of Common Stock issuable on conversion of those shares shall be computed on the basis of the total number of shares of the Series I Preferred Stock so surrendered.

(g) *Reservation of Shares; Compliance with Governmental Requirements; Listing of Common Stock; Shares to be Fully Paid.* The Corporation shall:

(i) at all times reserve and keep available, free from preemptive rights, for issuance upon the conversion of shares of the Series I Preferred Stock such number of its authorized but unissued shares of Common Stock as shall from time to time be sufficient to permit the conversion of all Outstanding shares of the Series I Preferred Stock;

(ii) prior to the delivery of any securities that the Corporation shall be obligated to deliver upon conversion of the Series I Preferred Stock, comply with all applicable federal and state laws and regulations that require action to be taken by the Corporation in connection with such delivery;

(iii) use its commercially reasonable best efforts to ensure that all shares of Common Stock delivered upon conversion of the Series I Preferred Stock will, upon delivery, be listed on the New York Stock Exchange (or such other national exchange, if any, on which the Common Stock is then listed); and

(iv) ensure that all shares of Common Stock delivered upon conversion of the Series I

A-13

---

Preferred Stock will, upon delivery, be duly and validly issued and fully paid and nonassessable, free of all liens and charges and not subject to any preemptive rights.

Section 8. *Conversion Rate Adjustments.* The Conversion Rate shall be adjusted from time to time by the Corporation in accordance with the provisions of this Section 8.

(a) If the Corporation shall hereafter pay a dividend or make a distribution to all holders of the outstanding Common Stock in shares of Common Stock, the Conversion Rate in effect at the opening of business on the date following the Record Date shall be increased by multiplying such Conversion Rate by a fraction,

(i) the numerator of which shall be the sum of the number of shares of Common Stock outstanding at the close of business on such Record Date and the total number of shares of Common Stock constituting such dividend or other distribution; and

(ii) the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on such Record Date.

Such increase shall become effective immediately after the opening of business on the day following such Record Date. If any dividend or distribution of the type described in this Section 8(a) is declared but not so paid or made, the Conversion Rate shall again be adjusted to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Corporation shall issue rights, options or warrants to all holders of any class of Common Stock entitling them (for a period expiring within forty-five (45) days after the Record Date) to subscribe for or purchase shares of Common Stock (or securities convertible into Common Stock) at a price per share (or having a conversion price per share) less than the Current Market Price on the Record Date, other than issuances that are subject to certain triggering events (until such time as such triggering events occur), the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to such Record Date by a fraction,

(i) the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on such Record Date plus the total number of additional shares of Common Stock so offered for subscription or purchase (or into which the convertible securities so offered are convertible); and

(ii) the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on such Record Date plus the number of shares which the aggregate offering price of the total number of shares so offered for subscription or purchase (or the aggregate conversion price of the convertible securities so offered) would purchase at such Current Market Price.

Such adjustment shall become effective immediately after the opening of business on the day following such Record Date. In determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of Common Stock at less than such Current Market Price, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the

A-14

---

Corporation for such rights, options or warrants and any amount payable on exercise or conversion thereof; the Fair Market Value of such consideration, if other than cash, to be determined by the Board of Directors, whose determination shall be conclusive.

(c) If the outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately increased, and conversely, in the event outstanding shares of Common Stock shall be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced; such increase or reduction, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective.

(d) If the Corporation shall, by dividend or otherwise, distribute to all holders of its Common Stock shares of any class of Capital Stock of the Corporation (other than any dividends or distributions to which Section 8(a) applies) or evidences of its indebtedness or assets (including securities, but excluding (i) any rights or warrants referred to in Section 8(b) or (ii) any dividend or distribution (x) paid exclusively in cash or (y) referred to in Section 8(a)) (any of the foregoing hereinafter referred to in this Section 8(d) as the "*Distributed Property*"), then, in each such case, the Conversion Rate shall be adjusted so that the same shall be equal to the rate determined by multiplying the Conversion Rate in effect on the Record Date with respect to such distribution by a fraction,

(i) the numerator of which shall be the Current Market Price on such Record Date; and

(ii) the denominator of which shall be the Current Market Price on such Record Date less the Fair Market Value (as determined by the Board of Directors, whose determination shall be conclusive, and described in a resolution of the Board of Directors) on such Record Date of the portion of the Distributed Property applicable to one share of Common Stock (determined on the basis of the number of shares of Common Stock outstanding on such Record Date).

Such adjustment shall become effective immediately prior to the opening of business on the day following such Record Date; *provided* that if the then Fair Market Value (as so determined by the Board of Directors) of the portion of the Distributed Property applicable to one share of Common Stock is equal to or greater than the Current Market Price on the Record Date, in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of Series I Preferred Stock shall have the right to receive upon conversion the amount of Distributed Property such holder would have received had such holder converted each share of its Series I Preferred Stock on the Record Date. To the extent that any of the Distributed Property is not distributed, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustment made been made on the basis of only the Distributed Property actually distributed. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. If the Board of Directors determines the Fair Market Value of any distribution for purposes of this Section 8(d) by

reference to the trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the Current Market Price on the applicable Record Date.

Rights or warrants distributed by the Corporation to all holders of Common Stock entitling the holders thereof to subscribe for or purchase shares of the Corporation's Capital Stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events ("*Trigger Event*"): (i) are deemed to be transferred with such shares of Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of Common Stock, shall be deemed not to have been distributed for purposes of this Section 8(d) (and no adjustment to the Conversion Rate under this Section 8(d) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 8(d). If any such right or warrant, including any such existing rights or warrants distributed prior to the date of this Certificate, are subject to events, upon the occurrence of which such rights or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and record date with respect to new rights or warrants with such rights (and a termination or expiration of the existing rights or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 8(d) was made, (1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights or warrants that shall have expired or been terminated without exercise thereof, the Conversion Rate shall be readjusted as if such expired or terminated rights and warrants had not been issued.

For purposes of Section 8(a), Section 8(b) and this Section 8(d), any dividend or distribution to which this Section 8(d) is applicable that also includes shares of Common Stock, or rights or warrants to subscribe for or purchase shares of Common Stock (or both), shall be deemed instead to be (1) a dividend or distribution of the evidences of indebtedness, assets or shares of Capital Stock other than such shares of Common Stock or rights or warrants, as to which any Conversion Rate adjustment required by this Section 8(d) with respect to such dividend or distribution shall then be made, immediately followed by (2) a dividend or distribution of such shares of Common Stock or such rights or warrants, as to which any further Conversion Rate adjustment required by Sections 8(a) and 8(b) with respect to such dividend or distribution shall then be made, except any shares of Common Stock included in such dividend or distribution shall not be deemed "outstanding at the close of business on such Record Date" within the meaning of Sections 8(a) and 8(b).

(e) If the Corporation shall, by dividend or otherwise, distribute to all holders of its Common Stock cash, excluding (i) any dividend or distribution in connection with the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, and (ii) any quarterly cash dividend on its Common Stock to the extent that the aggregate amount of cash distributions per share of Common Stock in any quarter does not exceed \$0.65 (the "*Dividend Threshold Amount*"), then, in such case, the Conversion Rate shall be increased so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on such Record Date by a fraction,

(i) the numerator of which shall be the Current Market Price on such Record Date less the Dividend Threshold Amount (as such Dividend Threshold Amount may be adjusted pursuant to this Section 8(e)); and

(ii) the denominator of which shall be the Current Market Price on such Record Date less the amount of cash so distributed applicable to one share of Common Stock.

Such adjustment shall be effective immediately prior to the opening of business on the day following the Record Date; *provided* that if the portion of the cash so distributed applicable to one share of Common Stock is equal to or greater than the Current Market Price on the Record Date, in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of Series I Preferred Stock shall have the right to receive upon conversion the amount of cash such holder would have received had such holder converted each share of Series I Preferred Stock on the Record Date. To the extent that such dividend or distribution is not made, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustment made been made on the basis of only the dividend or distribution actually made. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. The Dividend Threshold Amount shall be adjusted inversely proportional to the adjustments to the Conversion Rate made pursuant to Sections 8(a), (b), (c) and (d) hereof. Notwithstanding the foregoing, the Conversion Rate after giving effect to any adjustments under this Section 8(e) shall not exceed 0.9787 (as such number may be adjusted on a proportional basis of the Conversion Rate, other than any adjustment pursuant to this Section 8(e)).

(f) The Corporation may make such increases in the Conversion Rate in addition to those required by this Section 8 as the Board of Directors considers to be advisable to avoid or diminish any income tax to holders of Common Stock or rights to purchase Common Stock resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes. To the extent permitted by applicable law, the Corporation from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least 20 days and the increase is irrevocable during the period and the Board of Directors determines in good faith that such increase would be in the best interest of the Corporation. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Corporation shall mail to each holder of the Series I Preferred Stock at the address of such holder as it appears in the stock register a notice of the increase at least 15 days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(g) No adjustment in the Conversion Rate (other than any adjustment pursuant to Section 8(e) above) shall be required unless such adjustment would require an increase or decrease of at least one percent (1%) in the Conversion Rate then in effect; *provided, however*, that any adjustments that by reason of this Section 8(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 8 shall be made by the Corporation and shall be made to the nearest cent or to the nearest one-ten thousandth (1/10,000) of a share, as the case may be. No adjustment need be made for rights to purchase Common Stock pursuant to a Corporation plan for reinvestment of dividends or interest or, except as set forth in this Section 8, for any issuance of Common Stock or securities convertible, exercisable or exchangeable into Common Stock. To the extent the Series I Preferred Stock becomes convertible into cash, assets, property or securities (other than Capital Stock of the Corporation), subject to Section 9, no adjustment need be made thereafter to the Conversion Rate. Interest will not accrue on any cash into which the Series I Preferred Stock may be convertible.

(h) Whenever the Conversion Rate is adjusted as herein provided, the Corporation shall promptly file with the Conversion Agent an Officer's certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a responsible officer of the Conversion Agent shall have received such Officer's certificate, the Conversion Agent shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Corporation shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall mail such notice of such adjustment of the Conversion Rate to each holder of Series I Preferred Stock at its last address appearing in the stock register within twenty (20) days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(i) For purposes of this Section 8, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Corporation (but the issuance of shares held in treasury shall be deemed to be an issuance for purposes of this Section 8), unless such treasury shares participate in any distribution or dividend that requires an adjustment pursuant to this Section 8, but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

#### Section 9. *Effect of Reclassification, Consolidation, Merger or Sale on Conversion Privilege.*

(a) If any of (i) any reclassification (other than a change in par value, or from par value to no par value, or from no par value to par value, and other than a subdivision or combination to which Section 8(c) applies) of the outstanding shares of Common Stock, (ii) any consolidation, merger or combination of the Corporation with another Person, in each case as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such Common Stock, or (iii) any sale or conveyance of all or substantially all of the properties and assets of the Corporation to any other Person as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such Common Stock, then each share of Series I Preferred Stock

shall be convertible into the kind and amount of shares of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance by a holder of a number of shares of Common Stock issuable upon conversion of such Series I Preferred Stock immediately prior to such reclassification, change, consolidation, merger, combination, sale or conveyance assuming such holder of Common Stock did not exercise his rights of election, if any, as to the kind or amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance (provided that, if the kind or amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance is not the same for each share of Common Stock in respect of which such rights of election shall not have been exercised ("*non-electing share*"), then for the purposes of this Section 9 the kind and amount of stock, other securities or other property or assets (including cash) receivable upon such reclassification, change, consolidation, merger, combination, sale or conveyance for each non-electing share shall be deemed to be the kind and amount so receivable per share by a plurality of the non-electing shares).

(b) The Corporation shall cause notice of the application of this Section 9 to be delivered to each holder of the Series I Preferred Stock at the address of such holder as it appears in the stock register within twenty (20) days after the occurrence of any of the events specified in Section 9(a) and shall issue a press release containing such information and publish such information on its web site on the World Wide Web. Failure to deliver such notice shall not affect the legality or validity of any conversion right pursuant to this Section 9.

(c) The above provisions of this Section 9 shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales and conveyances, and the provisions of Section 8 shall apply to any shares of Capital Stock received by the holders of Common Stock in any such reclassification, change, consolidation, merger, combination, sale or conveyance; *provided* that if this Section 9 applies to any event or occurrence, Section 8 shall not apply to such event or occurrence.

Section 10. *Rights Issued in Respect of Common Stock Issued Upon Conversion.* Each share of Common Stock issued upon conversion of the Series I Preferred Stock shall be entitled to receive the appropriate number of common stock or preferred stock purchase rights, as the case may be, if any, that shares of Common Stock are entitled to receive and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any shareholder rights agreement adopted by the Corporation, as the same may be amended from time to time.

#### Section 11. *Change of Control.*

(a) *Repurchase Right.* If there shall occur a Change of Control, shares of Series I Preferred Stock shall be purchased, subject to satisfaction by or on behalf of any holder of the requirements set forth in Section 11(c), by the Corporation at the option of the holders thereof as of the date specified by the Corporation (the "*Change of Control Purchase Date*") that is not less than 30 calendar days nor more than 60 calendar days after the mailing of written notice of the Change of Control pursuant to Section 11(b) below. The Purchase Price shall be paid in cash.

A-19

---

(b) *Notice to Holders.* As promptly as practicable thereafter but not later than 20 days after the occurrence of a Change of Control, the Corporation shall mail a written notice of the Change of Control to each holder, issue a press release containing such notice and publish such notice on its web site on the World Wide Web. The Corporation shall also deliver a copy of the notice to the Transfer Agent. The notice shall include the form of a Change of Control Purchase Notice (as defined in Section 11(c) below) to be completed by the holder and shall state:

- (i) the date of such Change of Control and, briefly, the events causing such Change of Control;
- (ii) the date by which the Change of Control Purchase Notice pursuant to this Section must be given;
- (iii) the Change of Control Purchase Date;
- (iv) the name and address of each Paying Agent and Conversion Agent;
- (v) the Conversion Rate and any adjustments thereto;
- (vi) that Series I Preferred Stock as to which a Change of Control Purchase Notice has been given may not thereafter be converted into Common Stock; and
- (vii) the procedures that the holder of Series I Preferred Stock must follow to exercise rights under this Section 11.

If any of the Series I Preferred Stock is in the form of Global Preferred Shares, then the Corporation shall modify such notice to the extent necessary to accord with the procedures of the Depositary applicable to the purchase of Global Preferred Shares.

(c) *Conditions to Purchase.*

(i) A holder of shares of Series I Preferred Stock may exercise its rights specified in Section 11(a) upon delivery of a written notice (which shall be in substantially the form included as Exhibit B to this Certificate and which may be delivered by letter, overnight courier, hand delivery, facsimile transmission or in any other written form and, in the case of Global Preferred Shares, may be delivered electronically or by other means in accordance with the Depositary's customary procedures) of the exercise of such rights (a "*Change of Control Purchase Notice*") to the Transfer Agent at any time prior to the close of business on the Business Day immediately before the Change of Control Purchase Date. The Transfer Agent shall promptly notify the Corporation of the receipt of any Change of Control Purchase Notice.

(ii) The delivery of such shares of Series I Preferred Stock to be purchased by the Corporation to the Transfer Agent (together with all necessary endorsements) at the office of the Transfer Agent, or the book-entry transfer of such shares, shall be a condition to the receipt by the holder of the Purchase Price.

(iii) Any purchase by the Corporation contemplated pursuant to the provisions of this Section 11(c) shall be consummated by the delivery of the consideration to be received by

A-20

the holder promptly following the later of the Change of Control Purchase Date and the time of delivery of such shares of Series I Preferred Stock to the Transfer Agent in accordance with this Section 11(c).

(d) *Global Preferred Shares.* Anything herein to the contrary notwithstanding, in the case of Global Preferred Shares, any Change of Control Purchase Notice may be delivered, and the shares of Series I Preferred Stock in respect of such Global Preferred Shares may be surrendered or delivered for purchase, in accordance with the applicable procedures of the Depositary as in effect from time to time.

(e) *Effect of Change of Control Purchase Notice.* Upon receipt by the Transfer Agent of the Change of Control Purchase Notice, the holder of the shares of Series I Preferred Stock in respect of which such Change of Control Purchase Notice was given shall thereafter be entitled to receive the Purchase Price with respect to such shares of Series I Preferred Stock, subject to 11(c) hereof. Such Purchase Price shall be paid to such holder promptly on the later of (a) the Change of Control Purchase Date with respect to such shares of Series I Preferred Stock or (b) the time of delivery of such shares of Series I Preferred Stock to the Transfer Agent by the holder thereof in the manner required by this Section 11. Shares of Series I Preferred Stock in respect of which a Change of Control Purchase Notice has been given by the holder thereof may not be converted into Common Stock on or after the date of the delivery of such Change of Control Purchase Notice

(f) *Deposit of Purchase Price.* Prior to 11:00 a.m. (New York City time) on the Change of Control Purchase Date, the Corporation shall deposit with the Paying Agent an amount of cash (in immediately available funds if deposited on such Business Day) sufficient to pay the aggregate Purchase Price of all shares of Series I Preferred Stock or portions thereof which are to be purchased as of the Change of Control Purchase Date. The manner in which the deposit required by this Section 11(f) is made by the Corporation shall be at the option of the Corporation, *provided, however*, that such deposit shall be made in a manner such that the Paying Agent shall have immediately available funds on the Change of Control Purchase Date. If the Paying Agent holds, on the Business Day following the Change of Control Purchase Date, cash sufficient to pay the Purchase Price of any shares of Series I Preferred Stock for which a Change of Control Purchase Notice has been tendered then, immediately after such Change of Control Purchase Date, such shares of Series I Preferred Stock will cease to be Outstanding, dividends will cease to accrue and all other rights of the holder in respect thereof shall terminate (other than the right to receive the Purchase Price as aforesaid).

(g) *Series I Preferred Stock Purchased in Part.* Upon surrender of a certificate or certificates representing shares of the Series I Preferred Stock that is or are purchased in part, the Corporation shall execute, and the Transfer Agent shall authenticate and deliver to the holder, a new certificate or certificates representing shares of the Series I Preferred Stock in an amount equal to the unpurchased portion of the shares of Series I Preferred Stock surrendered for partial purchase.

(h) *Repayment to the Corporation.* The Paying Agent shall return to the Corporation any cash that remains unclaimed for two years, subject to applicable unclaimed property law, together with interest, if any, thereon held by the Paying Agent for the payment of the Change of Control Purchase Price; *provided, however*, that to the extent that the aggregate amount of

cash deposited by the Corporation pursuant to this Section 11 exceeds the aggregate Purchase Price of the Series I Preferred Stock or portions thereof which the Corporation is obligated to purchase as of the Change of Control Purchase Date, then on the Business Day following the Change of Control Purchase Date, the Paying Agent shall return any such excess to the Corporation. Thereafter, any holder entitled to payment must look to the Corporation for payment as general creditors, unless an applicable abandoned property law designates another Person.

(i) The Corporation shall comply with any applicable provisions of Rule 13e-4 and any other tender offer rules under the Exchange Act (including, without limitation, any filing on Schedule TO or any other schedule) to the extent then applicable in connection with the repurchase rights of the holders of the Series I Preferred Stock pursuant to this Section 11.

#### Section 12. *Voting Rights.*

(a) The holders of record of shares of the Series I Preferred Stock shall not be entitled to any voting rights except as hereinafter provided in this Section 12, as otherwise provided in the Charter, or as otherwise provided by law.

(b) The affirmative vote of holders of at least two-thirds of the outstanding shares of the Series I Preferred Stock, voting as a single class in person or by proxy, at an annual meeting of the Corporation's stockholders or at a special meeting called for the purpose, or by written consent in lieu of such a meeting, shall be required to alter, repeal or amend any provisions of the Charter or this Certificate, whether by merger, consolidation, combination, reclassification or otherwise (an "Event"), if the amendment would materially and adversely affect the rights, powers, or preferences of the holders of Series I Preferred Stock; *provided, however*, that (i) an Event will not be deemed to materially and adversely affect such rights, powers or preferences, in each such case, where each share of Series I Preferred Stock remains outstanding without a material change to its terms and rights or is converted into or exchanged for preferred stock of the surviving entity having preferences, conversion and other rights, privileges, voting powers, restrictions, limitations and terms or conditions of redemption thereof identical to that of a share of Series I Preferred Stock, (ii) any increase in the amount of the authorized Common Stock or currently authorized Parity Stock or the creation and issuance of any class or series of Common Stock, other Junior Stock or Parity Stock will not be deemed to materially and adversely affect such rights, powers or preferences; and (iii) the creation of, or increase in the authorized number of, shares of any class or series of Senior Stock shall be deemed to materially and adversely affect such rights, powers and preferences.

(c) If at any time (1) dividends on any shares of Series I Preferred Stock or any other class or series of Parity Stock having like voting rights shall be in arrears for Dividend Periods, whether or not consecutive, containing in the aggregate a number of days equivalent to six calendar quarters or (2) the Corporation shall have failed to pay the Redemption Price when due or the Purchase Price when due, then, in each case, the holders of shares of Series I Preferred Stock (voting separately as a class with all other series of Preferred Stock upon which like voting rights have been conferred and are exercisable) will be entitled to elect two of the authorized number of the Corporation's directors (each, a "Series I Preferred Stock Director") at the next annual meeting of stockholders (or at a special meeting of the Corporation's stockholders called for such purpose, whichever is earlier) and each subsequent

meeting until the Redemption Price, Purchase Price or all dividends accumulated on the Series I Preferred Stock have been fully paid or set aside for payment. Each Series I Preferred Stock Director shall be in addition to the number of directors constituting the Board of Directors immediately prior to the vesting of such right, and the Board of Directors shall take all necessary action to so expand the Board of Directors and cause the election of each Series I Preferred Stock Director. The term of office of such Series I Preferred Stock Directors will terminate immediately upon the termination of the right of the holders of Series I Preferred Stock and such other Preferred Stock to vote for directors. Each holder of shares of the Series I Preferred Stock will have one vote for each share of Series I Preferred Stock held. At any time after voting power to elect directors shall have become vested and be continuing in the holders of the Series I Preferred Stock pursuant to this Section 12(c), or if a vacancy shall exist in the office of any Series I Preferred Stock Director, the Board of Directors may, and upon written request of the holders of record of at least 25% of the Outstanding Series I Preferred Stock addressed to the Chairman of the Board of Directors shall, call a special meeting of the holders of the Series I Preferred Stock (voting separately as a class with all other series of Preferred Stock upon which like voting rights have been conferred and are exercisable) for the purpose of electing the Series I Preferred Stock Director that such holders are entitled to elect. At any meeting held for the purpose of electing a Series I Preferred Stock Director, the presence in person or by proxy of the holders of at least a majority of the Outstanding Series I Preferred Stock shall be required to constitute a quorum of such Series I Preferred Stock. At any time after voting power to elect directors shall have become vested and be continuing in the holders of the Series I Preferred Stock pursuant to this Section 12(c), any vacancy occurring in the office of a Series I Preferred Stock Director may be filled by the remaining Series I Preferred Stock Director unless and until such vacancy shall be filled by the holders of the Series I Preferred Stock and all other Preferred Stock having like voting rights, as provided above. The Series I Preferred Stock Directors shall agree, prior to their election to office, to resign upon any termination of the right of the holders of Series I Preferred Stock and other Preferred Stock having like voting rights to vote as a class for Series I Preferred Stock Directors as herein provided, and upon such termination, the Series I Preferred Stock Directors then in office shall forthwith resign.

Section 13. *Restrictions On Ownership.* The shares of Series I Preferred Stock shall be subject to the restrictions on transfer set forth in Article Ninth of the Charter of the Corporation. Any transfer or attempted transfer in violation of the provisions of this Section 13 shall be null and void.

Section 14. *Transfer Agent and Registrar.* The duly appointed Transfer Agent (the "Transfer Agent") and Registrar (the "Registrar") for the Series I Preferred Stock shall be Mellon Investor Services LLC. The Corporation may, in its sole discretion, remove the Transfer Agent in accordance with the agreement between the Corporation and the Transfer Agent; *provided* that the Corporation shall appoint a successor transfer agent who shall accept such appointment prior to the effectiveness of such removal.

Section 15. *Currency.* All shares of Series I Preferred Stock shall be denominated in U.S. currency, and all payments and distributions thereon or with respect thereto shall be made in U.S. currency. All references herein to "\$" or "dollars" refer to U.S. currency.

Section 16. *Form.* The Series I Preferred Stock may be issued in the form of one or more

permanent global shares of Series I Preferred Stock (each, a “*Global Preferred Share*”) in definitive, fully registered form with the global legend (the “*Global Shares Legend*”) as set forth on the form of Series I Preferred Stock certificate attached hereto as Exhibit A, which is hereby incorporated in and expressly made a part of this Certificate, in book-entry form maintained by the Registrar or as certificated shares of Series I Preferred Stock in registered form. Any Global Preferred Shares may have notations, legends or endorsements required by law, stock exchange rules, agreements to which the Corporation is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Corporation). Any Global Preferred Shares, if issued, shall be deposited on behalf of the holders of the Series I Preferred Stock represented thereby with the Registrar, at its New York office, as custodian for the Depositary, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Corporation and countersigned and registered by the Registrar as hereinafter provided. The aggregate number of shares represented by any Global Preferred Share may from time to time be increased or decreased by adjustments made on the records of the Registrar and the Depositary or its nominee as hereinafter provided. This Section and Exhibit A shall apply only to a Global Preferred Share deposited with or on behalf of the Depositary. To the extent any Series I Preferred Stock is issued in the form of one or more Global Preferred Shares, the Corporation shall execute and the Registrar shall, in accordance with this Section 16, countersign and deliver initially one or more Global Preferred Shares that (i) shall be registered in the name of Cede & Co. or other nominee of the Depositary and (ii) shall be delivered by the Registrar to Cede & Co. or pursuant to instructions received from Cede & Co. or held by the Registrar as custodian for the Depositary pursuant to an agreement between the Depositary and the Registrar. Members of, or participants in, the Depositary (“*Agent Members*”) shall have no rights under this Certificate, with respect to any Global Preferred Share held on their behalf by the Depositary or by the Registrar as the custodian of the Depositary, or under such Global Preferred Share, and the Depositary may be treated by the Corporation, the Registrar and any agent of the Corporation or the Registrar as the absolute owner of such Global Preferred Share for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Corporation, the Registrar or any agent of the Corporation or the Registrar from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of the Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Preferred Share. Owners of beneficial interests in Global Preferred Shares, if any, shall not be entitled to receive physical delivery of certificated shares of Series I Preferred Stock, unless (x) DTC is unwilling or unable to continue as Depositary for the Global Preferred Shares and the Corporation does not appoint a qualified replacement for DTC within 90 days, (y) DTC ceases to be a “clearing agency” registered under the Exchange Act or (z) the Corporation decides to discontinue the use of book-entry transfer through DTC (or any successor Depositary). In any such case, any Global Preferred Shares shall be exchanged in whole for certificated shares of Series I Preferred Stock in registered form, with the same terms and of an equal aggregate Liquidation Preference. Certificated shares of Series I Preferred Stock so issued shall be registered in the name or names of the Person or Persons specified by DTC in a written instrument to the Registrar.

(i) An Officer shall sign any Global Preferred Shares for the Corporation, in accordance with the Corporation’s bylaws and applicable law, by manual or facsimile signature.

(ii) If an Officer whose signature is on a Global Preferred Share no longer holds that office at the time the Transfer Agent authenticates such Global Preferred Share, such Global Preferred Share shall be valid nevertheless.

(iii) A Global Preferred Share shall not be valid until an authorized signatory of the Transfer Agent manually countersigns such Global Preferred Share. The signature shall be conclusive evidence that such Global Preferred Share has been authenticated under this Certificate. Each Global Preferred Share shall be dated the date of its authentication.

#### Section 17. *Paying Agent and Conversion Agent.*

(a) The Corporation shall maintain in the Borough of Manhattan, City of New York, State of New York (i) an office or agency where Series I Preferred Stock may be presented for payment (the “*Paying Agent*”) and (ii) an office or agency where Series I Preferred Stock may be presented for conversion (the “*Conversion Agent*”). The Transfer Agent shall act as Paying Agent and Conversion Agent, unless another Paying Agent or Conversion Agent is appointed by the Corporation. The Corporation may appoint the Registrar, the Paying Agent and the Conversion Agent and may appoint one or more additional paying agents and one or more additional conversion agents in such other locations as it shall determine. The term “*Paying Agent*” includes any additional paying agent and the term “*Conversion Agent*” includes any additional conversion agent. The Corporation may change any Paying Agent or Conversion Agent without prior notice to any holder. The Corporation shall notify the Registrar of the name and address of any Paying Agent or Conversion Agent appointed by the Corporation. If the Corporation fails to appoint or maintain another entity as Paying Agent or Conversion Agent, the Registrar shall act as such. The Corporation or any of its Affiliates may act as Paying Agent, Registrar or Conversion Agent.

(b) Payments due on the Series I Preferred Stock shall be payable at the office or agency of the Corporation maintained for such purpose in The City of New York and at any other office or agency maintained by the Corporation for such purpose. Payments shall be payable by U.S. dollar check drawn on, or wire transfer ( *provided* that appropriate wire instructions have been received by the Registrar at least 15 days prior to the applicable date of payment) to a U.S. dollar account maintained by the holder with, a bank located in New York City; *provided* that at the option of the Corporation, payment of dividends may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Series I Preferred Stock register. Notwithstanding the foregoing, payments due in respect of beneficial interests in the Global Preferred Shares shall be payable by wire transfer of immediately available funds in accordance with the procedures of the Depositary.

Section 18. *Headings.* The headings of the Sections of this Certificate are for convenience of reference only and shall not define, limit or affect any of the provisions hereof.

Pursuant to Section 151 of the General  
Corporation Law of the State of Delaware

The following resolutions were duly adopted by the Board of Directors (the "Board of Directors") of Simon Property Group, Inc., a Delaware corporation (the "Corporation"), pursuant to the provisions of Section 151 of the General Corporation Law of the State of Delaware:

**WHEREAS**, the Board of Directors of the Corporation is authorized, within the limitations and restrictions stated in the Restated Certificate of Incorporation of the Corporation, as amended from time to time (the "Charter"), to provide by resolution or resolutions for the issuance of shares of preferred stock of the Corporation, in one or more series with such voting powers, full or limited, or no voting powers, and such preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as shall be stated in such resolution or resolutions providing for the issue of such series of preferred stock as may be adopted from time to time by the Board of Directors;

**WHEREAS**, the Board of Directors of the Corporation has determined that it is in the best interests of the Corporation and its stockholders to designate a new series of preferred stock of the Corporation; and

**WHEREAS**, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid, to authorize and fix the terms of a series of preferred stock and the number of shares constituting such series;

**NOW, THEREFORE, BE IT RESOLVED**, that, pursuant to Article Fourth of the Charter of the Corporation (which authorizes 100,000,000 shares of Preferred Stock, par value \$0.0001 per share (the “*Preferred Stock*”)) and the authority conferred on the Board of Directors, the Board of Directors hereby fixes the powers, designations, preferences and relative, participating, optional and other special rights, and the qualifications, limitations and restrictions, of a new series of Preferred Stock; and be it further

**RESOLVED**, that each share of such new series of Preferred Stock shall rank equally in all respects and shall be subject to the following provisions:

Section 1. *Designation*. The series of Preferred Stock is hereby designated as the “8<sup>3</sup>/<sub>2</sub>% Series J Cumulative Redeemable Preferred Stock” (the “*Series J Preferred Stock*”).

Section 2. *Number*. The total number of authorized shares of the Series J Preferred Stock shall be 1,000,000.

---

Section 3. *Relative Seniority*. In respect of rights to receive dividends and to participate in distributions of payments in the event of any liquidation, dissolution or winding up of the Corporation, the Series J Preferred Stock shall rank (i) senior to the Common Stock, the Class B Common Stock and the Class C Common Stock and any other class or series of shares of the Corporation which, by their terms rank junior to the Series J Preferred Stock (collectively, “*Junior Shares*”), (ii) on a parity with all other shares of Preferred Stock of the Corporation which are not by their terms Junior Shares or Senior Shares, and (iii) junior to any shares of Preferred Stock which by their terms rank senior to the Series J Preferred Stock (collectively, “*Senior Shares*”) and were issued in accordance with Section 7 below.

Section 4. *Dividends*.

(a) The holders of the then outstanding Series J Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors out of any funds legally available therefor, cumulative dividends at the rate of \$4.1875 per share per year, payable in arrears in equal amounts of \$1.046875 per share quarterly in cash on the last day of each March, June, September and December or, if not a Business Day (as hereinafter defined), the next succeeding Business Day (each such day being hereafter called a “Quarterly Dividend Date” and each period ending on the calendar day preceding a Quarterly Dividend Date being hereinafter called a “*Dividend Period*”). Dividends shall accumulate from October 14, 2004, with the first dividends to be paid on December 31, 2004. Dividends shall be payable to holders of record as they appear in the share records of the Corporation at the close of business on the applicable record date (a “*Record Date*”), which shall be the 15th day of the calendar month in which the applicable Quarterly Dividend Date falls on or such other date designated by the Board of Directors of the Corporation for the payment of dividends that is not more than 30 nor less than 10 days prior to such Quarterly Dividend Date. The amount of any dividend payable for any Dividend Period shorter than a full Dividend Period shall be computed on the basis of a 360-day year of twelve 30-day months. “*Business Day*” shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to close.

(b) The amount of any dividends accumulated on any Series J Preferred Stock at any Quarterly Dividend Date shall be the amount of any unpaid dividends accumulated thereon to but excluding such Quarterly Dividend Date and the amount of dividends accumulated on any shares of Series J Preferred Stock at any date other than a Quarterly Dividend Date shall be equal to the sum of the amount of any unpaid dividends accumulated thereon to but excluding the last preceding Quarterly Dividend Date, plus an amount calculated on the basis of the annual dividend rate of \$4.1875 per share for the period after such last preceding Quarterly Dividend Date to and including the date as of which the calculation is made based on a 360-day year of twelve 30-day months. Dividends on the Series J Preferred Stock will accumulate whether or not the Corporation has earnings, whether or not there are funds legally available for the payment of such dividends and whether or not such dividends are authorized or declared.

(c) Except as otherwise expressly provided herein, the Series J Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends as described above and shall

B-2

---

not be entitled to participate in the earnings or assets of the Corporation, and no interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series J Preferred Stock which may be in arrears.

(d) Any dividend payment made on the Series J Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to such shares which remains payable.

(e) If, for any taxable year, the Corporation elects to designate as “*capital gain dividends*” (as defined in and permitted pursuant to Section 857 of the Internal Revenue Code of 1986, as amended (the “*Code*”)), any portion (the “*Capital Gains Amount*”) of the dividends paid or made available for the year to holders of all classes of shares (the “*Total Dividends*”), then the portion of the Capital Gains Amount that shall be allocated to the holders of the Series J Preferred Stock shall equal (i) the Capital Gains Amount multiplied by (ii) a fraction that is equal to (a) the total dividends paid or made available to the holders of the Series J Preferred Stock for the year over (b) the Total Dividends.

(f) No dividends on the Series J Preferred Stock shall be authorized by the Board of Directors of the Corporation or be paid or set apart for payment by the Corporation at such time as the terms and provisions of any agreement of the Corporation, including any agreement relating to its indebtedness, prohibits such authorization, payment or setting apart for payment or provides that such authorization, payment or setting apart for payment would constitute a breach thereof or a default thereunder, or if such authorization or payment shall be restricted or prohibited by law.

(g) No dividends will be declared or paid or set apart for payment on any capital stock of the Corporation ranking, as to dividends, on a parity with or junior to the Series J Preferred Stock for any period unless full cumulative dividends have been or contemporaneously are declared and paid or

declared and a sum sufficient for the payment therefor set apart for such payment on the Series J Preferred Stock for all past Dividend Periods and the then current Dividend Period. When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series J Preferred Stock and the shares of any other series of Preferred Stock ranking on a parity as to dividends with the Series J Preferred Stock, all dividends declared on the Series J Preferred Stock and any other series of Preferred Stock ranking on a parity as to dividends with the Series J Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of Series J Preferred Stock and such other series of Preferred Stock shall in all cases bear to each other the same ratio that accumulated dividends per Series J Preferred Stock and such other series of Preferred Stock bear to each other.

(h) Except as provided in subparagraph (g), unless full cumulative dividends on the Series J Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment therefor set apart for such payment on the Series J Preferred Stock for all past Dividend Periods and the then current Dividend Period, no dividends (other than in Junior Shares) shall be declared or paid or set aside for payment nor shall any other distribution be declared or made upon the Junior Shares or any other capital stock of the Corporation ranking on a parity with the Series J Preferred Stock as to dividends or upon liquidation, nor shall any Junior Shares or any other capital stock of the Corporation

ranking on a parity with the Series J Preferred Stock as to dividends or upon liquidation be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid or made available for a sinking fund for the redemption of such shares) by the Corporation (except by conversion into or exchange for other Junior Shares).

#### Section 5. *Liquidation Rights.*

(a) Upon the voluntary or involuntary dissolution, liquidation or winding up of the Corporation (a "*liquidation*"), the holders of the Series J Preferred Stock then outstanding shall be entitled to receive in cash or property (at its fair market value determined by the Corporation's Board of Directors) and to be paid out of the assets of the Corporation legally available for distribution to its shareholders, before any payment or distribution shall be made on any Junior Shares, the amount of \$50.00 per share, plus accumulated and unpaid dividends, if any, thereon to and including the date of liquidation.

(b) After the payment to the holders of the Series J Preferred Stock of the full liquidation amounts provided for in paragraph (a), the holders of the Series J Preferred Stock, as such, shall have no right or claim to any of the remaining assets of the Corporation.

(c) If, upon any voluntary or involuntary dissolution, liquidation, or winding up of the Corporation, the amounts payable with respect to the preference distributions on the Series J Preferred Stock and the shares of each other series of Preferred Stock of the Corporation ranking, as to liquidation rights, on a parity with the Series J Preferred Stock are not paid in full, the holders of the Series J Preferred Stock and any other shares of Preferred Stock of the Corporation ranking, as to liquidation rights, on a parity with the Series J Preferred Stock shall share ratably in any such distribution of assets of the Corporation in proportion to the full respective preference amounts to which they would otherwise be respectively entitled.

(d) Neither the sale, lease, transfer or conveyance of all or substantially all of the property or business of the Corporation, nor the merger or consolidation of the Corporation into or with any other entity or the merger or consolidation of any other entity into or with the Corporation, shall be deemed to be a dissolution, liquidation or winding up, voluntary or involuntary, for the purposes of this Section 5.

#### Section 6. *Redemption.*

(a) *Optional Redemption.* On and after October 15, 2027, the Corporation may, at its option (subject to the provisions of this Section 6), redeem at any time all or, from time to time, part of the Series J Preferred Stock at a price per share (the "*Redemption Price*"), payable in cash, of \$50.00 per share, together with all accumulated and unpaid dividends, if any, to and including the date fixed for redemption (the "*Redemption Date*"), without interest, to the extent the Corporation has funds legally available therefor. The Series J Preferred Stock have no stated maturity and will not be subject to any sinking fund or mandatory redemption provisions, except as provided for in Section 9 below.

#### (b) *Procedures For Redemption.*

(1) Notice of redemption will be given by publication in a newspaper of general circulation in The City of New York, such publication to be made once a week for two

---

successive weeks commencing not less than 30 nor more than 60 days prior to the Redemption Date. Notice of any redemption furnished by the Corporation will also be mailed by the registrar, postage prepaid, not less than 30 nor more than 60 days prior to the Redemption Date, addressed to each holder of record of the Series J Preferred Stock to be redeemed at the address set forth in the share transfer records of the registrar. No failure to give such notice or any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any Series J Preferred Stock except as to the holder to whom the Corporation has failed to give notice or except as to the holder to whom notice was defective. In addition to any information required by law or by the applicable rules of any exchange upon which Series J Preferred Stock may be listed or admitted to trading, such notice shall state: (a) the Redemption Date; (b) the Redemption Price; (c) the number of Series J Preferred Stock to be redeemed; (d) the place or places where certificates for the Series J Preferred Stock to be redeemed are to be surrendered for payment of the Redemption Price; and (e) that dividends on the Series J Preferred Stock to be redeemed will cease to accumulate on the Redemption Date.

(2) If notice has been mailed in accordance with Section 6(b)(1) above and provided that on or before the Redemption Date specified in such notice all funds necessary for such redemption shall have been irrevocably set aside by the Corporation, separate and apart from its other funds, in trust for the pro rata benefit of the holders of the Series J Preferred Stock so called for redemption, so as to be, and to continue to be available therefor, then, from and after the Redemption Date, dividends on the Series J Preferred Stock so called for redemption shall cease to accumulate, and said shares shall no longer be deemed to be outstanding and shall not have the status of Series J Preferred Stock and all rights of the holders thereof as shareholders of the Corporation (except the right to receive the Redemption Price) shall cease. Upon surrender, in accordance with such

notice, of the certificates for any Series J Preferred Stock so redeemed (properly endorsed or assigned for transfer, if the Corporation shall so require and the notice shall so state), such Series J Preferred Stock shall be redeemed by the Corporation at the Redemption Price. In case fewer than all the Series J Preferred Stock represented by any such certificate are redeemed, a new certificate or certificates shall be issued representing the unredeemed Series J Preferred Stock without cost to the holder thereof.

(3) Any funds deposited with a bank or trust company for the purpose of redeeming Series J Preferred Stock shall be irrevocable except that:

(a) the Corporation shall be entitled to receive from such bank or trust company the interest or other earnings, if any, earned on any money so deposited in trust, and the holders of any Series J Preferred Stock redeemed shall have no claim to such interest or other earnings; and

(b) any balance of monies so deposited by the Corporation and unclaimed by the holders of the Series J Preferred Stock entitled thereto at the expiration of two years from the applicable Redemption Date shall be repaid, together with any interest or other earnings earned thereon, to the Corporation, and after any such repayment, the holders of the Series J Preferred Stock entitled to the funds so repaid to the Corporation shall look only to the Corporation for payment without interest or other earnings.

B-5

---

(4) No Series J Preferred Stock may be redeemed except from proceeds from the sale of other capital stock of the Corporation (consisting of common stock, preferred stock, depository shares, interests, participations or other ownership interests (however designated) and any rights (other than debt securities convertible into or exchangeable for equity securities) or options to purchase any of the foregoing) and not from any other source.

(5) Unless full accumulated dividends on all Series J Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof set apart for payment on the Series J Preferred Stock for all past Dividend Periods and the then current Dividend Period, no Series J Preferred Stock shall be redeemed, purchased or otherwise acquired directly or indirectly on the Series J Preferred Stock; provided, however, that the foregoing shall not prevent the redemption, purchase or acquisition of Series J Preferred Stock to preserve the Corporation's REIT status or the purchase or acquisition of Series J Preferred Stock pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding Series J Preferred Stock.

(6) If the Redemption Date is after a Record Date and before the related Quarterly Dividend Date, the dividend payable on such Quarterly Dividend Date shall be paid to the holder in whose name the Series J Preferred Stock to be redeemed are registered at the close of business on such Record Date notwithstanding the redemption thereof between such Record Date and the related Quarterly Dividend Date or the Corporation's default in the payment of the dividend due. Except as provided in this Section 6, the Corporation will make no payment or allowance for unpaid dividends, whether or not in arrears, on Series J Preferred Stock to be redeemed.

(7) In case of redemption of less than all Series J Preferred Stock at the time outstanding, the Series J Preferred Stock to be redeemed shall be selected pro rata from the holders of record of such Series J Preferred Stock in proportion to the number of Series J Preferred Stock held by such holders (with adjustments to avoid redemption of fractional shares) or by any other equitable method determined by the Corporation.

Section 7. *Voting Rights.* Except as required by law, and as set forth below, the holders of the Series J Preferred Stock shall not be entitled to vote at any meeting of the shareholders for election of Directors or for any other purpose or otherwise to participate in any action taken by the Corporation or the shareholders thereof, or to receive notice of any meeting of shareholders.

(a) Whenever dividends on any Series J Preferred Stock shall be in arrears for six or more quarterly periods, whether or not such quarterly periods are consecutive, the holders of such Series J Preferred Stock (voting separately as a class with all other series of Preferred Stock of the Corporation upon which like voting rights have been conferred and are exercisable) will be entitled to vote for the election of two additional Directors of the Corporation at a special meeting called by the holders of record of at least ten percent (10%) of the Series J Preferred Stock (unless such request is received less than 90 days before the date fixed for the next annual or special meeting of the shareholders) or at the next annual meeting of shareholders, and at each subsequent annual meeting until all dividends accumulated on such Series J Preferred Stock for the past Dividend Periods and the then current Dividend Period shall have

B-6

---

been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. In such case, the entire Board of Directors of the Corporation will be increased by two Directors.

(b) So long as any Series J Preferred Stock remain outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the Series J Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting separately as a class), (i) authorize or create, or increase the authorized or issued amount of, any class or series of shares of capital stock ranking senior to the Series J Preferred Stock with respect to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of the Corporation or reclassify any authorized capital stock of the Corporation into such capital stock, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such capital stock; or (ii) amend, alter or repeal the provisions of the Charter of the Corporation, including this Certificate of Designations, whether by merger, consolidation or otherwise (an "Event"), so as to materially and adversely affect any right, preference, privilege or voting power of the Series J Preferred Stock or the holders thereof; provided, however, with respect to the occurrence of any of the Events set forth in (ii) above, so long as the Series J Preferred Stock remain outstanding with the terms thereof materially unchanged, taking into account that upon the occurrence of an Event the Corporation may not be the surviving entity, the occurrence of any such Event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of holders of Series J Preferred Stock; and provided, further, that (x) any increase in the amount of the authorized Preferred Stock or the creation or issuance of any other series of Preferred Stock, or (y) any increase in the amount of authorized Series J Preferred Stock, in each case ranking on a parity with or junior to the Series J Preferred Stock with respect to payment of dividends and the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote or consent would otherwise be required shall be effected, all outstanding Series J Preferred Stock shall have been redeemed or called for redemption and sufficient funds shall have been deposited in trust to effect such redemption.

(c) On each matter submitted to a vote of the holders of Series J Preferred Stock in accordance with this Section 7, or as otherwise required by law, each Series J Preferred Share shall be entitled to one vote. With respect to each Series J Preferred Share, the holder thereof may designate a proxy, with each such proxy having the right to vote on behalf of the holder.

Section 8. *Conversion.* The Series J Preferred Stock is not convertible into or exchangeable for any other property or securities of the Corporation.

Section 9. *Restrictions On Ownership.* The shares of Series J Preferred Stock shall be subject to the restrictions on transfer set forth in Article Ninth of the Charter of the Corporation. Any transfer or attempted transfer in violation of the provisions of this Section 9 shall be null and void.
