**Explanation of Responses:**

1. The reporting person had previously inadvertently reported his shares of common stock held through a company-sponsored 401(K) plan as being directly held. In this Form 5, the reporting person is separately disclosing the shares of common stock that he holds directly and his shares of common stock that he holds through the 401(K) plan. In addition, the number of shares of common stock that the reporting person holds through the 401(K) plan was reduced since the reporting person's last Form 4 filing from 167 shares to 105 shares as the result of a rebalancing within the 401(K) plan by the plan administrator, and not as the result of a sale of shares by the reporting person.
